## **For Discussion: The NWO Religion: How The Woke Postmodern “Faith” Glorifies Evil**

### **How do we know there will be an end-times religion?**

Revelation 13:8 – *All who dwell on the earth will worship him, whose names have not been written in the Book of Life of the Lamb*

During the Tribulation, everyone who does not recognize Jesus as their Savior will worship the Antichrist.

- Worshiping the Antichrist is effectively worshiping demons and idols (Rev 9:20)
- The End Times Religion is described in Rev 17 (*Mystery Babylon the Great, the Mother of Harlots and of the Abominations of the Earth*).

### **What else does Scripture reveal about the End Times Religion?**

1 Timothy 4:1 – *Now the Spirit expressly says that in latter times some will depart from the faith, giving heed to deceiving spirits and doctrines of demons*

There will be apostasy (a falling away) from the Christian faith replacing it with doctrines of demons (salvation by works, universalism).

2 Timothy 3:1-5 – *in the last days perilous times will come: For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, unloving, unforgiving, slanderers, without self-control, brutal, despisers of good, traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, having a form of godliness but denying its power.*

This is quite the laundry list of ungodly traits with the bottom line, *having a form of godliness but denying its power...* virtue signalers with no relationship to Jesus!

### **Why might the ungodly object to being called religious?**

They associate religion with worshiping God which they reject. However, everybody has some sort of religion whether they recognize this or not.

- For those who deny they are religious, use the terms “worldview” or “ideology” instead.

### **Are we seeing the End Times Religion today?**

The term “End Times Religion” is what I’m calling it; Brandon Smith calls it the “New World Order Religion:”

*A “faith” built on the hatred of all creation, in which self worship is divine and reason is considered a punishable heresy...*

The End Times Religion will not be fully manifested until the Antichrist is on the scene; but we can see the stage being set for it in the spirit of Antichrist.

### **How are we seeing this End Times Religion?**

In the “woke movement...”

*The very core of the woke movement is fundamentally rooted in evil.*

The general definition of “evil” being a conscious act of deception and destruction, the deliberate victimization of others for the sake of personal power, pleasure and gain.

### **What does it mean to be woke?**

- Embrace Critical Race Theory – we have systematic racism that must be addressed.
- Transgenderism must be accommodated
- Naturalism is true (the Cosmos is all there is)
- Open borders are necessary
- Progressivism is the correct politics
- Climate Change is due to human activity
- Globalism is superior to Nationalism
- Socialism is superior to Capitalism
- Social Gospel is superior to Evangelicalism
- Universalism is superior to Fundamentalism

### **How is it that all creation is hated by the End Times Religion?**

Because ultimately Satan is behind it and he hates anything God has done. Hatred for creation is seen in the global warming movement which leads to...

- Geoengineering (polluting the earth, Rev 11:18)
- The war on coal & oil
- The desire for depopulation

### **What does the End Times Religion rebel against?**

Ultimately against God and His order and especially everyone's natural sense of right and wrong...

Romans 2:14-15 – *when Gentiles, who do not have the law, by nature do the things in the law, these, although not having the law, are a law to themselves, who show the work of the law written in their hearts, their conscience also bearing witness*

Everyone has God's law written on their hearts.

- Everyone knows that murder, stealing and adultery is wrong. Everyone has a moral sense of right and wrong that is universal.

### **What does the fact that everyone has the same basic morality tell us?**

This is evidence for creative design; proof that God did indeed write His Law on our hearts as Scripture says.

### **What role does having a free will have in applying our basic sense of morality?**

We are given the ability to choose and with choice comes the free will to do good, or evil.

### **How do those in rebellion against God view free will?**

For the ungodly (globalists, leftists and run of the mill psychopaths) free will means the ability to choose not to believe in natural morality or even objective truth.

- The defiance of truth goes beyond some misguided attempt to be free from societal judgment.
- evil people define freedom without responsibility as the ultimate state of being
- they view the capacity to inflict suffering and destruction as an evolutionary advantage.
- They think their lack of humanity makes them superhuman (more evolved).

### **What do the ungodly see as their core value?**

Leftists and woke activists are obsessed with power dynamics; their new religion ensures that they cannot see the world any other way.

- questions of right and wrong never enter into the equation. Power is the end that justifies all means.

### **What do the ungodly think of the natural moral order?**

They see moral order as an artificial construct that oppresses them.

- Moral relativism requires the victimization of others as a form of rebellion against order.
- Hypocritically, leftists like the idea of rules, but only for other people. Rules are a shield to prevent retribution from the people they victimize.

