

## VOLUME 1

### MEET THE FOUNDER

Roslyn Caldwell has had a fulfilling career in education for over thirty-two years. She is the youngest of five siblings and the first person in her family to graduate college. She has held various roles throughout the span of her career in education, being a history teacher, volleyball coach, track coach, vice principal of a start-up charter school, AVID site coordinator, GEAR UP facilitator, redesign administrative supervisor, and executive college and career readiness coordinator. From her last position as an executive college and career readiness coordinator, she has guided students and their parents on their higher education journey by mentoring, putting up financial aid and college fair events, and building a team of support along the way. She has maintained a role as a mentor for life to the students she has encouraged, who are now in college or have graduated. To this day, Roslyn Caldwell is now happily retired with her husband, Kevin Caldwell. Together, they are blessed to share an only son named Ryan who is now married to his wife Jasmine with two beautiful children.

## BEST MODE FOR SUCCESS

**Programs objective:** Students learn to set goals and to make better choices, develop better study skills, better character and leadership skills while providing opportunities for community service and civic duties.

### Detailed Outline:

Students will meet after school Monday through Thursday from 4:30-6:30 at Gildon Creek Third Baptist Church located at

204 Burton St. E Manor, TX 786653.
