How is transgenderism the gateway to transhumanism?

Transgender technology is very similar to transhuman technology, with the difference being that becoming transgender changes only the sexual characteristic of an individual while transhuman technology changes the genetic characteristic of a person.

COVID Vaccines Integrate Into Human DNA

The much-ridiculed "antivax trope" proved to be true: a study of humans suffering from Long Covid analyzed their cellular DNA. The authors unexpectedly found genes uniquely specific to the Pfizer COVID vaccine in human blood cells. This finding proves that mRNA COVID vaccines permanently integrate into the DNA of some COVID-vaccinated people.

Biden signs executive order designed to unleash transhumanist hell on America and the world

If anyone needed proof that the powers pushing the levers behind the mindless moron who sits in the Oval Office are fully on board with the World Economic Forum/United Nations agenda of biomedical tyranny and transhumanism, look no further than the executive order that Joe Biden signed on Monday, September 12.

What is transhumanism?

The belief or theory that the human race can evolve beyond its current physical and mental limitations, especially by means of science and technology.

- Fundamentally, it is a form of Utopianism, the belief that human beings can change themselves and create a heaven on earth.

Is the idea of improving the human condition biblical?

Yes, it's one of the purposes of a Christian lifestyle...

John 10:10 – *I have come that they may have life, and that they may have it more abundantly.*

But transhumanism contradicts the Bible when it assumes that humanity is sovereign and capable of self-directed change without the need for God.

Why do people think the human race can evolve beyond its current physical and mental limitations?

If you have bought into the evolution religion, you think it is possible to speed-up the evolutionary process by manually changing the human DNA. This has been done with plants (GMOs) so why not humans?

Isn't it unethical to alter human DNA?

Of course, this has been considered unethical, but everyone knows China has been doing it, so Biden's September, 2022 executive order gives the green light to researchers to do it here (it looks like our "ethics" just needs to be updated for the times, a symptom of postmodernism - truth is relative and there are no absolutes).

Why do the technocratic elite want to alter human DNA?

The reasons are no-doubt manifold including:

- to fix genetic diseases,
- to force the next leap in evolution,
- to enhance human abilities, to enable humans to more easily interface to machines (especially AI),
- to make the masses more compliant and thus easier to control (though this last objective will not be shared with the masses).

How do we know that the globalist visionaries want to alter human DNA on a large scale?

The mRNA "vaccines" (actually gene therapy) is a step in the direction of hacking the human genome, but RNA is the result of DNA coding to produce amino acids that are the building blocks of the proteins the body needs. For full control of humans, the technocratic elite really want to modify human DNA as Biden's executive order makes clear:

"We need to develop genetic engineering technologies and techniques to be able to write circuitry for cells and predictably program biology in the same way in which we write software and program computers...including through computing tools and artificial intelligence..."

Is it even possible for an injection to change human DNA?

The technocratic elite do not know how to reliably change the human DNA today, but the fallen angels do... they've done it before trying to corrupt human DNA so that the Messiah (seed of the woman) could not be born.

- This resulted in the Nephilim (Genesis 6:4) and was one of the reasons God re-created the world with a flood.
- Noah and his family were spared to re-boot humanity because they were "*perfect in their generations*" (Genesis 6:9).

How is the effort to change human DNA a significant prophetic development?

When Jesus described the signs of His coming, He said it would be "*as the days of Noah*" so most prophecy watchers are looking for an end-times effort to change human DNA.

- It is just a matter of time before fallen angels reveal to the ungodly technocrats how they may reliably alter human DNA.

How do demons impart forbidden knowledge?

They can put thoughts in your head...

John 13:2 – *And supper being ended, the devil having already put it into the heart of Judas Iscariot, Simon's son, to betray Him*

Putting thoughts in your heart is the same as putting thoughts in your head.

1 Chronicles 21:1 – *Now Satan stood up against Israel, and moved David to number Israel.*

Satan put the thought in David's mind to take a census of Israel. He made the thought look like military wisdom when it was, in fact, distrust in God. So, these implanted thoughts are easily confused with our own brilliant ideas...

Acts 5:3 – *Peter said, "Ananias, why has Satan filled your heart to lie to the Holy Spirit and keep back part of the price of the land for yourself?"*

It is interesting to note that these thoughts can be implanted in the minds of believers as well.

How do we know if our thoughts are demonic or of God?

1 John 4:1-3 – *Beloved, do not believe every spirit, but test the spirits, whether they are of God; because many false prophets have gone out into the world. ² By this you know the Spirit of God: Every spirit that confesses that Jesus Christ has come in the flesh is of God, ³ and every spirit that does not confess that Jesus Christ has come in the flesh is not of God. And this is the spirit of the Antichrist, which you have heard was coming, and is now already in the world.*

The Holy Spirit will not contradict Himself and will be consistent with the Word of God... the Bible authenticates what is of God and what is not.

- Altering human DNA is not condoned by Scripture because it is an attack on the image of God.
- Also, history shows that altering human DNA is a sure way to bring on the wrath of God.

How did the world's response to COVID serve to condition people to the Mark of the Beast?

The world's response to COVID was amazingly identical as if some globalist power behind the scenes was directing things. The only sanctioned solution was the mRNA vaccines, no other treatment was allowed to be considered, even natural immunity. And the mandates to take the vaccine or lose your job revealed that people were being conditioned to be more open to the Mark of the Beast when it arrives on the scene.

- No one may buy or sell unless you swear allegiance to the governmental authority by accepting something injected into your body.
- Taking the "vaccine" was seen as a test of loyalty to the ruling authorities (as the mark of the Beast will also be).

Can a person who takes the Mark of the Beast be Saved? (see also Revelation 13:16-18)

Revelation 14:9-10 – Then a third angel followed them, saying with a loud voice, “If anyone worships the beast and his image, and receives his mark on his forehead or on his hand, he himself shall also drink of the wine of the wrath of God, which is poured out full strength into the cup of His indignation. He shall be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb.

The fact that taking the Mark of the Beast condemns the recipient to the lake of fire seems to be contrary to the mercy of God. So, how is it that the Mark of the Beast is irreversible, that it is an action that cannot be repented of?

- If becoming transhuman is connected with taking the Mark of the Beast, this could explain why it is irreversible. Jesus took on a human body to pay the sin penalty for humans. If someone is a transhuman by taking the Mark of the Beast, there is no way the human blood of Christ could pay their sin debt.

Why does the church today not need to worry about the Mark of the Beast?

The Mark of the Beast only happens during the Tribulation, the 70th Week of Daniel. The Church Age ends prior to the Tribulation...

Revelation 3:10 – Because you have kept My command to persevere, I also will keep you from the hour of trial which shall come upon the whole world, to test those who dwell on the earth.

So, what is the significance of seeing the stage setting for the Mark of the Beast?

It gives us a sense for how close we are to the end of the Church Age...

Luke 21:28 – Now when these things begin to happen, look up and lift up your heads, because your redemption draws near.

What should we be doing upon realizing that we are really close to the rapture of the church?

Get on with doing what God has called us to do...

John 9:4 – I must work the works of Him who sent Me while it is day; the night is coming when no one can work
