There is increasing resistance to the globalist agenda:

## **Restless Nations Jostling to Usher in the 10 Kings**

Globalism is on the ropes. Critically, this long-running trend is beginning to break up in our time. This is a fascinating and momentous development for many reasons. However, this writer believes the most notable one is that it reveals the birth pangs of unilateralism. What is this? It is the geopolitical fragmentation of national relationships that (we believe) will eventually set up the emergence of the 10 Kings.

## **Deep state admits it's working behind the scenes to strip Trump of constitutional powers of the presidency, should he get elected in November**

This admission should be taken as confirmation that the globalists are indeed pushing the buttons to trigger civil unrest around the upcoming election.

## **German railways join farmers' protest; mainstream media accused of concealing protests' true scale.**

German railways have joined the Farmers and Truckers protest. The truckers have joined the German farmers protest. German farmers have gathered for the largest protest in history against their government and the World Economic Forum.

## **The spectre of Donald Trump hangs over Davos**

The most talked-about person in Davos next week will be nowhere near the Swiss mountain resort. As politicians, financiers and chief executives converge for this year's World Economic Forum, Donald Trump will be 7,500

kilometres away in Iowa, starting his quest to win the U.S. Republican Party's presidential nomination for the third time. Even so, his possible return to the White House will pervade Davos discussions on topics ranging from Ukraine, China, trade, and climate change.

## **Hertz Selling Fleet of Electric Vehicles, Shifting Back to Gas Cars**

Now Hertz itself is among those joining the skeptics, on Thursday announcing the sale of 20,000 EVs, to be replaced by gasoline-powered cars, according to Reuters. The rental giant is one more corporation that hitched itself to the promising star of electric vehicles only to find it was riding a fizzling meteorite.

## **NEW: State of Texas Seizes Property in Eagle Pass Under Governor Abbott's Emergency Powers Amid Biden Border Crisis**

The Texas Department of Public Safety notified Eagle Pass Mayor Rolando Salinas on Wednesday that Shelby Park was being taken over by an emergency order by Republican Governor Greg Abbott. The park covers 47 acres and is right next to a portion of the Rio Grande River. This will give DPS officers control over the area to help stop illegals from crossing into the U.S. The take over is for an indefinite period of time with DPS having total control of the area.

## **Enemies Of The Administrative State**

Amid allegations from conservative lawmakers and activists that Washington, D.C.'s most powerful agencies have been weaponized against their critics, one organization has not only played a key role in helping marshal evidence of such malfeasance, but found itself at the center of an emerging government targeting scandal that would seem to only further substantiate the claims of administrative state critics. That organization is Empower Oversight Whistleblowers & Research.

### **Restraining The Great Reset: Christians Are A Road Block To Globalism—And The World Powers Know It**

Those of us who believe we are charged by the Lord to be “watchers” on the wall look at the acceleration of stage-setting for prophetic fulfillment as a wondrous thing to behold. There can be no missing the reality that we are fast approaching the dénouement of the Age of Grace. ... “the great reset.” This term, defined within the title of a book by the same name, means the globalization of the entire world— ... must, in their view, not be thwarted. ... goals encapsulated within what they call Agenda 21 and now Agenda 30. ... they must accomplish all their shaping of this global order no later than the year 2030.

### **UK, Italy agree to help send illegal migrants headed to Europe back to their home countries**

Italy and the United Kingdom over the weekend reached an agreement to bankroll the relocation of immigrants attempting to reach Europe. The move comes amid rising dissatisfaction with illegal immigration from African countries.

### **Where have we seen resistance to globalism?**

Examples of global fragmentation from the Wilfred Hahn article...

- G20 in December 2022 could not agree on resolutions
- UN General Assembly had only one leader of the permanent members with veto power (France)
- There have been regional trade agreements but nothing globally (GATT is “toothless”)
- Non-Aligned Movement (NAM) – a forum of 120 countries not aligned with any power bloc.
- African Union & European Union became members of the G20
- Shanghai Cooperation Organization (SCO) funded in 2001 by China & Russia, 80% of Eurasia, 40% of world population
- BRICs formed to challenge hegemony of Petrodollar as the world’s reserve currency.

