For Discussion: The Ancient Secret that Blows the Lid Off the UFO/UAP Mystery!

(Josh Peck; Prophecy Watcher; July, 2026)

How do we know the fallen angels are organized?

Ephesians 6:12 – *For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places*

There are different classes of fallen angels and there is a hierarchy under Satan.

Why is Satan referred to as the ruler of this world?

The Bible says so... Satan became the ruler of this world as a consequence for Adam & Eve's sin...

John 12:31 – *Now is the judgment of this world; now the ruler of this world will be cast out.*

2 Corinthians 4:3-4 – *But even if our gospel is veiled, it is veiled to those who are perishing, whose minds the god of this age has blinded*

1 John 5:19 – *We know that we are of God, and the whole world lies under the sway of the wicked one.*

What are spiritual principalities?

These are fallen angels assigned to a location such as the Prince of Persia who was a fallen angelic principality assigned influence over the Persian realm...

Daniel 10:20-21 – *I shall now return to fight against the prince of Persia; so I am going forth, and behold, the prince of Greece is about to come. "However, I will tell you what is inscribed in the writing of truth. Yet there is no one who stands firmly with me against these [forces] except Michael your prince.*

The Angel Gabriel had been delayed getting to Daniel to answer his prayer but was aided by the Archangel Michael. Other nations have angels assigned and these angels are warring against the fallen angels that Satan has assigned to them.

When did nations begin to have fallen angels assigned to them?

When did the nations begin? After the Tower of Babel incident...

Deuteronomy 32:8 – *When the Most High divided their inheritance to the nations, when He separated the sons of Adam, He set the boundaries of the peoples according to the number of the children of Israel.*

The Septuagint and other translations such as the Dead Sea Scrolls render the phrase "sons of Israel" as "sons of God" which is an Old Testament term for angels. This makes way more sense given the context because Israel did not yet exist as a nation in the aftermath of the Tower of Babel incident.

What were the people worshiping at the Tower of Babel?

The people were engaged in idolatry centered on a "mother-and-child" cult. They sought to build a gateway to the gods using the tower for astrology.

- Their aim was a one-world religious-political project that exalted mankind ("let us make a name for ourselves") rather than the true God.
- When God disrupted the project by confounding language and scattering the people, that mother-and-child religious pattern was exported into the nations that grew out of Babel.

How is it that the different ethnic races or nations resulted from the Tower of Babel?

When God dispersed the people by confusing their language, the people began to only associate with those whose language was close enough to their own so that that they could understand each other. Thus, the gene pool for each people group was more limited and certain distinct racial characteristics emerged.

Why would God have allowed fallen angels to be assigned to the nations coming out of Babel?

Since the people worshipped fallen angels as their gods, God allowed their fallen angels to continue with them so that they would experience the consequences and turn back to Him.

- It was basically as if God was saying "Okay, you don't want to worship me, but you want these fallen angels as your gods? Then you can have them over you in your own nations."
- God has always offered free will to humans and has always provided a way for humans to return to Him if they so choose.

How could this assignment of fallen angels among the nations account for the origin of the world's religions?

Each of these early nations would have their own fallen angels to influence them away from God in their own unique way.

How could this assignment of fallen angels among the nations help explain the purpose for Israel?

The verse immediately following what we already looked at, Deuteronomy 32:9, states: *"For the Lord's portion is His people, Jacob is the place of His inheritance."*

- God gave the people of the world what they wanted; to worship false and inferior gods.
- Yet, God still had a plan for people to return if they would so choose.
- The plan began with God taking His portion, Israel, who would bear the Savior the people of the world needed for eternal salvation: the Lord Jesus Christ.

What value is there in looking at what these national doctrines of demons say about the end times?

Fallen angels know the Scriptures. They know what God said will happen. But they put their own spin on it to advance their narrative. The best deception always has some truth to it.

- For example, Islam has their savior, al Mahdi, who is directly parallel to the biblical Antichrist. And they expect the "prophet" Jesus Christ will return to convince people to worship al Mahdi and thus bears a striking resemblance to the False Prophet of Revelation. (Jesus warned us about false Christs.)
- New Age spiritualists have foretold there will be a time when benevolent extraterrestrials will remove people from the earth who are holding back the next evolutionary growth spirit for humanity.

It is encouraging to see that even the evil spirits recognize the truthful nature of God's Word and seek to exploit it to serve their purposes.

How might Hinduism shed light on the biblical study of the end times?

Hinduism is polytheism with a myriad of various gods, which are really fallen angels masquerading as gods.

Mostly they have no comment on the end times but one in particular does...

- Vishnu is a Hindu deity of preservation, but what makes this god so interesting are his ten avatars. An avatar is how it represents itself to humans.
- It is said that nine of these avatars have occurred in the past and the final avatar will occur in the future.
- Vishnu descends in the form of the avatar Kalki to restore cosmic order.

