Rear Drive

Known for ruggedness & longevity

1.800.MY.AMIGO

www.myamigo.com

Known for its ruggedness and longevity, the Amigo RD is the go-anywhere mobility solution for people with an average to large frame. The following innovations make the RD a safe and comfortable option:

- **EZ-Tilt handle**
Infinitely adjustable for maximum comfort
- **360-degree seat rotation**
Helpful during transfer and increases range of motion
- **34 in (86.4 cm) turning radius**
Maneuvers tight spaces effortlessly
- **Easy to use handle display**
Includes LED battery gauge and adjustable speed control knob

Customize:

- 4 in (10.16 cm) longer platform
- Power seat lift
- Touchtron controller
- Seating
- SmartSensor anti-impact system
- Upgraded tires
- Lighting package
- Shabbat option

Available colors:
