1 – Election Manipulation – Democracy is an illusion in modern times. Elites manipulate the public through fake news media which used to be called propaganda. God is removing His restraint of this evil revealing to the spiritually discerning the late stage of this Age.

Revelation 13:4 – *So they worshiped the dragon who gave authority to the beast; and they worshiped the beast, saying, “Who is like the beast? Who is able to make war with him?”*

The trend is for the elite to govern against the will of the people. This is the spirit of Antichrist:

Daniel 11:21 – *he shall come in peaceably, and seize the kingdom by intrigue*

Is Google Rigging The 2024 Election?

“Google is either the most incompetent search engine on the planet, or it is intentional...” Google’s search engine failed to produce even-handed results in multiple searches performed by MRC Free Speech America over the course of a week prior to today’s Republican presidential primary debate.

The numbers don’t lie: RFK Jr. would take votes away from Trump if he ran as an independent

Given the intellectually honest assessment that RFK Jr., as an independent run, could never win the general election, it may annoy some people to accept his decision to run as an independent only carries one motive – to reduce the Trump vote. However, as much as you may not want to accept that reality, the data is clear – and it makes sense.

2 – Chaos – In order to Build Back Better you must first tear down. In order to make an omelet you have to break some eggs. Since the end justifies the means, the godless are doing what they can to tear things down in order to create chaos. They don’t want to let a good crisis go to waste. They are applying the Hegelian Dialectic to force

more centralized control over people. These are the wiles of the devil.

1 Corinthians 14:33 – *God is not the author of confusion but of peace*

“We’re In The Middle Of A Revolution” – Victor Davis Hanson Warns Tucker: “The Next 12 Months Will Be The Most Explosive In History”

"I think they’ve come to the conclusion that Trump is an existential threat and by association, half the country is to their vision of what they want to transform us into, and so they feel that whatever means necessary are justified."

US House votes to oust Speaker Kevin McCarthy

US House Speaker Kevin McCarthy’s grip on power was in question on Tuesday as the House of Representatives, driven by Republican infighting, was holding a historic vote that could remove him from his job.

3 – Spirit of the Antichrist – Historical revisionism is a propaganda tactic to support deceptive narratives. In this case the new “woke” culture.

Daniel 7:25 – *He shall speak pompous words against the Most High, shall persecute the saints of the Most High, and shall intend to change times and law.*

“The future is certain; it is only the past that is unpredictable”. This old Soviet joke points out to the authoritarian regime’s habit of editing and airbrushing history books and controlling the narration over history as the key to political legitimacy.

Justification: “History is Written by Victors” The woke culture warriors are so confident they’ve won that they are insisting on history being re-written to reflect their narrative.

Canadian School Libraries Remove All Books Published Before 2008

I've said over and over that "inclusivity" means anything but including everyone—it means tolerating, promoting, and celebrating one viewpoint and excluding all others. This was demonstrated yet again by a decision made by a school district in Ontario, Canada, which directed school libraries "to remove all books [published] prior to 2008" in the name of "equity" and "inclusion."

UK Police arrest British journalist for posting 'malinformation' about Ukraine, Justin Trudeau under Online Safety Act

Under the new UK censorship law called the Online Safety Act, the government can order the arrest or detention of anyone said to be "hateful" or judged by fact checkers to be posting "misinformation."

4 – Genocide – You know something nefarious is going on when the technocrats are working on ways to deliver "vaccines" without the informed consent demanded by the Nuremberg Code. This puts these mad scientists in league with NAZIs. And if the plandemic does not kill enough people, there is the tried and true wars and rumors of war.

John 8:44 – *You are of your father the devil, and the desires of your father you want to do. He was a murderer from the beginning, and does not stand in the truth, because there is no truth in him*

There will be a lot of death during the Tribulation... a quarter of Earth' population (Rev 6:8), another third (Rev 9:18).

