## **For Discussion: To Understand The Globalists We Must Understand Their Psychopathic Religion**

In the late 1800s and early 1900s the western world experienced a sudden burst of open occultism among the ultra-rich elites. The rise of "Theosophy" was underway, becoming a kind of fashion trend that would ultimately set the stage for what would later be called "new age" spiritualism.

If you want to see something truly demonic, imagine a world in which all inherent truth is abandoned for the sake of subjective perception. A world that caters to the preferences of psychopaths with no ethical imperative. A world where the ends always justify the means. This is the Luciferian way, and the globalist way. And no matter how much they deny it, the reality of their beliefs is visible in the fruits of their labors. Wherever they go, destruction, chaos and death follow.

## **If we are close to the end of the Church Age, should we be seeing the Spirit of the Antichrist?**

1 John 4:3 – *the spirit of the Antichrist, which you have heard was coming, and is now already in the world* Certainly, and as God removes His restraint of evil along with the birth pangs of the Tribulation, we will see the spirits of the Antichrist increasing.

2 Timothy 3:13 – *evil men and impostors will grow worse and worse, deceiving and being deceived*

## **How are we seeing the Antichrist "Spirit of Power" manifested today?**

Revelation 13:4 – *They worshiped the beast, saying, "Who is like the beast? Who is able to make war with him?"*

As we get closer to the return of the Lord, we should expect the agenda of anti-God government leaders to be harder and harder to stop. They will control people by fear and be so destructive that people will have no choice but yield to them.

- Satan possesses the Antichrist and inspires all who have the spirit of Antichrist (Revelation 13:2).

## **What co-conspirators of the Antichrist are we already seeing?**

Through a vast collection of secret societies, Satan's earthly co-conspirators have been representing the Luciferians in various outposts across the globe for centuries.

- Members of demonically controlled groups like Freemasonry, the Illuminati, and Skull and Bones, are ever-lurking in the shadowy background, ready to accomplish the Devil's wishes as needed.
- Luciferian think tanks and clubs like the Council on Foreign Relations, the Bilderberg Group, and Bohemian Grove, meet to crown kings, install presidents, start wars, and reshape the geopolitical landscape of the globe to suit their interests.

## **How do the globalist visionaries exert their power?**

In their quest for full spectrum planetary control, they routinely engage in militaristic tactics, violate constitutional rights, and spy on ordinary Citizens with impunity.

- They control the court systems at almost all levels, leaving little recourse for victims of their despotic bullying.

## **How are we seeing the Antichrist "Spirit of Phenomena" manifested today?**

2 Thessalonians 2:9-11 – *The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders... God will send them strong delusion, that they should believe the lie*

The context of this is the rapture of the church... Satan will need an explanation for this that directs people away from God and His Word. The stage is being set for this lie today...

- After seventy years of secrecy, the U.S. government finally admitted in 2017 that they have been monitoring UFO activity since 1947.
- UFO sightings have increased dramatically in recent years, which may be one reason the government decided to come clean about their investigations.
- For the first time in fifty years, the government held open congressional hearings about UFOs in May 2022. There appears to be an urgency to the matter.
- The establishment of the U.S. Space Force also may be related to the upsurge in UFO sightings.

## What are UFOs, really?

They are demonic in nature and represent a sharp rise in phenomenalistic activity associated with the spirit of the Antichrist.

## How are we seeing the Antichrist “Spirit of Pride” manifested today?

Daniel 11:36 – *He shall exalt and magnify himself above every god, shall speak blasphemies against the God of gods*

As we get closer to the return of the Lord, we should expect more antichrist-speak from government leaders. Their pride will drive them to speak very highly of themselves and slander God as the Bible reveals Him.

- Politicians often give lip-service to the Bible by quoting Scripture but they usually have to take it out of context in order to justify their antichrist ideology. It is interesting to note that Satan used this same strategy when he tried to tempt Jesus in the wilderness (Matthew 4:6).

## How is the spirit of pride seen more and more in common people?

Psychologists and sociologists have asserted we are facing an epidemic of narcissism. Pride is nothing new, of course. It was the original sin. But today egotism has pervaded every aspect of our society.

- One business expert states flatly, "being arrogant is good," because it helps you get ahead in the world.
- The Luciferian Conspiracy is permeated with pride. Satan's earthly co-conspirators mirror his arrogance. After all, they learned from the worst.
- There will be no greater manifestation of Satan pride than when the Antichrist takes over the world, and the spirit of pride is already escalating.

## How are we being conditioned to accept the arrogant and blasphemous statements of the Antichrist?

Media personalities popular entertainers, academicians, and public servants have raised prideful rhetoric to new heights. Even the once dignified office of the President the United States is no longer off limits for blatant displays of egotistic boasting.

Daniel 7:8 – *A mouth speaking pompous words*

## How are we seeing the Antichrist “Spirit of Persecution” manifested today?

Daniel 7:25 – *He shall speak pompous words against the Most High, shall persecute the saints of the Most High*

Jesus said His followers would be persecuted (John 15:20). He also indicated that persecution would be among the birth pangs that would herald the Tribulation (Matthew 24:9).

- The Luciferians have been persecuting Christians since the earliest days of the Church, and persecution has been intensifying ever since.
- Studies show more Christians are being persecuted today than at any other time in Church history.

## Are we immune from persecution in the USA?

Americans have largely avoided serious, physical suffering because of their faith. Nevertheless, over the past two to three years, there has been a sharp rise in Christian persecution in the United States...

