**BIG BEND  
BIBLE  
FELLOWSHIP**

**1 – Wars & Rumors of Wars** – Evidence that this war will not just be limited to a regional conflict as Israel’s wars have been in the past...

*Zechariah 12:3 – it shall happen in that day that I will make Jerusalem a very heavy stone for all peoples; all who would heave it away will surely be cut in pieces, though all nations of the earth are gathered against it.*

**Since this is shaping up to be a big war with many nations involved... does this mean there is potential for Israel to be booted from the land once more?**

No, Israel is back in the land to stay...

*Amos 9:14-15 – I will bring back the captives of My people Israel; They shall build the waste cities and inhabit them; They shall plant vineyards and drink wine from them; They shall also make gardens and eat fruit from them. I will plant them in their land, and no longer shall they be pulled up from the land I have given them,” Says the Lord your God.*

**Iran Raises Black Flag Over One Of The World's Largest Mosques In Ominous Sign**

In Iran, a black flag has been ominously raised above the Imam Reza Mosque. In the contemporary Islamist movement, the black flag is used to evoke notions of jihad and of reestablishing the Islamic Caliphate. It can also be used as a symbol in Islamic eschatology heralding the advent of the Islamic Mahdi, where armies of Muslims will carry the black banner forward as they march forward to establish the Mahdi's caliphate.

**Israel-Palestine war: Israel will flood Hamas tunnels with nerve gas under US navy supervision**

Palestinian resistance groups expect Israel to flood Hamas tunnels with nerve gas and chemical weapons under the surveillance of US Delta Force commandos as part of a surprise attack on the Gaza Strip, a senior Arab source familiar with the groups told Middle East Eye.

<https://www.middleeasteye.net/news/israel-palestine-war-exclusive-israel-will-flood-hamas-tunnels-nerve-gas-under-delta-force-supervision>

Since chemical weapons will be used in Gaza, does this give a green light for them to be used by Hezbollah? There will however be no moral equivalent... debilitating versus deadly and used against combatants versus civilians. But watch the antisemitic media give it moral equivalence.

**2 – Dividing the Land** – God is not happy with efforts to divide the land of Israel (aka trading land for peace). It does not work and Israel knows it. Gaza is proof the 2-state solution would fail. The 2-state solution for peace is actually one more manifestation of antisemitism. It will not bode well for nations advocating Israel giving up their land...

*Joel 3:2 – I will also gather all nations, and bring them down to the Valley of Jehoshaphat; And I will enter into judgment with them there on account of My people, My heritage Israel, whom they have scattered among the nations; They have also divided up My land.*

**Why Egypt and Other Arab Countries are Unwilling to Take in Palestinian Refugees from Gaza**

Their refusal is rooted in fear that Israel wants to force a permanent expulsion of Palestinians into their countries and nullify Palestinian demands for statehood.

**Biden calls for ‘concentrated effort’ toward future two-state solution for Israel, Palestinians**

President Biden Wednesday called for a “concentrated effort” on the part of world leaders to work toward a two-state solution to the Israeli and Palestinian conflict, as Israel’s war with Hamas looks to reshape the region and leaves open questions to the future for Palestinians in the Gaza Strip.

**3 – Conspiracy of Evil** – The ungodly agree on most things despite their divergent cultures. Globalists, Leftists, and Islamic Jihadists share much of the same objectives when they seek to foment chaos and violence.

### 'The left has really let us down.' Why many American Jews feel abandoned

He was shocked by how quickly friends mobilized for the Palestinian cause while failing to condemn the attack. Good people he never considered antisemitic suddenly seemed "supportive of Jewish genocide," he said.

### Why Do Leftists Love Hamas So Much?

What they don't want you to understand is that organizations like Hamas are, in their view, agents of change, catalysts in the struggle of the proletariat in a Marxist materialistic dialectic. Statism, Utopianism, and Marxism are all kissing cousins, and that's why you often find them making common cause across the geopolitical spectrum. China, Russia, North Korea, Cuba, Iran, and other countries that make up the modern axis of evil share a commonality as ancient as Babylon—they hate the idea of the individual, created in the image of God, imbued with inalienable rights that supersede the interests of the state.

