

Amazing Opportunity!

We have an immediate full-time opening for a **Superstar Customer Service Specialist**.

We prefer no Automotive Experience... so we can mold the right individual **Male** or **Female** into a "Superstar", we can teach you the Automotive!

What does the position entail: Guiding the guest through the automotive repair or service experience with care and compassion, never putting money before people. Gather vital information from guest and technician; build estimates based on guest and vehicles needs. Inform and keep guest apprised through the entire experience. The Customer Service Specialist is the glue that holds the process together.

This Position Requires: A strong commitment to ethics and customer service. A great personality and positive attitude, candidates must also be intuitive with exceptional attention to detail!