Isaiah 13:12 – *I will make a mortal more rare than fine gold*

The Bible says the nations will be deceived by pharmakeia (sorceries) during the Tribulation (Revelation 18:23) and that these drugs are associated with plagues and murder:

Revelation 9:20-21 – *But the rest of mankind, who were not killed by these plagues, did not repent of... their murders or their sorceries or their sexual immorality or their thefts.*

Revelation 9:18 identifies three plagues responsible for a third of the population of the planet being killed: Fire, Smoke, Brimstone. It occurred to me that these three plagues may represent the three forms of Weapons of Mass Destruction humans have developed: Nuclear, Biological, and Chemical. Fire represents Nuclear; Smoke is Chemical (certainly the case for Field Artillery munitions); and Brimstone is Biological (sulfurous rotten-egg smelling well water is due to a bacterial bloom in the well).

Revelation 9 describes the three plagues as coming from the mouths of 200M horsemen from the bottomless pit. The horsemen are obviously demons so are the plagues supernatural? Not necessarily, God usually uses natural means so that people are free to dismiss His actions if they lack spiritual discernment. WMDs were likely demon-inspired...

Romans 1:28-30 – *as they did not like to retain God in their knowledge, God gave them over to a debased mind, to do those things which are not fitting; ...inventors of evil things*

More important than who appeared at United Nations summit may have been those who did NOT appear

The more important meeting may be going on today through Friday in Paris: Elites planning strategy to roll out World War III, which will likely be fully manifest by 2024.

They are using Ukraine as a flashpoint to drive a wedge between the US and Russia. They need to destroy what's left of American and Russian independence. America is an impediment to the New World Order because of its strong middle class, a mostly liberty-loving bunch whose life and work habits don't fit in the Great Reset (they like to drive cars, fly on planes and live in homes considered much too lavish for the green economy).

Taxpayer-Funded “Transgenic Edible Vaccines” Which Turns Edible Plants Like Lettuce and Spinach Into mRNA Vaccine Factories to Replace mRNA Shots

In a shocking revelation, Rep. Thomas Massie (R-KY) has recently brought to light a deeply concerning issue that should alarm every American citizen. The U.S. government is currently funding research into “transgenic edible vaccines,” a term that sounds like it’s straight out of a dystopian science fiction novel. Yet, it is very much a reality, and it’s happening right under our noses.

New ‘air vax’ delivers mRNA right to your lungs, raising serious bioethical concerns

Researchers say this new ‘air vax’ method could ‘radically change the way people are vaccinated,’ but it could also be used to rapidly vaccinate the masses without their knowledge or consent.

5 – Climate Change – The efforts to reverse climate change is a strategy to impose more control over people by ruling elites. It is not about reducing pollution. Their “green energy” initiatives demonize Carbon Dioxide which is plant food and actually cause more pollution. God will not tolerate such bad stewardship of His creation for long, during the Tribulation, He will *destroy those who destroy the earth* (Revelation 11:18).

Devastating risks of transitioning to ‘green’ energy: Mining for electric-powering minerals has left 23 million people exposed to toxic waste, 500,000km of rivers polluted and 16 million acres of farmland ruined

Tens of millions of people — more than live in the entire state of Florida — are now exposed to toxic water runoff from metal mining, a new study has found.

No Privacy, No Property: The World In 2030 According To The WEF

In a promotional video, the World Economic Forum summarizes the eight predictions in the following statements:

1. People will own nothing. Goods are either free of charge or must be lent from the state.
2. The United States will no longer be the leading superpower, but a handful of countries will dominate.
3. Organs will not be transplanted but printed.
4. Meat consumption will be minimized.
5. Massive displacement of people will take place with billions of refugees.
6. To limit the emission of carbon dioxide, a global price will be set at an exorbitant level.
7. People can prepare to go to Mars and start a journey to find alien life.
8. Western values will be tested to the breaking point..

6 – Transgenderism – This trend an attack on both God and humanity as the image of God. When God created “*male and female*,” He pronounced His creation “very good” (Genesis 1:27, 31). But the ungodly think they know better than God. The whole concept of “going-along” with someone’s gender confusion is unloving...

1 Corinthians 13:6 – *Love does not delight in evil but rejoices with the truth*

It is worse than that when they start early when a child is easily confused and duped by authority figures; it is child abuse...

Luke 17:1-2 – *Jesus said to his disciples: ‘Things that cause people to stumble are bound to come, but woe to anyone through whom they come. It would be better for them to be thrown into the sea with a millstone tied around their neck than to cause one of these little ones to stumble’*

Those advocating transgenderism is often ironically from the “follow-the-science” crowd and the irrational thought process they have to use to justify it is evidence of the third phase of God giving a society over to a debased mind...