It's no coincidence that Israel is the Middle East's only democracy. An oasis in a sea of totalitarian Muhammadists. Israel is the repository of the Biblical principles that make the civil society possible, the fundamental social precondition for democratic republics. Israel is the political embodiment of the Biblical truth that where the Spirit of the Lord is, there is liberty.

<https://www.frontpagemag.com/why-do-leftists-love-hamas-so-much/>

You'd think western culture would be on the side of Israel because of them being the only democracy in the Mideast, but their antisemitism is too strong. By the way, End-times Israel being a democracy is a fulfillment of prophecy:

*Zechariah 12:5 – the governors of Judah shall say in their heart, 'The inhabitants of Jerusalem are my strength in the Lord of hosts, their God.'*

### The False Teaching Breeding Anti-Israel Sentiment In Countless Churches

Churches in denominations that have long embraced the various forms of amillennialism are now rallying in support of the Palestinian cause while seeming to ignore Hamas' barbarism. They overlook the fact that those now attacking Israel don't want peace, but rather the annihilation of God's special chosen people.

**4 – Gog-Magog Alignment** – The stage is being set for the Gog-Magog War...

*Ezekiel 38:13 – Sheba, Dedan, the merchants of Tarshish, and all their young lions will say to you, 'Have you come to take plunder? Have you gathered your army to take booty, to carry away silver and gold, to take away livestock and goods, to take great plunder?'*

Sheba & Dedan are ancient references to what is now Saudi Arabia.

### Saudi crown prince indicates Israel normalization can resume after war

**5 – Tyranny** – In order to control people, the power must be consolidated in the government. There can be no power in the hands of the people.

*Daniel 7:23 – The fourth beast shall be a fourth kingdom on earth, which shall be different from all other kingdoms, and shall devour the whole earth, trample it and break it in pieces.*

That is why the anti-God ideologies hate the 2<sup>nd</sup> Amendment. God is for self-defense, so Satan is opposed to it...

*Luke 22:36 – he who has no sword, let him sell his garment and buy one*

Having a weapon is not just for self-defense, it is to protect loved ones which will become increasingly important as lawlessness becomes more pervasive...

*1 Timothy 5:8 – if anyone does not provide for his own, and especially for those of his household, he has denied the faith and is worse than an unbeliever.*

## **State Democrats Pass Sweeping Gun Control Bill in Reaction to Recent Pro-2A Supreme Court Decision**

In the latest constitutional breach, the blue state of Massachusetts approved a sweeping gun control bill that critics say would impose widespread bans on commonly owned firearms. Wallace slammed the legislation as an overreaction to last year's Supreme Court decision that expanded the right of individuals to carry guns in public for self-defense.

**6 – Centralized Economic Control** – An economic crisis is coming that will usher in digital currencies that make possible centralized control which will be the infrastructure for the mark of the beast...

*Revelation 13:16-17 – He causes all, both small and great, rich and poor, free and slave, to receive a mark on their right hand or on their foreheads, and that no one may buy or sell except one who has the mark or the name of the beast, or the number of his name.*

Centralized digital currencies do not require as many people as is required for physical money. The banks know this and are preparing.

## **U.S. Banks Are Closing Down Hundreds Of Branches And Laying Off Thousands Of Workers**

...High interest rates and chaos in the real estate industry are combining to put an enormous amount of pressure on our largest financial institutions. As a result, banks are getting very tight with their money, they are closing down hundreds of branches, and they are laying off thousands of workers. We are in the early stages of the worst financial crisis since 2008 and 2009, and I fully expect conditions to get even worse in the months ahead.

**7 – Inflation** – What happens when food and energy prices go up while paychecks don't keep up? More people will be living paycheck-to-paycheck. What will contribute to people living paycheck-to-paycheck? Not having enough jobs... if there is less demand for human labor, the jobs

that do exist will pay less. It is a simple matter of supply and demand.

*Revelation 6:5-6 – behold, a black horse, and he who sat on it had a pair of scales in his hand. And I heard a voice in the midst of the four living creatures saying, "A quart of wheat for a denarius, and three quarts of barley for a denarius; and do not harm the oil and the wine."*

## **Nvidia to make Arm-based PC chips in major new challenge to Intel**

Nvidia dominates the market for artificial intelligence computing chips. Now it is coming after Intel's longtime stronghold of personal computers. Microsoft has been encouraging the involved chipmakers to build advanced AI features into the CPUs they are designing. To make that a reality, forthcoming chips from Nvidia, AMD, Intel, Qualcomm and other ARM-based processor suppliers will need to devote the on-chip resources to do so.

