Garden House Respite
Enrollment Form

(Completed by Potential Guest and Referring Worker)

Garden House Respite offers a temporary stay in a home-like environment. Garden House Respite provides 24/7 support by staff with lived experience. Respite prevents hospitalizations and emergency room visits. Guests may stay the same day, if a room is available, up to 7 days. During their stay at Garden House Respite, guests are encouraged and helped to continue with their usual routines, including meeting with their treatment providers. Collaboration between Respite staff and treatment providers is encouraged, with guest's consent.
