1 – Antisemitism – The new antisemitism in this age is being anti-Israel. All nations even the USA who has long supported Israel will turn against them as a sign we are at the end of the Age...

Zechariah 12:3 – And it shall happen in that day that I will make Jerusalem a very heavy stone for all peoples; all who would heave it away will surely be cut in pieces, though all nations of the earth are gathered against it.

God is not happy with the nations that have sought to divide up the land of Israel. Hurricane Katrina was a direct result of the US pressuring Israel to give up Gaza to the PLO. And He will not be happy with us pressuring Israel to give up any part of Judah and Samaria (aka “West Bank”).

Joel 3:2 – I will also gather all nations, and bring them down to the Valley of Jehoshaphat; And I will enter into judgment with them there on account of My people, My heritage Israel, whom they have scattered among the nations; They have also divided up My land.

‘By Any Means Necessary’: Anti-Zionist College Students Cheer Hamas Massacre of Israelis

Dozens of US college student groups declared solidarity with Hamas on Sunday, cheering the Palestinian terrorist group one day after it invaded Israel. Several chapters of Students for Justice in Palestine (SJP) at places such as Brown University, the University of Maryland, Tufts University, and the University of California-Los Angeles have described the attacks as a form of “resistance”

2 – Iron mixed with Clay – The final world empire will be comprised of a mixture of Western Secularists and Islamists... the “Revived Roman Empire” and the “Revived Ottoman Empire”

Daniel 2:42-43 – And as the toes of the feet were partly of iron and partly of clay, so the kingdom shall be partly strong and partly fragile. As you saw iron mixed with ceramic clay, they will mingle with the seed of men; but they will not adhere to one another, just as iron does not mix with clay.

There has been many explanations for the “clay” in Nebuchadnezzar’s dream (democracy, demons masquerading as aliens, Nephilim, trans-humans), but such explanations are category errors.

- The “they” might indeed be non-human entities but the “clay” clearly has to be a reference to the Islamic Ottoman Empire and its revived elements.

All the materials in the statue represent Gentile empires ruling over the land of Israel.

- Islamic enclaves in Western nations as well as Western enclaves in Islamic nations do not assimilate, *will not adhere to one another.*

Italy’s Great Replacement: Over 10,000 Military-Age African Men Invade the Shores of Lampedusa

European Union elites are once again utilizing mass migration to replace European populations, resulting in shocking demographic impacts that profoundly affect European countries’ national and cultural identities. Migrants are being used by the left-wing elites to dilute host cultures, ensure more votes, and seize power.

African Invasion of Europe Has Only Just Begun

3 – End Times Religion – It sure looks like Islam will be a strong influence in the religion of the Antichrist since beheading is their favorite method of execution:

Revelation 20:4 – *Then I saw the souls of those who had been beheaded for their witness to Jesus and for the word of God, who had not worshiped the beast or his image, and had not received his mark on their foreheads or on their hands. And they lived and reigned with Christ for a thousand years.*

Babies Reportedly Slaughtered by Hamas Terrorists in Kibbutz

Scenes of indescribable horror in which infants and babies were slaughtered — with some beheaded — in the kibbutz of Kfar Aza in southern Israel by Hamas terrorists were reported by international media on Tuesday morning.

4 – Genocide – You know something nefarious is going on when the technocrats are working on ways to deliver “vaccines” without the informed consent demanded by the Nuremberg Code. This puts these mad scientists in league with NAZIs. And if the “plandemic” does not kill enough people, there is the tried and true wars and rumors of war.

John 8:44 – *You are of your father the devil, and the desires of your father you want to do. He was a murderer from the beginning, and does not stand in the truth, because there is no truth in him*

There will be a lot of death during the Tribulation... a quarter of Earth' population (Rev 6:8), another third (Rev 9:18).

Isaiah 13:12 – *I will make a mortal more rare than fine gold*

The Bible says the nations will be deceived by pharmakeia (sorceries) during the Tribulation (Revelation 18:23) and that these drugs are associated with plagues and murder:

Revelation 9:20-21 – *But the rest of mankind, who were not killed by these plagues, did not repent of... their murders or their sorceries or their sexual immorality or their thefts.*

Revelation 9:18 identifies three plagues responsible for a third of the population of the planet being killed: Fire, Smoke, Brimstone. It occurred to me that these three plagues may represent the three forms of Weapons of Mass Destruction humans have developed: Nuclear, Biological, and Chemical. Fire represents Nuclear; Smoke is Chemical (certainly the case for Field Artillery munitions); and

Brimstone is Biological (sulfurous rotten-egg smelling well water is due to a bacterial bloom in the well).