### **How else do we know there will be resistance to the kingdom of the Antichrist?**

There will be a great many martyrs who refuse to worship the Antichrist who will be in heaven with us...

Revelation 7:9, 14 – *behold, a great multitude which no one could number, of all nations, tribes, peoples, and tongues, standing before the throne and before the Lamb, ... These are the ones who come out of the great tribulation, and washed their robes and made them white in the blood of the Lamb.*

Most of these martyrs will be hunted down and killed for resisting the Mark of the Beast:

Revelation 20:4 – *Then I saw the souls of those who had been beheaded for their witness to Jesus and for the word of God, who had not worshiped the beast or his image, and had not received his mark on their foreheads or on their hands. And they lived and reigned with Christ for a thousand years.*

### **What does it tell us that these martyrs are beheaded?**

This reinforces the idea that there will be an influence of Islam in the government of the Antichrist. This method of execution has long been abandoned by Western Culture but will make a comeback when Islamic Culture is imposed.

### **What will the current resistance to globalism result in?**

There will be a short, intermediate step to the out-right global government of the Antichrist...

Revelation 17:12 – *The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast.*

Google “UN 10 regions map” and you’ll find plenty of evidence that the world community of nations are anticipating regional kings.

- The globalist group “Club of Rome” has divided the world up into ten regions.

### **Will the Ten Kings have to be regional authorities, or something else?**

Revelation 17:13 – *These are of one mind, and they will give their power and authority to the beast.*

The Greek word translated “power” is *dynamis* which also means “ability” and “the power and influence which belong to riches and wealth.”

- Covid has revealed the influence of unelected technocrats having great influence in governing
- There are also oligarchs, very rich business leaders with a great deal of political influence
- Book by Seamus Bruner published November, 2023... Controlgarchs: Exposing the Billionaire Class, their Secret Deals, and the Globalist Plot to Dominate Your Life

### Who are the “Controligarchs” of our day?

- Elon Musk’s dominance in space, communications, social media, and EVs.
- Bill Gates’s \$11.7 billion food takeover scheme... and the real reason he’s snapping up America’s farmland
- Mark Zuckerberg’s \$36 billion plot to reengineer society and force you into tech addiction
- Jeff Bezos’s taxpayer-funded electric vehicle ambitions, climate hypocrisy, and \$1.2 billion plan to spy on you by overseeing your “smart” home
- The Soros family’s project to use its \$25 billion empire to influence elections and society for the next 50 years
- How World Economic Forum (WEF) founder Klaus Schwab built an exclusive club in Davos where the top 25 WEF members—now worth more than \$10 trillion—have more economic power than most world governments, and how these global oligarchs are seizing control over our future

### Back to Rev 17:12, what does it mean that the ten kings will have authority for one hour with the Antichrist?

Their tenure will be short-lived. Seven years of the Tribulation is a short period of time in light of all human history.

Daniel 2:42 – *And as the toes of the feet were partly of iron and partly of clay, so the kingdom shall be partly strong and partly fragile.*

The Ten Kings are ruling essentially when the Antichrist is ruling... this is the kingdom the Lord will defeat when He returns.

### What does it mean that the kingdom will be partly strong and partly fragile?

The key here is properly interpreting what is represented by the clay in Nebuchadnezzar’s dream. All the materials in the statue represent kingdoms and they go down in value over time (from pure dictatorship to increasing degrees of democracy to a human theocracy). The clay represents the Ottoman Empire which ruled over Jerusalem as an Islamic Caliphate. Islam is continuing to oppress Israel and will have a role in the end-times global governance.

- Because Western cultures do not mix well with Islamic cultures, their collaboration will be fragile.

### How else do we know that the Ten Kings will rule at about the same time as the Antichrist?

They share the same vision for humanity and will thus yield their sovereignty to him...