- Anti-Christian sentiment is everywhere in our culture... Christians are being mocked, canceled, and punished with greater and greater fierceness.
- During the COVID "pandemic," Christianity was deemed "non-essential." Churches were forced to close while many businesses were left open. Christians were arrested for singing praises to God in the open air.
- Such persecution, as bad as it is, pales in comparison to the martyrdom of believers in other parts of the world. However, the rise in mistreatment of Christians in America portends greater persecution in the near future.

Any Christian who thinks he or she can avoid persecution does not understand how much Satan hates believers. Yet Jesus lovingly reminded us...

John 16:33 – *In the world you will have tribulation; but be of good cheer, I have overcome the world.*

## How are we seeing the Antichrist “Spirit of Perversion” manifested today?

Romans 1:28 – *And even as they did not like to retain God in their knowledge, God gave them over to a debased mind, to do those things which are not fitting*

We live in a world run by sick, demented, perverted elites. Innocent children are being forced into human sex trafficking and the dark underworld of Satanic ritual abuse.

- Documentaries like *Out of Shadows*, *Silent Cry*, and *Conspiracy of Silence*; books like *The Franklin Cover-Up* and *TRANCEformation of America*; the Jon Podesta emails exposed by WikiLeaks; and the Jeffrey Epstein scandal all uncover just how deep the conspiracy of perversion goes in this country.

The attack on our nation's children has reached unprecedented levels in recent years through the gender surrender and synthetic sex identity (SSI) movements

- There is an all-out war going on to capture the minds of our children. Top-down sex education initiatives are affecting even the most rural school districts.
- School boards and city councils have been infiltrated by woke agents of the Luciferian elite, who promote the vilest of ideologies from kindergarten through high school.

### **When did the connection between sexual perversion and Luciferianism begin?**

Early on, Satan's demons sought to alter human DNA by "leaving their proper domain" and cohabiting with earthly women (Genesis 6:2; Jude 6).

- The future Antichrist will engage in all manner of sexually deviant behavior and licentiousness.
- The Luciferians today do the same thing, as the spirit of perversion manifests itself.
- The public school system, Hollywood, Washington D.C. elites, and the mainstream media all are marketing transgenderism at every turn.

### **Why is there a connection between sexual perversion and Luciferianism?**

Satan hates God and consequently hates those in the image of God. Sexual perversion is an attack on God's image bearers and seeks to undo the order established by God. It is a personal form of rebellion against God.

### **How are we seeing the Antichrist "Spirit of Pluralism" manifested today?**

Revelation 13:8 – *All who dwell on the earth will worship him*

During the Tribulation, there will be a global religion with the Antichrist as the collective object of worship. We see birth pangs of this in movements to bring all religions under one umbrella. This has been an objective of the last few Popes and even some prominent evangelical leaders have joined in the effort.

- Compromising biblical truth in the spirit of ecumenicalism only serves to help people be unified under the Antichrist.
- The Church in this Age is only universal spiritually. And we will be unified physically with the end of the Church Age at the Rapture.
- Bringing all religions together during the Tribulation is Satan's effort to usurp the worship due God and it will lead many to destruction.

### **When did the spirit of pluralism begin?**

At its core, the Luciferian Conspiracy is spiritual. It began in the spiritual realm and spilled over into the earthly realm when Lucifer's attempted coup in the heavens was quashed.

- For the past six thousand years, Satan has been conspiring with demons and human agents to overthrow God and claim this world as his own.

### **Why must the Antichrist preside over a one-world religion in addition to political & economic systems?**

The Antichrist will demand that everyone on earth worship him. For this to happen, Satan must destroy religious

boundaries and get everyone to come together under one spiritual banner.

- He must promote the idea that we are all in this together.
- No single religion is right. The notion that all belief systems are equally valid pathways to heaven is known as religious pluralism.

### **Where do we see the spirit of pluralism today?**

We see it in the relentless attacks on absolute truth and the resultant decline of Christianity in America.

- More and more churches look upon ecumenicism with great admiration. They insist that doctrinal lines of distinction are unloving and hateful.
- The biblically prophesied last days apostasy in the form of universalism is unfolding before our eyes.
- World political and religious leaders are meeting together and developing plans for a one-world religion in the same way that the United Nations is providing the framework for a global government.

### **How are we seeing the Antichrist "Spirit of Progress" manifested today?**

Daniel 7:25 – *He shall... intend to change times and law*

Along with changing law is changing times. As we get closer to the return of Jesus, more and more history will be rewritten to reflect badly on the old ways such as following the rule of law and embracing a biblical worldview.

- We are already seeing serious historical revisionism concerning the founding of the United States and in holocaust denial among Islamists.
- The popularity of Darwinian evolution is just another example of historical revisionism on a grand scale.
- Humanists in this Postmodern Age believe all history is suspect having been written to suit the perspectives of those who have prevailed in the conflicts with others.

So, since humanists are now gaining more power in our society with God removing His restraint of evil, they are taking advantage of their opportunity to re-write history to their liking.

- The Antichrist may even change the Gregorian Calendar... it will probably bug him that our years are based on the advent of Jesus Christ.

### **What is wrong with progress?**

It depends to where you are progressing... to God or away from Him.

### **What applications do we see from this discussion?**

The spirit of Antichrist is growing; the end is near!
