### **Was Covid created in a lab? And if so, why?**

The former “conspiracy theory” that Covid was created in a lab in Wuhan, China has been proven true and generally acknowledged even by government authorities.

- It was created as part of gain-of-function research that is primarily useful in developing bioweapons.
- Since the mRNA Covid “vaccine” was developed so rapidly, many suspect that Covid was developed and dispersed to create demand for the “vaccine.”
- The vaccine is the intellectual property of those who created the bioweapon, and it is worth a fortune once the weapon has been unleashed.

### **What do you think the globalist elite think of how the world responded to Covid?**

They would have had to have been thrilled that Covid worked so well in controlling populations through fear.

- “Pandemic preparedness” has been discovered to be a gigantic, deadly protection racket.

### **Why hasn’t the globalist elite unleashed another virus to cause another pandemic?**

- They certainly want to warn that we all need to be prepared for “Disease X.”
- They needed the WHO Pandemic Agreement that was rejected but instead got rolled into the United Nations Pact for the Future of September, 2024.
- They don’t have a manufactured virus that is virulent enough to counter the sceptics resulting from Covid.
- The timing isn’t yet right to implement the Great Taking and CBDCs.

### **What seems to be the number 1 candidate for “Disease X”?**

It’s the bird flu, a disease that’s been around for as long as there’s been birds.

### **Why, since there are so many Covid skeptics, will they unleash another pre-engineered virus?**

Because the globalist elites who ran the first psychological operation, many of them tied in with the military and intelligence agencies, know from experience that they can get away with it.

- We, a once-free people, now allow ourselves to be ruled over like slaves serving their masters.
- If we still had a viable republic the government officials would be serving us, they would fear us. We wouldn’t fear them.

The globalist agenda is a dehumanizing agenda.

- For slaves to be fully subdued, they must be submissive to their masters, even when the orders given are completely nonsensical and ludicrous.

### **Why isn’t Bird Flu working out as “Disease X”?**

In the US & Canada, there has only been 46 case patients with generally mild, self-limited infection with [Influenza type] A(H5N1): all but 1 got the disease from exposure to poultry or dairy cows; the 1 was undefined exposure.

- The only hospitalization occurred in the case patient with undefined exposure, although hospitalization was not for respiratory illness.
- Most case patients had conjunctivitis (pink eye), almost half with fever, and a minority with mild respiratory symptoms, and all recovered.

### **Despite these results, what kind of response is being pushed by the technocratic authorities?**

They are sounding the alarm for a public health emergency.

- pushing for indiscriminate PCR testing of animals and emergency authorization of more mRNA vaccines for humans
- They seek to continue to kill millions of farm animals, even though most animals that contract Bird flu survive, recover, and develop immunity

### **What is the problem with PCR testing and culling of farm animals?**

- PCR tests are notorious for false positives
- Culling farm animals cause the cost of food to go up.

### **Why are the globalist elite just fine with the culling of farm animals?**

This fits right in with their vision of controlling the masses...

- If inflation gets so bad that they need a spectacular economic fix, people will accept the CBDC solution.
- People desperate for food are easy to control when food sources have been centralized under the control of the globalist elite.

### **What should the Covid skeptics do to resist the deployment of “Disease X”?**

- Instead of PCR-swabbing every cow, chicken, and farm worker on Earth, how about we stop creating new mutant variants of H5N1 in the labs?
- Immediately end and outlaw all gain-of-function and other bioweapons research in and funded by the United States, and apply all possible diplomatic pressure to eradicate it from the Earth.
- Eliminate all special protections from liability for vaccines, including the 1986 National Childhood Vaccine Injury Act and the PREP Act.
- Re-focus Infectious Disease research on new therapeutics, rather than power-seeking and profit-driven vaccine development.
- Completely reform the National Institutes of Health, and close the corrupt NIAID altogether.

### **Will the new Trump administration embrace any recommendations to restore trust in public health?**

As a Covid skeptic myself, I'd say it is unlikely (Trump is still proud of his role in Operation Warp speed).

- The pharmaceutical industry is just too powerful.
- Also, we have the testimony of Scripture that the globalist elite will only double-down on pharmakeia.

### **What is the prophetic significance of virus pandemics?**

Certainly, there will be lethal diseases caused by viruses; Jesus warned about pestilences as a birth pang of His return in Matthew 24:7. And the 4<sup>th</sup> seal judgment says that people will be killed by the beasts of the earth (Revelation 6:8).

- Man-engineered viruses still apply because these viruses were natural occurring and caused to be more lethal through gain of function research.
- Just because man causes a pandemic does not disqualify it from being the wrath of God... God is in control and He allowed it to serve His purpose.