Romans 1:28-31 – *And even as they did not like to retain God in their knowledge, God gave them over to a debased mind, to do those things which are not fitting; being filled with all unrighteousness, sexual immorality, wickedness, covetousness, maliciousness; full of envy, murder, strife, deceit, evil-mindedness; they are whisperers, backbiters, haters of God, violent, proud, boasters, inventors of evil things, disobedient to parents, undiscerning, untrustworthy, unloving, unforgiving, unmerciful*

Planned Parenthood is Helping Teenagers Transition After a 30 Minute Consult.

The abortion provider is wading into transgender care, doling out prescriptions for estrogen and testosterone, including to special needs kids.

7 – Spirit of the False Prophet – Will the Catholic pope still be around after the rapture of the church. Given the globalist politics of the current pope, that is highly likely...

Revelation 13:11-12 – *Then I saw another beast coming up out of the earth, and he had two horns like a lamb and spoke like a dragon. And he exercises all the authority of the first beast in his presence, and causes the earth and those who dwell in it to worship the first beast*

Archbishop Viganò: Catholics must seriously consider the possibility that Francis isn't the pope

We must 'take seriously, very seriously, the possibility that Bergoglio intended to obtain the election by means of fraud... Pope Francis hid his intentions from electors with the end goal of using the authority of the papacy to undermine the Church and to make it the "handmaid" of the New World Order.

8 – Apostasy – We have had times of apostasy in church history but not to the extent that professing Christians were universalists...

1 Timothy 4:1 – *The Spirit clearly says that in later times some will abandon the faith and follow deceiving spirits and things taught by demons.*

The end times apostasy will be so bad that Jesus said:

Luke 18:1-8 – *when the Son of Man comes, will he find faith on the earth?*

Building A Church Devoid Of Biblical Truth: The Rebellious Agenda Of The Deconstructionists

Deconstructionism is the dismantling of traditional faith to see truth as relative rather than dogmatic allowing for more progressive views such as gender fluidity, homosexual marriage and universalism. Obsessed with making the world accept them, the deconstructionists are building a church devoid of Biblical truth.

<https://harbingersdaily.com/building-a-church-devoid-of-biblical-truth-the-rebellious-agenda-of-the-deconstructionists/>

9 – Christian Persecution – Another manifestation of the spirit of the Antichrist is the persecution of Christians, This is among the birth pangs Jesus mentioned in the Olivet discourse (Matthew 24:9).

Daniel 7:25 – *He shall speak pompous words against the Most High, shall persecute the saints of the Most High, and shall intend to change times and law. Then the saints shall be given into his hand For a time and times and half a time.*

Nigeria: Air Force personnel arrested and detained for two years for speaking at Christian event

Here is yet another indication that the Nigerian government is on the side of the Islamic jihadis who are rampaging through the country. They cannot or will not do anything effective to stop the jihadis, but they're ever-vigilant about Christian air force personnel speaking at a Christian event. And so the jihad in Nigeria continues unimpeded.

10 – Antisemitism – The new antisemitism in this age is being anti-Israel. All nations even the USA who has long supported Israel will turn against them as a sign we are at the end of the Age...

Zechariah 12:3 – *And it shall happen in that day that I will make Jerusalem a very heavy stone for all peoples; all who would heave it away will surely be cut in pieces, though all nations of the earth are gathered against it.*

God is not happy with the nations that have sought to divide up the land of Israel. Hurricane Katrina was a direct result of the US pressuring Israel to give up Gaza to the PLO. And He will not be happy with us pressuring Israel to give up any part of Judah and Samaria (aka "West Bank").

Joel 3:2 – *I will also gather all nations, and bring them down to the Valley of Jehoshaphat; And I will enter into judgment with them there on account of My people, My heritage Israel, whom they have scattered among the nations; They have also divided up My land.*

As Part Of The Upcoming Middle East Peace Covenant, Will The U.S. Formally Recognize Palestinian Statehood At The United Nations?

Palestinians are demanding the transfer of territory in the West Bank from Israel and "recognition of Palestinian statehood at the United Nations" from the United States... At one time, such a demand would have killed negotiations, but apparently the Biden administration is very open to making such a move.
