**FEEL NO GUILT IN LAUGHTER**

*Feel no guilt in laughter; she'd know how much you care.  
Feel no sorrow in a smile that she is not here to share.*

*You cannot grieve forever; she would not want you to.  
She'd hope that you could carry on the way you always do.*

*So, talk about the good times and the way you showed you cared,  
the days you spent together, all the happiness you shared.*

*Let memories surround you, a word someone may say  
will suddenly recapture a time, an hour, or a day,  
that brings her back as clearly as though she were still here,  
and fills you with the feeling that she is always near.*

*For if you keep those moments, you will never be apart  
and she will live forever... locked safe within your heart.*

*“... but the Master of the sea heard my despairing cry,  
from the waters lifted me, now safe am I.”*

## *If I Should Go*

*If I should go tomorrow  
It would never be goodbye,  
For I have left my heart with you,  
So don't you ever cry.*

*The love that's deep within me,  
Shall reach you from the stars,  
You'll feel it from the heavens,  
And it will heal the scars.*

## MOTHER ...

### You Were the Pride Of Our Hearts

*It seems that in life there are certain times  
Which are more than "simply unfair"  
When our hearts search out for better answers  
But cannot seem to find them there*

*But regardless of the reason  
For why you had to depart  
We will miss you every single day of our lives  
For you were the pride of our hearts!*

*Thank you for being our example  
Inspiring us through your courage and drive  
We'll cherish all the precious memories  
That you lovingly created in our lives.*

*Still we'll miss you most for your love and your smiles  
For they made our world seem so bright  
And we'll treasure each memory and moment  
Every way you blessed our pathways in life*

*And though we can't quite understand  
Why so soon you had to part  
We're eternally grateful for the gift of your life  
You were truly the pride of our hearts!*
