

# BRING YOUR DYNALYZER BACK TO LIFE

with Dr. Jonathan S. Shapiro

## Greenwich Instrument Co. Inc.

At Greenwich, we offer a rebuild program for old Dynalyzers. We will replace most of the internal parts with new parts manufactured to work better than the original design, bringing your instrument back to life.

**MENTION THIS AD FOR 10% OFF**  
units 5 years or more out of calibration!

Greenwich is an ISO 17025 Accredited Company
