TRIBUTE

*Grandma*

In my heart is great love for you.  
In the world are the great deeds you do.  
You tend to everyone with love, like you do your flowers.  
You are always appreciative and gracious,  
but the pleasure is ours.  
We love your support and being strong.  
Comforting us like a sweet song.  
We see you as a woman of faith.  
Following God, you live by his Words and no one else’s.  
Treating others with love, not hate.  
Funny, making us laugh, lighting up the room.  
Comforting us with all we need, like a caterpillar  
in a cocoon.  
I hope I see you soon.  
I look up to you like the great moon.  
In the sky, even at night, you still shine.  
Stars around you are bright because you shine.  
For I am grateful, because no one else  
like you I can find.  
I love you because you’re kind  
You are devoted to being you,  
Achieving what God has in store for you.
