

Youth Suicide Prevention

Suicidal behavior in teens can lead to tragic consequences. And, with teen suicide as the third leading cause of adolescent death, it is important to realize the stakes in preventing teen suicide. Keep reading for more information on teenage suicide prevention.

Part of preventing teen suicide also includes recognizing the issues that can trigger feelings of teen depression leading to suicidal thoughts and feelings. Teen suicide prevention requires diligence on the part of guardians, as well as a willingness to seek professional help when it is needed.

Ravens Nest Foundation is dedicated to bringing awareness, prevention, and education to this rising epidemic among our teens. RNF provides a fully trained and licensed clinical team to assist those individuals who may need help.

RNF has taken the challenge in Youth Suicide Prevention...so we challenge you to be the change in your community **by donating \$1.00 to the Ravens Nest Foundation, Inc.**, you can help in our efforts to bring awareness, prevention, and education to the rising epidemic of suicide among our youth.
