

I'M FREE

*Don't grieve for me, for now I'm free
I'm following the path God has chosen for me.
I took His hand when I heard him call;
I turned my back and left it all.*

*I could not stay another day,
To laugh, to love, to work or play.
Tasks left undone must stay that way;
I've now found peace at the end of day.*

*If my parting has left a void,
Then fill it with remembered joys.
A friendship shared, a laugh, a kiss;
Oh yes, these things, I too will miss.*

*Be not burdened with times of sorrow
Look for the sunshine of tomorrow.
My life's been full, I've savored much;
Good friends, good times, a loved ones touch.*

*Perhaps my time seems all to brief;
Don't lengthen your pain with undue grief.
Lift up your heart and peace to thee,
God wanted me now-He set me free*

WE'LL REMEMBER YOU

We'll remember you in sunshine it's rays warming earth and sky
We'll remember you in bird's graceful wings as they glide and flutter by

We'll remember you in the summer breeze and in softly falling rain
We'll remember you in dark storm clouds the rainbow's picture frame

We'll remember you in blossoms and fields and in gentle streams that flow
We'll remember you in all that lives... all that brings life...that grows

We'll remember you in the mountains when golden leaves fall at our feet
We'll remember you when glowing sunsets cast sparkling embers on the beach

We'll remember you in the Christmas lights glimmering bright with joy and hope
We'll remember you when white winter storms cover canyon, field and slope

We'll remember you when we're at our best - keep your mem'ry close during
darkest days

We'll remember you when each day dawns in these simple, yet precious ways

Moment by moment we'll remember you, you'll never be too far away
Because we'll keep you in our hearts each and every day

SAFELY HOME

*I am home in Heaven, dear ones;
Oh, so happy and so bright!
There is perfect joy and beauty
in this everlasting light.*

*All the pain and grief is over,
every restless tossing passed;
I am now at peace forever,
safely home in Heaven at last.*

*Did you wonder I so calmly trod
the valley of the shade?
Oh! but Jesus' love illuminated
every dark and fearful glade.*

*And He came Himself to meet me
In that way so hard to tread;
And with Jesus' arm to lean on,
could I have one doubt or dread?*

*Then you must not grieve so sorely;
for I love you dearly still;
Try to look beyond earth's shadows,
pray to trust our Father's will*

*There is work still waiting for you,
so you must not idle stand;
Do it now, while life remaineth—
you shall rest in Jesus' land.*

*When that work is all completed,
He will gently call you home;
Oh, the rapture of the meeting,
oh, the joy to see you come!*
