**Interesting:** An 1871 letter from 33rd degree Freemason Albert Pike (Confederate Brigadier General) to an Italian Revolutionary leader, predicted World Wars I, II and III...

**WWI** must be brought about to overthrow the power of the Russian Czars to make a fortress of atheistic Communism.

- The agents of the Illuminati between the British and Germanic Empires will be used to foment this war.
- Communism will be used to destroy the other governments and weaken the religions.

**WWII** must be fomented by taking advantage of the differences between the Fascists and the political Zionists.

- This war must be brought about to destroy Nazism and cause political Zionism to be strong enough to institute a sovereign state of Israel in Palestine.
- International Communism must become strong enough in order to restrain Christendom, until the time when we would need it for the final social cataclysm.

**WWIII** must be fomented by taking advantage of the differences caused by agents of the "Illuminati" between the political Zionists and the leaders of the Islamic World.

- The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other.
- Meanwhile the other nations, divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion...
- We shall unleash the Nihilists and the atheists to provoke a social cataclysm which will show the effect of absolute atheism as the origin of savagery.
- Then everywhere, citizens will rise up to exterminate those destroyers of civilization.
- The multitude, disillusioned with Christianity, whose deistic spirits will be without compass or direction, will receive the true light of the pure doctrine of Lucifer.
- This will result from the destruction of Christianity and atheism, both exterminated at the same time.

This vision of the Illuminati has been strikingly accurate for WWI & WWII so we know their plan for WWIII.

**How can Albert Pike's prediction be so accurate?**

- It probably is a hoax: Terms such as fascism, Nazism and Zionism were never used in Pike's lifetime.
- But Albert Pike had an uncanny ability to use phrases long before they made it into the public vernacular.
- Demons reveal their plans to followers... they know God's Word and can influence people to further their agenda while meshing with prophecy.
  - The best deception includes some truth
- Even as a hoax, this has value in revealing the Luciferian vision for WWIII.

**Who are the Illuminati?**

They are the globalists, the Deep State, ruling elite revealed in association with: the World Economic Forum, Trilateral Commission, Council on Foreign Relations, The Bilderberg Group, Bohemian Grove, Freemasonry, Opus Dei, Knights Templar, Order of Skull and Bones, etc...

**What does the Luciferian vision of WWIII have right and wrong based on God's revelation?**

- Islam destruction – Some say the Magog War will result in the end of Islam ...morphing into a new Mystery Babylon religion.
- Zionism destruction – Israel will be in exile 2<sup>nd</sup> half of Tribulation.
- physical, moral, spiritual and economical exhaustion – Yea, war does that, duh!
- social cataclysm – Going on now... social Marxism: divide & conquer pitting one group against another
- the end of atheism – interesting... there will be a Mystery Babylon religion
- destroyers of civilization – certainly Islam is viewed as this, but those "domestic terrorists" are lumped in... the problem isn't religion, it's "fundamentalism"
- true light of the pure doctrine of Lucifer – Yea, the Antichrist & False Prophet will advance this
- destruction of Christianity – certainly a goal of the Luciferian globalists

**For Discussion (2): How Near Is the “Fullness of the Gentiles”?** (www.raptureready.com, November 8, 2023)

I’ve recently come across someone who agrees with me that the rapture could happen in the midst of some great calamity like a nuclear war and has made a biblical case for this idea...

**What does it mean that Bible prophecy often has a dual fulfillment?**

Bible prophecy can have both a short-term and long-term fulfillment. The second fulfillment is usually the ultimate and more literal fulfillment. Some examples:

- Joel 2 – Pentecost & Israel’s spiritual restoration
- Isaiah 7 – timing of Israel’s captivity & virgin birth
- 2 Sam 7 – David’s son building temple & Messiah
- Luke 21 – AD 70 & Abomination of Desolation

With the possibility of dual fulfillment in mind, lets revisit Isaiah 6, the well-known “Here I am. Send me” passage in which Isaiah volunteers to convey God’s message to His people that are hardened (deaf, blind, and without understanding).

