

# 2018 Pool Openings

## 267-218-0725

[WWW.THEPOOLMONSTER.COM](http://WWW.THEPOOLMONSTER.COM)

*This is our list of pool opening services, so you can choose an opening that fits your specific needs and avoid over paying other companies. Estimates are always FREE! Open your swimming pool this season with confidence!*

### **Complete opening**

Complete openings include: The removal of winter cover and pump (excessive amounts of water and/or debris on top of the cover will result in an additional fee), the assembly of filter and other standard pool equipment, removing all winterizing plugs, testing of the pool/spa heater (if applies), vacuuming (25 minutes included), brushing, and skimming entire pool, testing the water chemistry and applying necessary chemicals (**chemicals not included**).

<b>In-ground</b>	<b>starting at...</b>	<b>\$299.95 - \$324.95 w/ spa</b>
<b>Above ground</b>	<b>starting at...</b>	<b>\$249.95</b>

### **Partial opening**

Partial openings include: The assembly of the filter and other standard pool equipment, removing all winterizing plugs, testing the pool/spa heater (if applies), vacuuming (25 minutes included), brushing, and skimming entire pool, testing water chemistry and applying necessary chemicals (**chemicals not included**). *\*Customer will be responsible for the removal and storage of their winter cover prior to our arrival for the scheduled opening\**

<b>In-ground</b>	<b>starting at...</b>	<b>\$249.95 - \$269.95 w/ spa</b>
<b>Above ground</b>	<b>starting at...</b>	<b>\$229.95</b>

### **Weekly service**

Weekly service include: Overall filter system and equipment inspection, vacuuming (20 minutes included), brushing, and skimming, testing water chemistry and applying necessary chemicals (**chemicals not included**), backwash filter when necessary, emptying all pump and skimmer baskets.

### **Service call**

**\$120.00**
