To Our Dear Patient,

We are excited to tell you that we will be consolidating our practice to one location at 8195 Oswego Rd. Liverpool, NY at the end of November 2020. We have thoroughly enjoyed serving the dental needs of our patients in Utica since August of 2010. Our new office has a new name: Dazzling Smiles!

In order to provide better patient care and take advantage of the latest in state of the art technology we will be consolidating to our new office, Dazzling Smiles, at the end of November 2020. Dazzling Smiles opened in September of 2018. We will be offering a number of new services at this location including affordable implants, 3-D imaging technology, sleep apnea treatment and in office teeth whitening with Zoom. We will also be adding a digital scanner for impressions in the near future as well as Invisalign. These are in addition to: wisdom tooth extractions, molar root canals, cosmetic and preventive dentistry.

At Dazzling Smiles we will continue participation with all of the insurance plans that are currently accepted at Westside Dental. Please call us at 315-409-4481 or check out our website listed below for more details. We will continue to see patients at the Utica Westside location until October 31, 2020 and will make your records available if you are not able to relocate with us. For those of you who are able to do so, be sure to let our office staff know where you are coming from so we can schedule your visit accordingly, to allow for the fewest trips possible. All of your dental records will be kept by our office in accordance with applicable record keeping laws and made available to you upon written request. You can find a records release form on our website: **www.westsidedentalinfo.com**. Dr. Arora and his staff at Dazzling Smiles look forward to continuing to care for your dental needs in our new location.

We encourage you to contact our new office at 315-409-4481 to schedule your next appointment. You can also view pictures of our new office and what new services we offer at the website: **www.dazzlingsmilessyracuse.com**.

Thank you for allowing us to care for your dental needs for these many years.

Sincerely,

Dr. Arora DDS
