Come Home to
The Cornerstone Inn Restaurant

Our Food

Because we create dishes from scratch and pour a whole lot of love into each one, we come as close to home as we can in feeding you and your loved ones. We are blessed with Chef Tommy's God-given talents to serve you food that delights not just fills.

Our Atmosphere

This old building dating back to 1881 has prayer rising from its root cellar & our music that warms the air & lifts your spirit. The love of neighbor (we have donated almost \$58,000 to the poor) seems to keep God in our midst. A truly unique plan (inspired through prayer), welcomes The Almighty to come and dine with us! You are seated on holy ground!

Our Service

Our goal is to serve you with JOY! We know how difficult life is... the juggling and the struggling. We need each other to ease the load. We want you to experience the heart of The Cornerstone Inn:

- Blessed Food
- Joyful Service
- Loving Care

We are not perfect, but we do want to give you our very best.

Your feedback, support & prayers are desired. God loves a cheerful giver!
