### **What did Jesus mean when He told us that His return would be as the day of Noah were?**

Matthew 24:37 – *as the days of Noah were, so also will the coming of the Son of Man be.*

In context, this means that the world would be oblivious to the coming judgment of God even as that judgment was about to be poured out.

- But, since there is nothing new under the sun (history repeats itself), there are secondary implications here.
- 7 ancient tactics resurfacing in the Last Days

### **What assault did the fallen angels make on humanity?**

Genesis 6:4 – *There were giants on the earth in those days, and also afterward, when the sons of God came in to the daughters of men and they bore children to them.*

The Seed War... fallen angels sought to corrupt the human genome so that the promised Messiah could not be born as a human. This is why Noah's family was chosen to re-boot humanity...

Genesis 6:9 – *Noah was a just man, perfect in his generations. Noah walked with God.*

### **How was Jesus' comment on the days of Noah a prophetic warning?**

The same forces that engineered global corruption once before will rise again, influencing culture, governments, spirituality, and technology in ways most people will never recognize.

- If the last days mirror the days of Noah, then the same tactics used by the fallen angels before the Flood will reappear—updated, modernized, and empowered by global technology.

## **1. Genetic Pollution**

### **How did fallen angels corrupt the human genome before the flood?**

They were able to manifest themselves as physical human beings and caused the Nephilim to be born... giants; humans with altered non-human DNA.

### **How are we seeing the altering of human DNA today?**

- Transhumanism – there is a desire to improve humanity through forced evolution
- Gene editing – while resolving genetic diseases is the excuse, mad scientists seek to go beyond that to “improve” humans

### **What parallels to the fallen angels polluting the humanity genome are we seeing today?**

What was once accomplished through supernatural rebellion is now pursued through laboratories, research institutions, and billionaire-funded biotech ventures. The language has changed—from “corruption” to “enhancement”—but the underlying ambition remains disturbingly familiar.

- **CRISPR and gene editing**, rewriting human DNA.
- **Designer babies**, selected for intelligence, height, or physical traits.
- **Human-animal chimeras**, created for experimentation and organ harvesting.
- **Transhumanist ideology**, promising “the next stage of evolution” beyond humanity.
- **AI-designed organisms**, synthetic life created in a lab.

### **What are the fallen angels trying to achieve through corrupting human DNA, they lost the Seed War?**

There is now an “Image War.” Satan would like to alter humans made in the image of God into his own image.

- Such a physical alteration will likely be part of the Mark of the Beast since that is something that cannot be repented of and thus forgiven.
- Society celebrates these breakthroughs as progress, unaware that they echo an ancient strategy aimed at undermining God's original blueprint.

## 2. Corruption of God's Order

### How did the fallen angels corrupt God's order before the flood?

They left their assigned domain in the spiritual realm to mix it up with people.

Jude 6 — *And angels who did not keep their own domain, but abandoned their proper abode...*

### How are fallen angels corrupting God's order today?

Through tempting people to have identity confusion... God's creation is built on boundaries—heaven and earth, male and female, humanity and angelic beings, species and kinds, marriage and sexuality.

- These boundaries aren't arbitrary; they reflect God's design, protection, and purpose.
- Before the flood, fallen angels rebelled by crossing a boundary God Himself established: entering the physical domain.

### What parallels to the fallen angels mixing it up with humanity are we seeing today?

What once required a supernatural incursion can now be achieved through psychological manipulation, social conditioning, and digital immersion.

- The enemy no longer needs to manifest physically when he can influence hearts, reshape worldviews, and rewrite truth from behind a screen.

### How is gender identity confusion rebellion against God?

It rejects God's order and design for male and females in Genesis 1:27.

- It elevates human autonomy above God's authority.
- Family breakdown, redefining marriage and erasing the biblical model of father, mother, and children.
- The world is embracing these changes not as rebellion, but as liberation—proving how effective the deception has become.