**Isaiah 6:8-13 (NIV)**

*Then I heard the voice of the Lord saying, “Whom shall I send? And who will go for us?” And I said, “Here am I. Send me!”<sup>9</sup> He said, “Go and tell this people: “Be ever hearing, but never understanding; be ever seeing, but never perceiving.”<sup>10</sup> Make the heart of this people calloused; make their ears dull and close their eyes. Otherwise they might see with their eyes, hear with their ears, understand with their hearts, and turn and be healed.”<sup>11</sup> Then I said, “For how long, Lord?” And he answered: “Until the cities lie ruined and without inhabitant, until the houses are left deserted and the fields ruined and ravaged,<sup>12</sup> until the Lord has sent everyone far away and the land is utterly forsaken.<sup>13</sup> And though a tenth remains in the land, it will again be laid waste. But as the terebinth and oak leave stumps when they are cut down, so the holy seed will be the stump in the land.”*

**What was the initial fulfillment of this prophecy?**

Both Israel and Judah would be conquered and the people taken off into captivity by Assyria and Babylon respectively. The land of Israel would be desolate until the people would be allowed to return under the Persians.

**What indications are there that this passage might have a dual fulfillment?**

God not only informs His people that they are hardened, but also that He has hardened them to delay their repenting and being healed.

- Matthew 13:11-14, Jesus explains why He speaks “to them” in parables quoting from Isaiah 6.
- Acts 28:24-27, Paul also quotes Isaiah 6, reminding the local leaders of the Jews that they are hardened.
- Paul gives the reason for Israel’s hardening, the Gospel would be given to the Gentiles (Acts 28:28)

**What did God tell Isaiah how long Israel’s heart would be hardened (v11)?**

God will lift Israel’s partial hardening during or just after a widespread devastation. This may be a great war, even a nuclear war given the extent and degree of damage. However, it may also be a direct act of God.

- Note that the cities and the houses need not be in “the land” (the Promised Land). They may be in the land or elsewhere.
- Initial fulfillment in the Promised Land, ultimate fulfillment in other places & Promised Land

**What conditions God does give that will exist before His people are spiritually awakened?**

1. cities lie waste without inhabitant (v11)
2. houses are without people (v11)
3. the land is a desolate waste (v11)
4. the Lord removes people far away (v12)
5. the forsaken places are many in the midst of the land (v12)

“Everyone” (NIV) or “people” implies more than one people, i.e., Gentiles. This likely refers to the Rapture.

- Note that condition 5 mentions “forsaken places.” Being listed after condition 4, might God have forsaken them, the Rapture having happened?

**When will the blindness of Israel be removed so that their spiritual awakening will occur?**

Romans 11:25 – *For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fulness of the Gentiles be come in*

The mystery Paul reveals is that the partial hardening of Israel’s elect will end when the “fulness of the Gentiles be [has] come in.”

**So, what does all this tell us?**

- Israel's partial hardening will end when the fullness of the Gentiles has come in.
- God tells Isaiah that He will end His hardening of His people in the midst of a widespread devastation, likely a great war or a direct act of God.

In other words, the fullness of the Gentiles comes in just before or during a widespread devastation, after which God ends His partial hardening of Israel's elect.

**What does Isaiah 6:13 add to the ultimate fulfillment of Israel's spiritual renewal?**

This speaks of the Tribulation. The stump (the believing remnant of Israel) connects the holy seed (Jesus) to the branches (believers) of the pruned and grafted tree (the body of Christ).

- Thus, Israel will be reawakened in Daniel's Seventieth Week, which reiterates that the Rapture precedes Daniel's Seventieth Week, and will likely be in a time of great tumult, even war.
- This time of great tumult will not be the Tribulation, but many believers may think it is. It will instead be a birth pang.
