Sensors & Automation

- Laser sensors
 - Thickness & distance
 - 2D profiling scanners
- Encoders
 - Absolute & Incremental
 - String encoders
- Position & Pressure
 - LVDT & RVDT Transducers
 - Length, position & speed measurement
 - String pots
 - Liquid pressure sensing
- DC drives
- Panel meters, HMIs, Rate indicators

Machine Safety

- Safety sensors & switches
 - Non-contact; keyed; solenoid interlocks; electronic
- Safety light curtains
- Safety mats & edges
- Safety controllers

Electrical Safety

- Voltage & phase loss indicators (PESDs)
- Voltage test ports
- PPE
- IR inspection windows
- Through-panel communication ports
- Arc-flash safety training & consulting

Enclosures & Electrical Connectors

- Non-metallic enclosures & accessories
- DIN rail terminal blocks
- Cord grips