Revelation 9 describes the three plagues as coming from the mouths of 200M horsemen from the bottomless pit. The horsemen are obviously demons so are the plagues supernatural? Not necessarily, God usually uses natural means so that people are free to dismiss His actions if they lack spiritual discernment. WMDs were likely demon-inspired...

Romans 1:28-30 – *as they did not like to retain God in their knowledge, God gave them over to a debased mind, to do those things which are not fitting; ...inventors of evil things*

Global Elites planning strategy to roll out World War III, which will likely be fully manifest by 2024

They are using Ukraine as a flashpoint to drive a wedge between the US and Russia. They need to destroy what's left of American and Russian independence. America is an impediment to the New World Order because of its strong middle class, a mostly liberty-loving bunch whose life and work habits don't fit in the Great Reset (they like to drive cars, fly on planes and live in homes considered much too lavish for the green economy).

5 – Election Manipulation – Democracy is an illusion in modern times. Elites manipulate the public through fake news media which used to be called propaganda. God is removing His restraint of this evil revealing to the spiritually discerning the late stage of this Age.

Revelation 13:4 – *So they worshiped the dragon who gave authority to the beast; and they worshiped the beast, saying, “Who is like the beast? Who is able to make war with him?”*

The trend is for the elite to govern against the will of the people. This is the spirit of Antichrist:

Daniel 11:21 – *he shall come in peaceably, and seize the kingdom by intrigue*

6 – Bowl Judgments – Even scientific discoveries warn us of the coming Tribulation...

Revelation 16:8-9 – *Then the fourth angel poured out his bowl on the sun, and power was given to him to scorch men with fire. And men were scorched with great heat, and they blasphemed the name of God who has power over these plagues; and they did not repent and give Him glory.*

Tree rings predict radiation storm to hit us soon

While explaining the possible impact of a Miyake Event on human life, Dr. Benjamin Pope said, “The leading theory is that they are huge solar flares ...it would destroy technology including satellites, internet cables, long-distance power lines, and transformers. The effect on global infrastructure would be unimaginable.”

...Based on their findings, ...a Miyake Event might take place within the next decade.

7 – End Times Economy – Are the policies of the global elite helping or hurting our economy? We've been giving them the benefit of the doubt thinking they will surely learn from their failures but they have been hiding behind incompetence for way too long. It is intentional; they want to bring down the economy so that they can implement their centralization and control agendas.

Revelation 13:16-17 – *He causes all, both small and great, rich and poor, free and slave, to receive a mark on their right hand or on their foreheads, and that no one may buy or sell except one who has the mark or the name of the beast, or the number of his name.*

The Economic Future Is Sad, Simple, & Already Obvious

Unfortunately, history confirms that nations spiraling into a debt whirlpool always end with a currency crisis followed by a social crisis followed by increased centralization and less personal and financial freedoms.

8 – Spirit of the False Prophet – Will the Catholic pope still be around after the rapture of the church? Given the globalist politics of the current pope, that is highly likely...

Revelation 13:11-12 – *Then I saw another beast coming up out of the earth, and he had two horns like a lamb and spoke like a dragon. And he exercises all the authority of the first beast in his presence, and causes the earth and those who dwell in it to worship the first beast*

The “*first beast*” comes out of the sea which symbolizes the Gentile nations in Revelation; so, the Antichrist will likely be a Gentile. The “*other beast*” comes out of the earth which symbolically represents Israel; so, the false prophet will likely be a Jew. JB Hixson thinks WEF darling Yuval Noah Harari checks all the boxes for that role.

Archbishop Viganò: Catholics must seriously consider the possibility that Francis isn't the pope

We must ‘take seriously, very seriously, the possibility that Bergoglio intended to obtain the election by means of fraud... Pope Francis hid his intentions from electors with the end goal of using the authority of the papacy to undermine the Church and to make it the “handmaid” of the New World Order.
