PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Harmful if swallowed. May be absorbed through skin. Avoid inhalation of spray mist. Avoid contact with skin, eyes, or clothing. Wash thoroughly after handling and before smoking or eating. Avoid contamination of feed and foodstuffs. Remove pets and birds and cover and unplug fish aquariums before space spraying or surface applications. **This product is not for use on humans.** Vacate room after treatment and ventilate before reoccupying. Do not allow children or pets to contact treated areas until surfaces are dry.

FIRST AID

IF INHALED
Remove affected person to fresh air. Apply artificial respiration if indicated.

IF IN EYES
Flush with plenty of water. Contact a physician if irritation persists.

IF ON SKIN
Wash affected area immediately with soap and water. Get medical attention if irritation persists.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to any body of water. Do not contaminate water when disposing of equipment washwaters.

Contains no CFC or other ozone-depleting substances. Federal regulations prohibit CFC propellants in aerosols.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed.

SHAKE WELL BEFORE USING

A single can (16 oz) treats 2000 square feet. Remove protective cap, hold container **upside down** and spray from a distance of 2 to 3 feet. Remove birds and cover and unplug fish aquariums before spraying.

FLEAS AND TICKS

(ADULTS & LARVAE)
FOR USE IN THE HOME
For best results, pay special attention to areas your pets frequent.

Avoid thoroughly wetting the area that needs treating.

To kill adult fleas, flea larvae, and ticks in your home, hold container **upside down** 2 to 3 feet from surface, point actuator towards the surface and push button.

FOR SURFACE/CARPET SPRAY
Vacuum thoroughly before spraying.

A test application should be made to upholstery or drapery fabrics in an inconspicuous place before use. Apply uniformly with a sweeping motion to rugs, carpets, drapes, and all surfaces of upholstered furniture. Treat surfaces uniformly form one end to the other. Only complete coverage of carpets, upholstery, drapes, and other fabrics will provide thorough flea elimination.

FOR USE IN PET AREAS
Pay special attention to areas where pets frequent, such as in and around sleeping and resting areas. Treat pet bedding and other pet resting areas as these are primary hiding areas for fleas.

STORAGE AND DISPOSAL

STORAGE
Store in a cool dry area. Do not transport or store below 32°F.

DISPOSAL
Wrap container in several layers of newspaper and dispose of in trash. Do not incinerate or puncture.

Seller makes no warranty, express or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and handling of this material when such use and handling are contrary to label instructions.
