1 – Truth Wins – The more archeological discoveries progress, the more the Bible is proven to be true.

Luke 8:17 – *For nothing is secret that will not be revealed, nor anything hidden that will not be known and come to light.*

Biblical sin city Sodom destroyed by asteroid

Bergsma asserts that archaeological findings in Jordan corroborate the existence of the biblical city of Sodom. Prior research had already indicated that the ancient city of Tell el-Hammam, located in the southern Jordan Valley, suffered a catastrophic fate—a revelation that Dr. John Bergsma, a theology professor at Ohio's Franciscan University, believes aligns with the biblical account.

2 – Spiritual restoration of Israel – Israel as a nation will recognize Jesus as Messiah during the Tribulation. But there has always been a remnant of Jews who followed Jesus. The pace of Jews becoming Christians is increasing today foreshadowing this national awakening.

Ezekiel 36:26 – *I will give you a new heart and put a new spirit within you; I will take the heart of stone out of your flesh and give you a heart of flesh.*

This Yom Kippur, 1 million Jews believe atonement comes only from Messiah Jesus

As upwards of 17 million Jews worldwide mark Yom Kippur – there are now approximately one million people Jewish people around the world who are followers of Jesus of Nazareth. Specifically, there are about 871,000 people of Jewish descent that are followers of Jesus in the United States alone. Some 30,000 “Messianic Jews” live in Israel. Another 100,000 Jewish believers in Yeshua Hamashiach live in Europe, South America, and elsewhere.

3 – Great Delusion – There will be a plausible explanation for the rapture of the church.

2 Thessalonians 2:11 – (in the context of the coming of our Lord Jesus Christ) – *God will send them strong delusion, that they should believe the lie*

There is nothing to see here... just an application of the advanced technology of benevolent aliens who are here to help mankind.

Is the US government preparing to announce aliens? This is the Senate's proposed UFO 'controlled disclosure plan' and how it would work

How do we know we are close to the end of the Age?

Israel is back in their land, the convergence of signs in technology, geopolitics, society, and the church. But there is also this...

Exodus 20:11 – *For in six days the Lord made the heavens and the earth, the sea, and all that is in them, and rested the seventh day.*

The six days of work followed by the sabbath day of rest is a pattern that represents all of human history. Given:

Psalm 90:4 – *For a thousand years in Your sight are like yesterday when it is past, and like a watch in the night.*

This is also a New Testament concept...

2 Peter 3:8 – *do not forget this one thing, that with the Lord one day is as a thousand years, and a thousand years as one day*

On the Hebrew Calendar, 2023 = 5784, which is supposed to be the years since creation but scholars have acknowledged that there were errors in calculating this. But not so many errors that it would be off by an order of magnitude.

- So, 7,000 years of human history; 6,000 years followed by a Millenium of rest.
- The genealogies of the Bible reveal there were about 2,000 years from Adam to Abraham, another 2,000 years from Abraham to Jesus.
- Scholars mostly agree Jesus went to the cross ~33 AD using our current solar calendar.
- ~33 AD + 2,000yrs = ~2033 – 7yr Tribulation = ~2026

Another indication we are in the era of the Lord's return:
Hosea 6:1-2 – *Come, and let us return to the Lord; For He has torn, but He will heal us; He has stricken, but He will bind us up. After two days He will revive us; On the third day He will raise us up, that we may live in His sight.*

Scholars say Hosea wrote this in about 725 BC. So, then adding 2,000 years is 1276 AD. Thus the "third day" is ~1277 to ~2277 AD. We are well into the period when Israel will be raised up!

4 – Magog War Alignment – Saudi Arabia (Sheba & Dedan) will be aligned with Israel for the Magog War and will protest the threatening moves by the Magog Coalition (Russia, Turkey, Iran, others)...

Ezekiel 38:13 – *Sheba, Dedan, the merchants of Tarshish, and all their young lions will say to you, 'Have you come to take plunder? Have you gathered your army to take booty, to carry away silver and gold, to take away livestock and goods, to take great plunder?'*

Seeing this alignment taking place today shows that we are very close to this war.

Israel and Saudi have already normalized

Israel and Saudi have already normalized. But that signing ceremony matters less when ties are already deep and maturing.

5 – Iron mixed with Clay – The final world empire will be comprised of a mixture of Western Secularists and Islamists... the "Revived Roman Empire" and the "Revived Ottoman Empire"

Daniel 2:42-43 – *And as the toes of the feet were partly of iron and partly of clay, so the kingdom shall be partly strong and partly fragile. As you saw iron mixed with ceramic clay, they will mingle with the seed of men; but they will not adhere to one another, just as iron does not mix with clay.*

There has been many explanations for the "clay" in Nebuchadnezzar's dream (democracy, demons masquerading as aliens, Nephilim), but such explanations are category errors. All the materials in the statue represent Gentile empires ruling over the land of Israel.

