## The Satanic Roots of the Left's All-Out War on Christian America

Karl Marx: 'Heaven I've forfeited, I know it full well. My soul, once true to God, is chosen for Hell' Back in 2009, President Barack Obama scandalously claimed that Americans "do not consider ourselves a Christian nation." He was lying, of course. But then, throughout his presidency Obama lied as easily as breathing, just as his puppet "successor" Joe Biden does today.

## Oregon Dems Ban Republicans From Running for Office

Oregon Senate Republicans had walked out for 43 days, as opposed to the Texas Democrat 38 day walkout. But when Democrats are in the minority, as in Texas or Tennessee, walkouts are heroic and democratic, but once they take the majority then they suppress democracy.

## FBI tells Newsweek that Trump supporters are enemies of the state and must be secretly tracked, monitored, investigated

Will Trump supporters start to disappear leading up to and following the 2024 election? The FBI appears to be laying a narrative that hints of unprecedented government actions on American soil.

## Jack Smith Issues Search Warrant for User Data Linked to Trump Interaction

A list of every user and account who liked or retweeted one of Trump's posts between October 2020 and January 2021 is requested in the heavily redacted search warrant, along with "all associated logs and metadata," which may include location information, among other things.

## MSNBC Claims That Voting Is Anti-Democratic

It's worth emphasizing just how stupid the corporate state media thinks its viewers are — and, by extension, the public-school-educated American public generally — that it can ram down its audience's slack-jawed throats the narrative that voting for unapproved parties or candidates is a violation of sacred Democracy™. That's how stupid they think their loyal Democrat viewers/readers are, that they can't see through the most glaring contradiction in all of human history; that merely by waving hypnotically the avatar of the Orange Bad Man in front of their faces, back and forth, they can convince them that voting the wrong way makes the fascists.

## Why is there so much political division in our day?

Ephesians 6:12 – *For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.*

Ultimately, the conflict is spiritual. The war between spiritual entities manifests itself in politics.

## Is one political party more on God's side than the other?

Sometimes but not necessarily. The issues matter... issues are generally more aligned with biblical values or not. We should vote the issues, not the parties.

- Parties we prefer usually disappoints us: politicians promise good things but when they get into power spiritual forces change them.

### **How do issues either reflect biblical values or do not?**

Some political views are more aligned with God than others. The Bible makes it clear that a delineation can and should be made between right and wrong...

*Ecclesiastes 10:2-3 – The heart of the wise inclines to the right, but the heart of the fool to the left. Even as he walks along the road, the fool lacks sense and shows everyone how stupid he is.*

It is interesting that the literal meaning of this passage has relevance for the political situation in our day. Most of the positions held by the politically left are opposed to God: socialism, abortion rights, homosexual marriage, militant environmentalism, secularization of society, etc. God does care how we vote.

### **How are political activists dividing people today?**

By stirring up racism (CRT), promoting crazy trends such as gender dysphoria, demonizing nationalists, censorship, etc.

### **Why do leftist political activists seek to divide people?**

This is how they gain power over people... divide and conquer! This stratagem is right out of the Marxist playbook; bourgeoisie versus the proletariat... dividing us into an oppressor class and an oppressed class.

- Karl Marx was not an atheist, he hated God and his ways seeking to replace the Creator's perfect plan for mankind with a diabolical one that sounds appealing like the forbidden fruit in Eden.

### **How is dividing people satanic?**

The biblical calls to unity are too numerous to list as are the warnings about division and divisiveness.

*Romans 16:17 – I urge you, brethren, note those who cause divisions and offenses, contrary to the doctrine which you learned, and avoid them.*

Division is a result of the flesh, contrary to the fruit of the Spirit. Those who purposefully cause division, incite discord, or provoke rancor are rebelling against God's design for the church and society.

### **How is the growing political division a sign of the times?**

*Matthew 13:30 – Let both grow together until the harvest, and at the time of harvest I will say to the reapers, "First gather together the tares and bind them in bundles to burn them, but gather the wheat into my barn."*

The voice of those who go against the will of God is getting louder trying to suppress those standing for Him. Thus, the evil tare weeds are getting easier to distinguish from the wheat produced by God because both are maturing. Evil will have its day for a season but the harvest is coming when the wheat will be gathered to God

and the evil weeds will be burned. It is not a good time to be mistaken for a tare.

### **What should we do in the midst to the spiritual warfare causing division?**

*1 Timothy 2:1-2 – Prayers... for kings and all who are in authority, that we may lead a quiet and peaceable life in all godliness and reverence*

God raises up the leaders we have for a reason but they are people often under intense pressure and we should pray for them. When our vote doesn't do much more than honor God, praying may be all we can do. A good prayer in situations where we have an ungodly leader doing things that doesn't help us is: *"let his days be few, and let another take his office"* (Psalm 109:8). God is in control and He can raise up a more godly leader.

### **Does our vote really matter?**

*1 Peter 2:13,15 – Submit yourselves to every ordinance of man for the Lord's sake... for this is the will of God, that by doing good you may put to silence the ignorance of foolish men*

Christians are called to be good citizens and one of the responsibilities of a good citizen is to vote. We should vote even when we don't like the choices. There will always be a "lesser evil" to choose and doing our best to slow down the progress of evil in this world honors God. Not voting to *"silence the ignorance of foolish men"* allows them to advance their evil agenda and we all will suffer the resulting consequences. Thus, it is better to do what we can by praying and voting even if and especially when we are outnumbered by fools.

### **What applications do we see from this discussion?**

- Political division is a manifestation of spiritual warfare; put on the full armor of God.
- Political division is a sign of the times; occupy until He comes!
- Our vote matters to God, choose wisely.
