♥ *Happy Valentines Day* ♥

### **The Origins of Valentines Day~**

The origins of Valentine's Day are not clear but many sources believe that it stems from the story of St Valentine, a Roman priest who was martyred on or around February 14 in the year 270 CE. How he became the patron saint of lovers remains a mystery but one theory is that the church used the day of St Valentine's martyrdom to Christianize the old Roman Lupercalia, a pagan festival held around the middle of February.

The ancient ceremony included putting girls' names in a box and letting the boys draw them out. Couples would then be paired off until the following year. The Christian church substituted saints' names for girls' names in hope that the participant would model his life after the saint whose name he drew. However, it was once again girls' names that ended up in the box by the 16th century.

Eventually the custom of sending anonymous cards or messages to those whom one admired became the accepted way of celebrating Valentine's Day. There was an increase in interest in Valentine's Day, first in the United States and then in Canada, in the mid-19th century. Early versions of Valentine cards fashioned of satin and lace and ornamented with flowers, ribbons, and images of cupids or birds appeared in England in the 1880s.

Hearts, the colors red and pink, roses, images and statues of cupids, and cupids' bows and arrows symbolize the feeling of romance and love on Valentine's Day. Cupid is usually portrayed as a small winged figure with a bow and arrow. In mythology, he uses his arrow to strike the hearts of people. People who fall in love are sometimes said to be "struck by Cupid's arrow". The day focuses on love, romance, appreciation and friendship.

Let this coming year be better than all the others. Vow to do some of the things you've always wanted to do but couldn't find the time. Call up a forgotten friend. Drop an old grudge, and replace it with some pleasant memories. Vow not to make a promise you don't think you can keep. Walk tall, and smile more. You'll look ten years younger. Don't be afraid to say, "I love you". Say it again. They are the "sweetest words" in the world.

Volume 20 Issue 3

April 2020

## EASTER APRIL 12, 2020

Inside this issue:

**April Birthdays**      **2**

**Notes from**              **3**

**The “2020” Easter Season:**

**Easter is going to be difficult this year.**

**People will not be going to their usual Holy Week church services, food blessings and Easter services.**

**They will not be gathering for Easter brunches, or even at family members’ houses for dinner.**

**And for the kids, there won’t be community Easter egg hunts or visits with the Easter Bunny.**

**Easter is usually such a joyful holiday for so many reasons. Hopefully you will stay connected over phone calls, e-mails, video chats and perhaps a good old fashioned greeting card or two. I’m sure there will be a lot of Church services on TV on Easter Sunday. I know it won’t be the same.....but we will all celebrate another time...hopefully real soon!**

**Happy Easter...We are all in this together! May God Bless us all!**

## WISCONSIN POEM

*It's winter in Wisconsin  
And the gentle breezes blow  
Seventy miles an hour  
At twenty-five below.  
Oh, How I Love Wisconsin  
When the snows up to your butt  
You take a breath of Winter  
And your nose gets frozen shut.  
Yes, the weather here is wonderful  
So I guess I'll hang around  
I could never leave Wisconsin!  
"Cause I'm frozen to the ground