### **How is rebellion against the rule of law an end-times trend?**

The Tribulation will be characterized by lawlessness...

Matthew 24:12 – *because lawlessness will abound, the love of many will grow cold*

It is also the spirit of Antichrist...

2 Thessalonians 2:7-8 – *For the mystery of lawlessness is already at work; only He who now restrains will do so until He is taken out of the way. And then the lawless one will be revealed*

Daniel 7:25 – *He shall speak pompous words against the Most High, shall persecute the saints of the Most High, and shall intend to change times and law.*

### **From where did we get the moral relativism ideology?**

One theory is from "Postmodernism," a philosophy from the latter part of the 20th Century that rejects ideas of objective and universal truth.

- Postmodernism is cited as an ideological offspring of Marxism; a smug rebranding of the socialist agenda for consumption by the academic elite.

Another source is "Futurism", which was a precursor to the socialism in 20th Century Europe.

- Futurists believe that all old ideas are inferior and must be constantly replaced with new ideas in order for society to progress.

### **How did Postmodernism and Futurism begin?**

Both Postmodernism and Futurism started as artistic movements within the elitist fold. Both started as mind games for deconstructing natural morality.

- they were adapted by academia and ideological zealots into the realm of politics.
- If the inherent sense of good and evil can be deconstructed, then all the principles of our civilization can be deconstructed.

### **What results from a society with an ever-churning revolution against tradition, principles and reason?**

Chaos is the result. In many ways they even revere it.

- Postmodernism and Futurism both represent a psychopathic love affair with chaos.
- Without objective truth there can be no order, and without order evil prevails.

Chaos is hell on earth; a world without reason.

### **How is chaos demonic?**

1 Corinthians 14:33 – *For God is not the author of confusion but of peace*

The enemy of God seeks chaos and confusion to distract people from the God of order.

- Deconstruction & destruction is their strategy; "you can make an omelet without breaking some eggs"

### **What would motivate people to embrace such a monstrous social inversion?**

Luciferianism: an ideology of self-worship that venerates pride and believes SOME humans are gods trapped by the oppressive boundaries of nature and society...

Psalm 2:2-3 – *The kings of the earth set themselves, And the rulers take counsel together, against the Lord and against His Anointed, saying, “Let us break Their bonds in pieces and cast away Their cords from us.”*

It’s a common trait among psychopaths; the internal lust for godhood is a tale as old as the Bible.

### **Where in Scripture have we seen the rebellious inclination to be as God?**

- Lucifer was a servant who sought to replace God and rule the universe by his own standards.
- In Garden of Eden, the first humans coveted the power of knowledge without responsibility.
- The Tower of Babel is a tale of man’s foolish urge to build a great monument to himself in a vain effort to reach the divine.

### **What do Luciferians think of the idea of playing God?**

The idea that we should not “play God” is present in more than just Christianity but also in secular mythology.

Despite even popular media like Mary Shelley’s Frankenstein, Luciferians declare the opposite:

*They say yes, they will play god, and anyone that tries to stop them is an “inferior” that deserves to be eliminated.*

### **How do the Luciferians grow their movement?**

By fomenting chaos... The one thing evil people are most desperate to prove is that everyone else is just like them, given the right circumstances.

- Turn everyday life into hell and all morality goes out the window, at least in theory.

### **How does Postmodernism, Futurism, and Luciferiansim make up the End Times religion?**

- Postmodernism is a war on objective truth
- Futurism is a war on the past, cultural heritage and the conservation of traditional values and structures.
- Luciferiansim is a war on God; the denial of natural law and the refusal to accept that there are limits to human understanding and control.

### **What can be justified by those who have the End Times Religion?**

When a person adopts all of these beliefs together they are capable of any conceivable atrocity.

- There is nothing they won’t do to achieve the destruction of our current civilization.
- There is no crime they will not rationalize.

### **How is the war on truth and reason a strategy to attack the natural order?**

It puts power in the hands of moral relativists because a society that favors relativism will automatically favor people without moral restraint.

Isaiah 5:20 – *Woe to those who call evil good, and good evil; Who put darkness for light, and light for darkness*

The more vicious and predatory you are, the easier it will be to get ahead.

- Today we might try to discourage or punish this kind of behavior, but as time passes it is increasingly normalized.

### **What applications do we see from this discussion?**

- We can see the stage being set for the End Times Religion in the woke movement.
- The End Times Religion is rooted in pride and rebellion.
- The End Time Religion is the result of Postmodernism, Futurism, & Luciferianism
- The End Time Religion is an attack on truth & God.