- Islamic enclaves in Western nations as well as Western enclaves in Islamic nations do not assimilate, *will not adhere to one another.*

African Invasion of Europe Has Only Just Begun

Rieu suggested the possibility of criminal mafias coordinating the illegal invasion or even the involvement of foreign powers with the aim of destabilizing Europe.

6 – Yielding Sovereignty – In order for a global government to happen, nations must yield their sovereignty. This is an end-time trend that will culminate in the Antichrist coming to power...

Revelation 17:12-13 – *The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. These are of one mind, and they will give their power and authority to the beast.*

COVID-19 response was a trial run to see how the nations would respond to a global crisis. For the most part, most nations "passed" that test following in lock-step with the guidance of the global technocrats.

Leaders At The UN Make A 7 Year Agreement To Implement A Single Global Agenda

So what kind of a "global shock" would trigger these emergency powers? Well, a UN policy paper that was published some time ago explained that a future pandemic, a "major event in outer space" or even "unforeseen risks" would all qualify.

G20 Leaders Plot CBDCs and Digital IDs Worldwide

In a monumental step toward a digitized future, the convocation of the 20 largest world economies, famously known as the G20, have concluded upon a commitment to herald the advent of digital currencies and digital IDs across their territories.

7 – Inflation – The current inflationary trend foreshadows the economic condition of the Tribulation...

Revelation 6:5-6 – *When He opened the third seal, I heard the third living creature say, "Come and see." So I looked, and behold, a black horse, and he who sat on it had a pair of scales in his hand. And I heard a voice in the midst of the four living creatures saying, "A quart of wheat for denarius, and three quarts of barley for a denarius; and do not harm the oil and the wine."*

A denarius represents a day's wages which will basically purchase a day's worth of food... so people will be living paycheck-to-paycheck (a high percentage already are).

- There needs to be a worldwide economic crisis in order to implement a new worldwide economic system.
- WEF globalist economic vision: "You will own nothing and be happy."

Governments Start Calling For Price Controls, Rationing & CBDCs Come Next

The public is still paying between 25%-50% more on the majority of goods they purchase compared to three years ago. Banking oligarchs and political authorities revel in the inflationary tidal wave because it is a perfect opportunity to institute far reaching socialist controls over resources.

The problem is simple, price controls lead to lost profit incentive which leads to less production. Less production leads to less supply and less supply leads to rising prices. This is on top of the root cancer that is fiat money creation. Politicians will rarely if ever address the actual cause of an inflationary crisis: The government and the central banks. Instead, they try to blame free markets, "greedy" businesses and profit taking in times of distress.

Almost Half Of All Young Adults In The United States Are Living With Their Parents

When are we going to wake up and admit that our system is failing? If close to half of our young adults find themselves needing to live with their parents, we have a major crisis on our hands.

8 – Image of the Beast – Satan is not omniscient or omnipresent so he will have to use technology to mimic these characteristics of God.

Revelation 13:11-15 – *I saw another beast coming up out of the earth... he deceives those who dwell on the earth ...telling those who dwell on the earth to make an image to the beast ...he was granted power to give breath to the image of the beast, that the image of the beast should both speak and cause as many as would not worship the image of the beast to be killed.*

Using AI to predict future criminals

The New York City Police Department has spent millions buying products from a tech company that claims it can use social media to track and even predict crimes, a new report reveals.

In five years AI could be so advanced it would mean the "end of human-dominated history"

Mustafa Suleyman, co-founder of Google DeepMind, and Yuval Noah Harari discussed how advanced AI will be in five years. After hearing Suleyman's predictions, Harari said: "This is the end of human history. Not the end of history – the end of human-dominated history." In other words, humans will no longer be the dominant life force on Earth as we have been since time began.

9 – Genocide – There will be a lot of death during the Tribulation... a quarter of Earth' population (Rev 6:8), another third (Rev 9:18).

Isaiah 13:12 – *I will make a mortal more rare than fine gold*

The Bible says the nations will be deceived by pharmakeia (sorceries) during the Tribulation (Revelation 18:23) and that these drugs are associated with plagues and murder:

Revelation 9:20-21 – *But the rest of mankind, who were not killed by these plagues, did not repent of... their murders or their sorceries or their sexual immorality or their thefts.*

Revelation 9:18 identifies three plagues responsible for a third of the population of the planet being killed: Fire, Smoke, Brimstone. It occurred to me that these three plagues may represent the three forms of Weapons of Mass Destruction humans have developed: Nuclear, Biological, and Chemical. Fire represents Nuclear; Smoke is Chemical (certainly the case for Field Artillery munitions); and Brimstone is Biological (sulfurous rotten-egg smelling well water is due to a bacterial bloom in the well).

Why does nobody care about the pandemic of mystery deaths?

Obviously, none of us can affirmatively prove that the vaccine is responsible for all of the sudden deaths and sudden reproductive problems in every country. But a budding Sherlock Holmes might want to start his inquiry with a new bioproduct that was introduced right around the time these deaths and other troubling ailments began to appear. They don't seem to want to get to the bottom of it — almost as if they are not bothered by the outcomes of higher deaths and fewer births.
