CORE COMPETENCIES

The critical work of Government business demands that their trusted partners deliver construction services in the utmost cost-efficient, competent and compliant manner necessary to meet the strategic needs of those agencies. The Spanos Group's Government Solutions Division was formed to meet and exceed those expectations of our federal, state, and Prime Contractor customers.

We've developed a significant range of highly-skilled Tradesmen and Supervisors, including through our strategic partnerships, within the following key environments:

DRYWALL/CEILINGS

FINISHED CARPENTRY

CONCRETE/SEALED

FLOORING

PAINTING

HVAC

DEMO/DEBRIS REMOVAL

REMODELS/TI

DOORS/HARDWARE

KEY DIFFERENTIATORS

We're widely acknowledged for our integrity and commitment to both the highest levels of Safety and Construction Standards within the industry. Our professionals bring OSHA 30, ASHE, and USACE CQM certifications to bear as well as full background checks. That unparalleled background provides us the confidence in promising our government projects will be completed On Time – Within Scope – and Within Budget.