### How has technology facilitated identity confusion?

- The media is saturated with the gender change narrative.
- People can reinvent themselves through digital avatars and virtual realities.
- Hormone treatments and surgery promise an appearance of change

## 3. Forbidden Knowledge

### How did the fallen angels impart forbidden knowledge before the flood?

Genesis 6:5 — *the Lord saw that the wickedness of man was great in the earth, and that every intent of the thoughts of his heart was only evil continually.*

The fallen angels accelerated corruption through occult instruction... Ancient Jewish writings (used only as historical context) describe fallen angels teaching humanity forbidden knowledge—sorcery, divination, astrology, weapon-making, and occult practices.

- Scripture affirms the outcome: the world became consumed by violence, immorality, and idolatry.

### What was the purpose of exposing humanity to forbidden knowledge?

It was not enlightenment—it was destruction.

John 8:44 — *You are of your father the devil, and your will is to do your father's desires. He was a murderer from the beginning, and does not stand in the truth.*

### How are fallen angels imparting forbidden knowledge today?

Knowledge is once again being weaponized spiritually. Instead of stone tablets and ancient rituals, today's "revelations" arrive through glowing screens, algorithmic suggestions, and digital spirits masquerading as wisdom. A generation is being discipled—not by Scripture—but by an endless stream of voices promising enlightenment apart from God.

- **AI "spiritual advisors"** generating messages that mimic revelation.
- **TikTok witchcraft**, introducing the occult to children in seconds.
- **New Age channelers** claiming messages from "angels" or "higher beings."
- **NAR prophets** offering new "downloads" and extrabiblical doctrines.
- **Psychedelic visions** marketed as pathways to truth that often produce the same teachings seen in occult literature.

### How is forbidden knowledge imparted through technology so deceptive?

The enemy no longer needs to descend from Mount Hermon. He simply uses screens, algorithms, and influencers. And because these deceptions feel modern, scientific, or mystical, few recognize that they originate from the same ancient spirits that once corrupted the world before the Flood.

## 4. Influence Over Nations

### How did the fallen angels influence the nations before the flood?

Genesis 6:1 – *men began to multiply on the face of the earth*

The fallen angels' efforts to corrupt humanity were not mere pockets of rebellion, it was global.

- Humanity had rejected God's authority, embracing a corrupted spiritual worldview that permeated their pre-flood societies.

### How are fallen angels influencing the nations today?

Satan is referred to as the "*god of this world*" in 2 Cor 4:4; Ephesians 6:12 refers to fallen angels as "*powers and principalities*"; Daniel 10:13 refers to the "*prince of Persia*" as a spiritual entity delaying the angel Gabriel.

### What parallels to the fallen angels influencing the nations are we seeing today?

Decisions that once aligned with national interest, historical values, or common sense are now driven by unseen pressures moving leaders like pieces on a global chessboard. What the world perceives as political chaos is, in reality, spiritual strategy unfolding behind the scenes.

- **Global alliances** forming in ways that defy logic.
- **Hostility toward Israel** increasing worldwide, fulfilling Zechariah 12.
- **Global institutions** pushing one-world governance models.
- **Technocratic elites** shaping world policy outside democratic oversight.
- **Nations abandoning biblical morality** with shocking speed.

These geopolitical shifts aren't random—they are the birth pangs of a coming global order that Scripture warned would rise in the final days.

## 5. Violence and Lawlessness

### How did the fallen angels inspire violence and lawlessness before the flood?

Genesis 6:11 — *The earth also was corrupt before God, and the earth was filled with violence.*

This wasn't random crime—it was the fruit of demonic influence permeating culture. The corruption led to a culture of death, brutality, and chaos.

### How are fallen angels inspiring violence and lawlessness today?

Violence has once again become global, normalized, and celebrated. What was once shocking is now expected, and what was once unthinkable is now livestreamed to millions without hesitation. The world is witnessing not just human anger, but a spiritual fury being unleashed across societies that have rejected truth and hardened their hearts.

