If you want to communicate with your Credit Union via e-mail, please provide your e-mail address by emailing to: leefcu@sprintmail.com

Your e-mail address will not be given out or sold to other parties. It will be used only to communicate with our members.

You can transact business with your Credit Union through mail. You don't have to come to the Credit Union to deposit or withdraw funds. You can also request loan forms and submit them through the mail.

We also have money to lend. Check with the credit union for the current loan rates.

If you have not made a transaction with your Credit Union (share deposit, withdrawal, or written/email correspondence) in the last three years, your account may have to be turned over to the District of Columbia as unclaimed property. It only takes a single transaction every other year to prevent this from occurring. You can also send us

a letter or email stating that you want to keep the account active and be sure to include your address and account number.

We have children's share accounts which offer a slightly higher dividend rate. Start saving for their future.

If you know of any high school or college students interested in working part-time (4 hours on Sunday) at the credit union, please contact the credit union.