### **What is the prophetic significance of the viruses being lab-engineered with vaccines to go with them?**

Revelation 9:21 – *they did not repent of their murders or their sorceries or their sexual immorality or their thefts.*

The Greek word translated sorceries is pharmakeia which means (1) the use or the administering of drugs, (2) poisoning, (3) sorcery, magical arts, often found in connection with idolatry and fostered by it

- This sin is lumped in with *murders, sexual immorality, & thefts*

### **Why is murder a dominate sin of the Tribulation?**

The Antichrist will kill all who refuse the mark of the beast. The globalist elite seek to cull the population – fewer people are easier to control.

### **Why will Tribulation sexual immorality be notable?**

It already is a dominate characteristic of our culture today. And it will only get worse as more people turn further away from God...

Romans 1:24 – *God also gave them up to uncleanness, in the lusts of their hearts, to dishonor their bodies among themselves*

### **Why will Tribulation thefts be notable?**

The antichrist will oversee a socialist economy taking from the successful and redistributing the wealth to reward his cronies...

Daniel 11:24 – *he shall disperse among them the plunder, spoil, and riches*

There will also be massive food shortages to make people dependent on the government of the Antichrist...

Revelation 6:5-6 – *behold, a black horse, and he who sat on it had a pair of scales in his hand. And I heard a voice in the midst of the four living creatures saying, “A quart of wheat for a denarius, and three quarts of barley for a denarius; and do not harm the oil and the wine.”*

The tribulation will be characterized by the wealthy getting wealthier by exploiting the poor and middle class, a trend that has already started...

James 5:3-4 – *You have heaped up treasure in the last days. Indeed the wages of the laborers who mowed your fields, which you kept back by fraud, cry out; and the cries of the reapers have reached the ears of the Lord*

### **Where else do we see pharmakeia in the Tribulation?**

Speaking of the fall of end times Babylon, the political, economic, and religious system of the Antichrist...

Revelation 18:23 – *your merchants were the great men of the earth, for by your sorcery all the nations were deceived.*

Merchants are business people who made money off of their products, they are *the great men of the earth*. And these *great men* will deceive all the nations with their pharmakeia. Kind of like what happened with the Covid “vaccine.”

### **Is it only greed motivating the developers of bioweapons and their antidote?**

For many it is, but there are those involved who have a far grander agenda...

### **How might pharmakeia be connected to the Mark of the Beast?**

If the Covid vaccine was mandated for a person to keep their job (to be able to buy or sell), then a future injection could certainly be required by the Antichrist as part of swearing allegiance to him.

### **Why will people take the Mark of the Beast during the Tribulation?**

- If you don't take the Mark, you will not be able to even buy groceries; worse, you'll be considered an enemy of the state and hunted down to be executed.
- If you do take the Mark, you will be considered a good compliant citizen able to participate in the economy, but you will lose any hope of eternal life.

### **How is it those who take the Mark of the Beast will have no hope for eternal life?**

Revelation 14:9-11 – *Then a third angel followed them, saying with a loud voice, “If anyone worships the beast and his image, and receives his mark on his forehead or on his hand, <sup>10</sup> he himself shall also drink of the wine of the wrath of God, which is poured out full strength into the cup of His indignation. He shall be tormented with fire and brimstone in the presence of the holy angels and in the presence of the Lamb. <sup>11</sup> And the smoke of their torment ascends forever and ever; and they have no rest day or night, who worship the beast and his image, and whoever receives the mark of his name.”*

Taking the Mark of the Beast is apparently is an unforgivable sin.

### **How is it possible that taking the Mark of the Beast constitutes a sin that you can't repent of?**

Progressive transhumanists are driven to improve on the image of God by altering our genetic code. Jesus warned about this:

Matthew 24:37 – *as the days of Noah were, so also will the coming of the Son of Man be*

### **What characterized the days of Noah?**

Before the flood, people were oblivious to the coming judgment of God, they had no thought for God, were violent and... angels mixed it up with humans to create non-human entities (giants, Nephilim; Genesis 6:4). This was a demonic strategy to keep the “*Seed of the Woman*” (Messiah) from being born. That is why Noah and his family were chosen to survive the flood:

Genesis 6:9 – *Noah was a just man, perfect in his generations. Noah walked with God.*

So, if genetic code modification is going on during the Tribulation and is connected with taking the Mark of the Beast, this would explain why taking the Mark would disqualify a person from eternal life. Jesus died for humans, not transhumans.

- It is interesting that the COVID vaccines altered the RNA produced by human DNA... that is dangerously close to altering the genetic code.

### **Is it even possible for an injection to change human DNA?**

The technocratic elite may not know how to reliably change the human DNA today, but the fallen angels do... they've done it before trying to corrupt human DNA so that the Messiah (seed of the woman) could not be born.

- This resulted in the Nephilim (Genesis 6:4) and was one of the reasons God re-created the world with a flood.
- The fallen angels tried to prevent the coming of a human Messiah before, this time they are seeking to take as many people with them to hell as they can.

### **What applications do we see from this discussion?**

Covid revealed the game plan for end-times pharmakeia; we have to be close to the Tribulation!