The list of these Hindu avatars varies depending on region and sect, but the standard list is as follows:

- Matsya: The fish - Vishnu took the form of a fish to warn Vaivasvata of a great flood. Vaivasvata then built a boat to save his family and seven sages.
- Kurma: The tortoise - Vishnu took the form of a tortoise to support Mount Mandara to keep it from being used to make the devas immortal.
- Vahara: The boar: Vishnu took the form of a boar to return Earth to its original place, carrying it in his tusks after a demon took it to the bottom of the cosmic ocean.
- Narasimha: Half man/half lion: Vishnu took the form of a human with the head and paws of a lion to kill a demon with extraordinary powers.
- Vamana: Vishnu descended (in the form of a dwarf) to petition Bali for three strides of land, only to later turn into a giant.
- Parashurama: Axe warrior - The first immortal Hindu warrior-saint was born of earthly parents and given an axe by Shiva.
- Rama: Prince and king of Ayodhya rescued his wife Sita who was taken by a demon king.
- Krishna: A hero, said to ride a chariot pulled by four horses.
- Buddha: Founder of Buddhism is seen as a teacher of non-violence who led heretics and demons away from false teaching.
- Kalki: The final incarnation of Vishnu who will ride a white horse with a sword that blazes like a comet.

How might these avatars of the Hindu god Vishnu reflect the evolutionary narrative?

In 1877, Helena Petrovna Blavatsky published her first major work entitled *Isis Unveiled*, in which she interpreted these avatars as representing the progression of biological evolution:

- Matsya - FISH, the first class of vertebrates in water.
- Kurma - AMPHIBIOUS, living in both water and land
- Varaha - WILD LAND ANIMAL.
- Narasimha - HALF-ANIMAL and HALF-HUMAN BEINGS (indicates the emergence of human thoughts and intelligence in wild nature)
- Vamana - SHORT, PREMATURE HUMAN BEINGS.
- Parasurama - EARLY HUMANS using weapons.
- Rama - HUMANS LIVING IN COMMUNITY, beginning of civil society.
- Krishna - HUMANS PRACTICING ANIMAL HUSBANDRY, politically advanced societies
- Buddha - ENLIGHTENED humans.
- Kalki - ADVANCED HUMANS with great powers of destruction

How does the description of the final avatar of the Hindu god Vishnu align with the Antichrist?

Descriptions of Kalki seem to line up with both the Antichrist of Scripture and the Islamic end-time al Mahdi. In particular, the coming on a white horse.

Why would we expect the manifestations of fallen angels to align with the evolutionary narrative?

The theory of evolution is a doctrine of demons... it contradicts Scripture and leads people away from God.

How will the evolutionary worldview play an important role in end time events?

- If evolution is true, maybe humans can be further enhanced through DNA changes.
- Since mankind has discovered how to alter DNA, maybe we can influence and speed up natural evolution.
- Transhumanists seek to live forever through technology and altering their DNA.
- It is likely that contact with extraterrestrials will be the "strong delusion" that will explain away the rapture.

Jesus said that the time of His return would be as the days of Noah were: people being oblivious to the coming judgment of God, violence, evil thoughts continuously, human DNA being altered.

- It is likely the Mark of the Beast involves altering human DNA because it is not something that can be repented of.

What will become of these fallen angels that deceive the nations and seek to be worshiped as gods?

They will suffer the same fate as their leader Satan...

Revelation 20:1-3 – *Then I saw an angel coming down from heaven, having the key to the bottomless pit and a great chain in his hand. He laid hold of the dragon, that serpent of old, who is the Devil and Satan, and bound him for a thousand years; and he cast him into the bottomless pit, and shut him up, and set a seal on him, so that he should deceive the nations no more till the thousand years were finished.*

These fallen angels will be released to stir up the final rebellion at the end of the Millennial Kingdom then be thrown into the lake of fire as their ultimate demise:

Revelation 20:10 – *The devil, who deceived them, was cast into the lake of fire and brimstone*

What is the prophetic significance of fallen angels ruling over the nations?

The fact that fallen angels exercise influence over the nations explains why world history resists God's purposes and why the opposition to God's people, Israel and the gospel is so intense and persistent.

- This satanic opposition will only increase as we get closer to the Tribulation...

Revelation 12:12 – *Woe to the inhabitants of the earth and the sea! For the devil has come down to you, having great wrath, because he knows that he has a short time*

What applications do we see from our discussion today?

- Satan and his fallen angels rule the world through influencing human rulers.
- Fallen angels know the Scriptures and put their own spin on them to lead people away from God.
- The fallen angels' interpretation of apocalyptic Scripture is consistent with literal premillennialism.
