## **‘Rather Despicable’: John Eastman Speaks Out After Bank Of America, USAA Shut Down His Accounts**

John Eastman, once an attorney for former President Donald Trump, was de-banked twice in the span of several months by two prominent financial institutions, Bank of America and USAA, he told the Daily Caller. His accounts were closed as he faced substantial backlash for his work advising Trump around the time of the 2020 election.

## **The Feds Gave Banks Tools To Shut Down Your Accounts If You Buy Guns Or Bibles**

The same government pressure erecting an Iron Curtain around the Internet is also constructing a financial social credit system like Communist China’s inside the United States. Federal agencies gave banks automated censorship tools to flag as possible domestic terrorists any Americans who buy Bibles or support the enforcement of immigration law. . . .

## **Biden Regime Flagged Americans Who Shopped at Dick’s, Cabela’s or Who Bought Christian Bibles**

The House Weaponization Committee reported on Wednesday night that the Biden regime was targeting Americans who were shopping at Cabela’s and Dick’s and those Americans who may have recently bought a Bible! We are clearly witnessing the MOST GODLESS ANTI-CHRISTIAN regime in US history

## **Is The Banking Industry Going The Way Of Facebook Censorship For Conservatives?**

What happens when the platform that controls all your social interactions decides the content you post is not 'acceptable to community standards'? Beliefs such as marriage being between a man and woman, or that men are indeed men and women are women? Or that allowing minors to transition to another sex could be dangerous?

## **What is scary about debanking?**

People have to make financial transactions in order to exist in this world... it has been a long time since the days of bartering.

## **How are financial institutions able to justify debanking?**

ESG

- Environmental – using the fear of global warming to control people
- Social – dividing people by race, gender, ideology, religion to better control them
- Governance – agree with the globalist narrative or else

## DEI

- Diversity – a euphemism for multiculturalism... don't be a melting pot & don't assimilate (further divides us)
- Equity – not equality, equal outcomes... anti-meritocracy, pro-mediocrity
- Inclusion – Ignore differences (seems logically opposed to diversity) ...seeks to unify what should be separate

### What is the prophetic significance of debanking?

It signals the intentions of the ruling elite to use social credit scores to control people foreshadowing the mark of the Beast...

Revelation 13:17 – *that no one may buy or sell except one who has the mark or the name of the beast, or the number of his name.*

It forces people into one party, one mindset...

Revelation 17:13 – *These are of one mind, and they will give their power and authority to the beast.*

It will be used for persecution...

Revelation 13:15 – *He was granted power to give breath to the image of the beast, that the image of the beast should both speak and cause as many as would not worship the image of the beast to be killed.*

Jesus warned of increasing persecution as a birth pang...

Matthew 24:9 – *Then they will deliver you up to tribulation and kill you, and you will be hated by all nations for My name's sake.*

It sets people against each other to root out those nasty enemies of the state...

Matthew 24:10 – *And then many will be offended, will betray one another, and will hate one another.*

### What should we do in response to debanking?

Recognize that, for the most part, the targets of debanking are those who have public presence with large platforms of influence. But, pray for protection...

Psalms 16:1 – *Preserve me, O God, for in You I put my trust.*

Be Salt & Light (Matthew 5:13-16) and call-out those who are moving us closer to the tyranny of the Antichrist...

Isaiah 1:17 – *Learn to do good; seek justice, rebuke the oppressor* (see also Ephesians 5:11)

And temper that with keeping a low profile not bringing any more attention to yourself than necessary...

Proverbs 17:27-28 – *The one who has knowledge uses words with restraint, and whoever has understanding is even-tempered. Even fools are thought wise if they keep silent, and discerning if they hold their tongues.*

Take comfort in the promise of the rapture before the Holy Spirit ceases His ministry of restraining evil...

1 Thessalonians 4:17-18 – *Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall*

*always be with the Lord. Therefore comfort one another with these words.* (see also 2 Thess 2:7)

### How should a Christian respond to persecution?

Recognize that persecution is a stark reality of living the Christian life...

2 Timothy 3:12 – *everyone who wants to live a godly life in Christ Jesus will be persecuted*

Jesus said that, if they persecuted Him, they will also persecute His followers (John 15:20).

### Why do unbelievers feel compelled to persecute Christians?

Christians do not belong to the world, which is why the world engages in Christian persecution (see John 15:18-19).

- Christians are influenced by different principles from those of the world... We are motivated by the love of God and holiness, while the world is driven by the love of sin.
- It is our very separation from the world that arouses the world's animosity (1 Peter 4:3-4).
- We are a living reminder that without Christ, they are doomed to experience the Creator's wrath.

Romans 2:14-15 – *these, although not having the law, are a law to themselves, who show the work of the law written in their hearts, their conscience also bearing witness*

### Since all things work together for good to those who love God, what value does persecution have?

Philippians 3:10 – that I may know Him and the power of His resurrection, and the fellowship of His sufferings  
The persecution of Christians allows them to share in a unique fellowship with the Lord.

James 1:2-4 – *My brethren, count it all joy when you fall into various trials, knowing that the testing of your faith produces patience. But let patience have its perfect work, that you may be perfect and complete, lacking nothing.*

Christian persecution is good for believers... trials test the Christian's faith, develop endurance in his life, and help develop maturity.

- As steel is tempered in the forge, trials and persecution strengthen the character of believers.

Proverbs 27:17 – *As iron sharpens iron, so a man sharpens the countenance of his friend.*

Christian persecution enables believers to better value the support of true friends.

- Conflict can bring faithful children of God together in an encouraging and supportive way they might not have known otherwise.

### **What is Christian martyrdom?**

The dictionary defines a martyr as “a person who is killed because of his religious or other beliefs.”

- Interestingly enough, the English word martyr is really a word transliterated from the original Greek *martur*, which simply means “witness.”

### **If confronted by an Islamic terrorist who shouted, “recant Christianity or die” ...what would you do?**

Recognize that Jesus is calling me to be a martyr...

Matthew 10:33 – *whoever denies Me before men, him I will also deny before My Father who is in heaven.*

### **Should we be prepared to be a martyr?**

Consider this analogy: those in the military should understand that they may be in combat and thus called to die in the service of their country.

- This should be the mindset of everyone who joins the military.
- The same goes for the Christian. We are in a state of “warfare” (Ephesians 6:12-20), and our Lord may call upon any of us to witness and even be martyred for our faith. Thus, we must be prepared!

### **Should we seek martyrdom?**

Martyrdom is a great privilege if it is inevitable, but it is not to be sought...

Matthew 10:23 – *When they persecute you in one town, flee to the next.*

The early church continually fled from intense persecution (Acts 8:1; 9:25, 30; 14:6; 17:10, 14).

Matthew 10:39 – *Whoever finds his life will lose it, and whoever loses his life for my sake will find it*

He is not calling for people to make an attempt to lose their lives. Rather, He is calling us to be willing to lose our lives for His sake.

### **What is the difference between Christian and Islamic martyrs?**

The Christian does not seek martyrdom but accepts it for the glory of God; the Muslim seeks martyrdom for their own glory (salvation by works mentality).

### **What applications do we see from this discussion?**

- The debanking trend reveals we are very close to the Tribulation; our redemption draws near!
- Persecution will only increase; be ready!
