## Parkside's Trick-o-Treat Event is back by demand!! Sunday, Oct. 27th

**2:30 pm**

The event kicks off in our community room at 2:30 where the little princesses, super hero's and goblins will be given a bag and treats to start off their adventure. They will then be instructed which garden unit doors and which ranch units they can visit and off they will go to collect their goodies and maybe try to scare and/or melt the hearts of the residents eagerly awaiting their visits. They will end their adventure at the Assisted Living next door with drinks and more treats. If you want to participate in handing out treats from your unit please call the office to let us know by Oct 21st. You don't want to miss out on this wonder-boo event! Call the grandkids!

Parkside has some of the stand up Foreman electric grills available. They are being stored in the underground parking area presently. We will be working on cleaning them up. If you would like one (FREE) please let management know right away. You will need to take possession of it and store it in your storage area or garage. Thank you!

Since Parkside Village is an **Adopt-a-Highway sponsor** for Gray Road. It is so nice that our residents pitch in and keep it clean. Our dedicated volunteers go out and clear all the trash. If you would like to help meet in the main parking lot a few minutes before **8:30 am on Wed, Oct 16th** and the seasoned volunteers will point you in the right direction. Remember to wear sturdy shoes. Thank you!!