- **Mass shootings**, riots, and civil unrest.
- **Murder and brutality** glorified through entertainment.
- **Demonic rage** visible in public outbursts and unpredictable violence.
- **Antisemitic hatred** growing at an unprecedented rate.
- **Lawlessness expanding**, fulfilling Jesus' warning in Matthew 24:12.

### Why are violence and lawlessness inevitable for a society disconnected from God?

Because the same entities that influenced violence before the Flood still influence humanity today.

- As restraint crumbles and wickedness intensifies, the world is being quietly conditioned for the chaos and brutality that will define the Tribulation period.

## 6. Sexual Corruption

### How were the fallen angels involved in sexual corruption before the flood?

Genesis 6:2 – *the sons of God saw the daughters of men, that they were beautiful; and they took wives for themselves of all whom they chose*

They perverted the God's order for intimacy in a marriage being between one man and one woman.

- The Genesis 6 rebellion was fundamentally sexual.
- Fallen angels corrupted the most sacred human relationship—marriage—to achieve spiritual destruction.

### Why does Satan target sexuality?

Because it is tied to:

- Family
- Identity
- Covenant
- Reproduction
- Future generations

### **How are fallen angels involved in sexual corruption today?**

We are witnessing the most aggressive sexual corruption in history. What used to hide in the shadows is now celebrated openly, defended legally, and marketed directly to children. Sexuality has become not only a moral battleground but a spiritual weapon aimed at dismantling God's design from the inside out.

- **Pornography addictions** destroying minds and marriages.
- **Radical sexual ideologies** taught to children in schools.
- **Transgender ideology**, which attacks God's design at the biological level.
- **Normalization of pedophilia** under rebranded names like "MAPs."
- **Occult and sexuality** intertwined once again, just as in ancient pagan cultures.

### **Is the sexual corruption we are seeing today new?**

Nothing Satan does today is new—it is simply an intensified digital upgrade of ancient rebellion.

- As society descends further into confusion and moral inversion, we are watching in real time the same corruption that once provoked God's judgment before the Flood.

## **7. A Massive Global Deception Campaign**

### **How were the fallen angels involved in massive global deception before the flood?**

Matthew 24:39 – [they] *did not know until the flood came and took them all away*

The antediluvians were blinded by the fallen angels and thus rejected Noah's message.

2 Cor 4:3-4 – *if our gospel is veiled, it is veiled to those who are perishing, whose minds the god of this age has blinded*

Humanity was deceived—utterly. They embraced a worldview crafted by the fallen realm and dismissed God's warnings as foolishness.

### **How are the fallen angels involved in a massive global deception campaign today?**

The world is being conditioned for deception on a global scale. Every major cultural, technological, and spiritual shift seems to be steering humanity toward a single, unified lie—one powerful enough to reshape belief systems overnight. What once required temples and idols can now be delivered through digital illusions, global narratives, and supernatural counterfeits that feel "scientific" or "progressive."

- **Alien disclosure**, preparing a narrative for the Rapture.
- AI generating scripture-like texts, giving spiritual answers without truth.
- **Deepfake miracles** and holographic "signs" that could deceive millions.
- **The interfaith movement**, building a one-world religion.
- **New Age doctrines** merging with Christianity through progressive theology.
- **NAR false signs and wonders**, counterfeiting true spiritual power.

Revelation 13 warns that signs and wonders will deceive the nations. We are watching those categories take shape in real time. What felt impossible even two decades ago is now not only plausible—it is being actively constructed before our eyes.

### **What does it tell us that we are seeing the very same strategies fallen angels employed before the flood?**

These are not cultural coincidences. They are prophetic markers. And as the world races toward the culmination of all things, these ancient strategies will only intensify—reminding us that our hope is not in earthly solutions, but in the imminent return of the One who will bring all darkness to an end.

### **What applications do we see from this discussion?**

The antediluvian strategies of the fallen angels are active in the world today heralding the end of the Age
