“Attorney Moolenaar, I feel that the few words pre-printed on this card do not do justice in the expression of my profound appreciation for the very fine job you’ve recently done for me in the preparation of my Living Trusts; furthermore for the keen interest you have taken to ensure that all the details are favorable to me. Words are definitely inadequate to convey my sincere gratitude to you, so I’m asking you to accept the enclosed token as a memento or memorabilia of the appreciation of my heart to you. I do believe that I’ve found a genuine friend in you, and I promise that I will not fail to advertise the exceptionally fine professional work done by you. Once again, THANK YOU VERY MUCH”

Sincerely yours,  
Dr. D.A. Law

Lyd- Life has a way of taking us to different paths. Well, mine seems to be changing always. I am thankful that I am having a second chance of becoming a mom to Emily and to future baby boy Zepeda. I just wanted to copy your path J. Anyways I am so thankful to have such a great friend like you. You are always in my thoughts and prayers. Somehow, everytime I talk to you life seems so much easier and greater. I have always loved your superwoman ways and somehow I don’t think anybody can ever knock you down. I just want to say thank you for always being there for me and you are not only a friend but a sister to me. Know that I love you and hope to always have your friendship.

Your Chicana,  
Sis. Angie C.

As Christmas feelings warm the heart and the year gently comes to a close, I want to share this joyful feeling....as a way of saying a lasting "thank you" and passing along a loving reminder that I appreciate you so much... for the many many blessings with which you have touched my life. You are so wonderful and the closeness I have with you will always be...one of the most important things in the whole world to me. Merry Christmas, I wish you and your loved ones the best this holiday season.

Love always,  
Brenda.

Dear Lydia:  
Congratulations on opening your own firm. You must at this time feel a tremendous sense of satisfaction. Feel proud on making this step forward. I know it hasn't been easy juggling all of the demands on your time while still pursuing your goal.
