Old Mill Founders

at Old Mill BBQ & Burritos

Old Mill BBQ & Burritos in Pecos was opened in 1947 by the current owner's grandfather, Amador Gochicoa, who started the restaurant with his goal of offering delicious American, Mexican BBQ and Italian foods. His son-in-law, Sebero Sr., took over the business in the '70's. After he retired, his son, Sebero Jaquez, Jr. took over the business in 1992 and then brought his son, Sebero Juaquez, III, into the business after graduating from Le Cordon Bleu culinary school in 2006. Sebero Jaquez, Jr. operates the family-owned business with his son, Sebero Jaquez, III, combining culinary expertise and business acumen to make Old Mill BBQ & Burritos one of the most preferred restaurants in the area. Old Mill chefs prepare the food with passion for an amazing feast you'll remember for a long time.

Catering is available for weddings or other special events; Old Mill will serve dishes your guests will absolutely love.