Revelation 17:13 – *These are of one mind, and they will give their power and authority to the beast.*

But it is also clear that the Ten Kings will be in power prior to the Antichrist being in power...

Daniel 7:24 – *The ten horns are ten kings who shall arise from this kingdom. And another shall rise after them; he shall be different from the first ones, and shall subdue three kings.*

### What does it mean that the Antichrist will subdue three of the ten kings?

Apparently, not all of the ten regional kings will be totally on-board with the Antichrist when he comes on the world scene...

Daniel 7:8 – *I was considering the horns, and there was another horn, a little one, coming up among them, before whom three of the first horns were plucked out by the roots. And there, in this horn, were eyes like the eyes of a man, and a mouth speaking pompous words.*

The Antichrist, like all tyrannical dictators will not tolerate any dissent and any opposition will be crushed. The rebellious horns will likely be replaced with leaders more in league with the Antichrist because ultimately, *these are of one mind* (Revelation 17:13).

### Why is the Antichrist called a little horn?

His emergence on the world power scene is out of nowhere...

Daniel 11:21 – *in his place shall arise a vile person, to whom they will not give the honor of royalty; but he shall come in peaceably, and seize the kingdom by intrigue.*

The Antichrist will not be elected but will come into power by appointment of other authorities. Indeed, it is unlikely any of the Ten Kings will be elected as well. The governing trends are that as power is consolidated, rulers are appointed and thus rule without accountability against the will of the people (European Union, technocrats, deep state etc.)

- In the age of rampant voter fraud, elections mean less and less having become a nuisance to those in power; eventually they will be done away with altogether.
- In the mid-1990s, the mayor of Istanbul, Recep Tayyip Erdogan, said, “*Democracy is like a tram. You ride it until you arrive at your destination, then you step off.*” Erdogan, who is now president of Turkey, has decidedly stepped off the tram.

## **Back to Daniel 7:24; how with the Antichrist be different from the Ten Kings?**

It is not so much that the Antichrist is particularly different from the Ten Kings, he and the Ten Kings constitute the Fourth Beast of Daniel 7 and this beast is different from the previous three...

- Babylon – *“like a lion, and it had the wings of an eagle”* (Daniel 7:4). As Daniel watches, the wings are torn off the beast, and the creature stands erect like a man and a human mind is given to it. Represents of King Nebuchadnezzar. Its rise to human-like status reflects Nebuchadnezzar’s deliverance from a beastly existence and his insight into the true nature of God.
- Medo-Persian Empire – *“like a bear. It was raised up on one of its sides, and it had three ribs in its mouth between its teeth”* (Daniel 7:5). This beast represents the; the raising up of one side of the creature indicates that one of the kingdom’s parts (Persia) would be dominant. The three ribs in the creature’s mouth symbolize nations that were “devoured” by the Medes and the Persians: Babylon, Lydia, and Egypt.
- Greece – *“like a leopard,”* except it has four bird-like wings on its back and four heads (Daniel 7:6). This beast represents an empire known for the swiftness of its conquests. The four heads are predictive of the four-way division of the empire following Alexander the Great’s death.
- Rome – *“terrifying and frightening and very powerful”* (Daniel 7:7). The Western part of this fourth beast was never defeated but morphed into the city-states then nations of Western Civilization. It will constitute the global government of the Antichrist with its ten horns.

The previous three were limited in what they conquered. The kingdom of the Ten Kings and Antichrist will not be. Also, they will be a lot more blasphemous to the God of Scripture.

But the Antichrist will be different than the 10 kings:

Daniel 7:19-20 – *that horn which had eyes and a mouth which spoke pompous words, whose appearance was greater than his fellows.*

## **What applications do we see from this discussion?**

- Stage setting for the Terrible Fourth Beast of Daniel 7 is happening now; live ready for the Bridegroom!
- The trend is for increasing rule against the will of the people; expect more of this manifestation of the spirit of Antichrist.
