

The chatterbox

Happy Easter blessings to you!

Daffodils

Yellow, yellow daffodils

You're dancing in the sun.

Yellow, yellow daffodils

You tell me spring has come.

Yoga via ZOOM with Kim will continue in April for our Parkside Residents. Please let Julie know if you need the link to get in. We are also hoping to try an outdoor class again as soon as it warms up more!!

Spring cleaning????

Help is available!!

Need to have some Spring cleaning done? Blinds need dusting, cabinets washed, décor boxed up, or just general housekeeping help? Teresa our on-staff housekeeper is available for \$20/hr. Please call the office to arrange a time. Also for the month of April if you schedule a cleaning you will get a sweet little Spring bouquet included.

Call 608-846-4640. The office will invoice you for this convenient on-site service separately and we supply all the cleaning supplies unless you have ones of your own you want used.

Did you know? Earth Day is April 22nd and that Parkside is the sponsor of Gray Rd through the Adopt-a-Highway Program? We have resident volunteers help keep it clean throughout the Spring, Summer and Fall. A big THANK YOU to BOB & PHYLLIS PETERSON for all their years of help. They are “retiring” from this and passing on the torch. We are always in need of volunteers. If you would like to be added to a “pool” of names who might be interested in helping please call Russell Schave at 608-842-0715. Thank you for keeping our corner of this earth clean and green!

Underground Parking will be power washed this month. Date to be determined. We will let you know soon. It's a good time to tidy up any extra items stored in front of your car, as these should be limited anyway. Cardboard boxes should be taken to your storage unit as they may get wet during the process.

April is National Walking Month: Let's celebrate by having a [**WALK AROUND THE CIRCLE DRIVE**](#) day!

On Thursday, April 8th from 2-3 pm take a stroll around the Circle Drive, be prepared to say hi and wave to many...hoping for great weather! There will be a **beverage stop** by the overflow parking area of the Garden Building and then directly half way around the circle **will be a snack stop**. Doesn't matter if you are a power walker or just a stroller come out and enjoy a walk around the circle with friends!!

If inclement weather we will do it Friday, April 9th. Pets always welcome.