## **Agenda 2030's goal is "no farmers, no food" – if we can't own property, we become the property**

A war against farmers has emerged, threatening to push them off the land they've farmed for generations. Those in control of the land control the food supply and, along with it, the people. Much of this threat is cloaked under Agenda 2030, which they are attempting to impose across the globe, in every country, by 2030 We are in a situation in which there is no other better term than to call it a crisis.

## **The Net Zero Ship Starting To Sink**

Are we observing the early stages of worldwide resistance against the constraints of net zero policies? Investors are ditching renewable energy faster than any other funds on record. Australian Nationals Senator Matt Canavan said net zero has "absolutely carked it." His position is that net zero is a "soundbite" and "totally insane." It is unachievable because people will starve if it is enforced. "Almost everything we grow, we make, we do in our society relies on the use of fossil fuels," he said.

### **Expanded War Spirals Global Financial Crisis**

In all my years of writing, I have never seen poverty increase in the U.S. as fast as it is rising right now. Once the flow of Middle Eastern oil stops due to the war, the price of oil is going to go completely nuts.

**8 – Temple** – There will be a third temple in Jerusalem. The Jews want this despite being a secular society because it is an important aspect of their cultural heritage.

Matthew 24:15-16 – *Therefore when you see the 'abomination of desolation,' spoken of by Daniel the prophet, standing in the holy place" (whoever reads, let him understand), "then let those who are in Judea flee to the mountains.*

### **Leading Italian Parliamentarian: Rome Wants to Return Temple Vessels to Israel**

According to Rabbi Eliyahu, the representative of Italy's ruling party, a leading member of the national parliament, recently requested a Zoom meeting with Israel's Minister of Tradition. In the request for the meeting, he said it was very important to him – absolutely vital. When they eventually connected, this is what he told Israel's Minister of Tradition. "We have in Rome the implements of the Jewish Temple. The Golden Menorah and many other Temple vessels and tools that we took from Jerusalem 2000 years ago. With these vessels you brought light into the whole world. They are with us. By keeping them perhaps we're preventing you from fulfilling your destiny. If so, we will return them to you. If you want them – take them. It won't be easy, but if this is what will enable you to fulfill your Divine role, then please, they yours. They are laying in our cellars. We aren't doing anything with them." This admission comes after over a hundred years of denial by the Vatican that it possessed the Temple implements.

**9 – Pharmakeia** – Drugs are shaping up to be a prominent feature of the end of the Age, just as prophesied:

Revelation 18:23 – *For your merchants were the great men of the earth, for by your sorcery all the nations were deceived.*

### **"You Can Now Sue the mRNA COVID Vaccine Manufacturers For Damages," says Steve Kirsch**

A cancer-promoting genetic sequence—SV40 was found in mRNA vaccine vials in April 2023. "The FDA is now at a crossroads. Either they admit that they knew about the plasma contamination and failed to disclose that to the public and to the outside committees, or they can claim that they didn't know about it in which case Pfizer is liable."

### **How 'The Drug Of Jihad' Allowed Terrorists To Commit Heinous Acts With A Sense Of Indifference**

Our English word "sorcery" is the Greek word "pharmakeia". We also see the same term used twice in the Book of Revelation. Firstly, Revelation 9:21: "Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts." Then, in Revelation 18:23: "And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth; for by thy sorceries were all nations deceived."

### **Italy Becomes First Nation To Ban Bill Gates' Fake Meat Due To 'Serious Health Concerns'**

Synthetic meat has been heavily promoted by Bill Gates and the globalist elites at the WEF as the solution to so-called climate change. When peddling his book "How to Avoid a Climate Disaster" in 2021, Gates told the MIT Technology Review that "all rich countries should move to 100% synthetic beef." However, this fake food has now been shown to cause cancer via the immortalized cell lines used to manufacture it. Meanwhile, in the US, Biden has fast-tracked Bill Gates' lab-grown 'synthetic meat' for approval, meaning grocery stores across America can now sell the carcinogenic fake meat to the public.
