**For Discussion: Here's Why These Troubling Trends Mean Mass Chaos Is Likely Coming To The West...**

The probability that the prepping by multiple countries of their cattle citizens all over the world (US, UK, Germany, Australia, and I'm sure I'm missing others) for conscription is not coordinated is about 0%. It is obvious to anyone watching the shitshow of US and European politics. They are taking us all to war. We need to reject them at every level. If we do not, our future is bleak.

## **A Firm No!**

Let's see what's just happened in the last few weeks.

- **France:** Marine Le Pen's party trounced Emmanuel Macron's party in France, winning 34% of the vote, with Macron calling a snap election.
- **Belgium's** Prime Minister, Alexander De Croo, resigned after the right-wing in Belgium made gains.
- **Italy:** Giorgia Meloni's right-wing party is set to win the most seats in Italy.
- **Germany's** ruling coalition was defeated by conservatives, with AFD finishing second.
- **Ireland:** Numerous anti-immigration candidates were elected in Ireland.
- **Holland:** Geert Wilders' party in the Netherlands gained many seats to become the second largest party.
- In **Austria**, the right-wing FPÖ party doubled their number of seats to become the largest party.
- In **Spain**, the right-wing Vox party has become the third largest party with around 10% of the votes.
- **England:** Nigel Farage's Reform Party announced their manifesto:
  - Reject the WEF agenda
  - Cancel WHO membership
  - Reject cashless agenda
  - Laws to stop woke ideology
  - Free speech bill
  - Stop cancel culture
  - Scrap Net Zero
  - Fast-track nuclear energy
  - Support farmers
  - Scrap bans on fossil fuel cars
  - Tax system to support marriage
  - Opposed to CBDCs

## **Are people getting wise to the evil plans of the globalist visionaries?**

Apparently, but this doesn't mean that we are able to stop them; though we may be able to slow them down.

- Those in power have been acting against the will of the people for many years.
- The globalist visionaries are pretty confident of their success since they are talking openly of their plans.

## **How is it possible to slow down the plans of the globalist visionaries?**

The Holy Spirit is working through the church today to restrain evil...

*2 Thessalonians 2:7 – For the mystery of lawlessness is already at work; only He who now restrains will do so until He is taken out of the way.*

Certainly, one of the things the children of God should be doing is shining the light of truth on evil...

*Ephesians 5:11 – have no fellowship with the unfruitful works of darkness, but rather expose them.*

Ephesians goes on to describe the spiritual warfare that is raging all around us highlighting the full armor of God that has been made available to us.

*James 4:7 – Resist the devil and he will flee from you.*

## **Why is likely the apparent slow-down of globalist plans is merely an illusion?**

Because of all the passages revealing that end-time events will happen in quick succession...

- Jesus: as birth pangs (Olivet Discourse, Matt 24)
- Daniel: like a flood (Daniel 9:26)
- John: coming quickly (tachy – rapidly, Rev 22:20)

### **Why is it so unusual that politicians fulfill their campaign promises?**

2 Corinthians 4:3-4 – *if our gospel is veiled, it is veiled to those who are perishing, whose minds the god of this age has blinded, who do not believe, lest the light of the gospel of the glory of Christ, who is the image of God, should shine on them.*

Unseen powers and principalities influence those in power to act in opposition to God.

Psalm 2:2-3 – *The kings of the earth set themselves, and the rulers take counsel together, against the Lord and against His Anointed, saying, "Let us break Their bonds in pieces and cast away Their cords from us."*

There is a satanic conspiracy to bring the whole world under the rule of Satan's man, the Antichrist.

### **How do we know all the governments of the world are under the influence of Satan?**

When Jesus fasted in the wilderness in preparation for His ministry, Satan came to Him with three temptations... the third one was offering up all the kingdoms of the world if Jesus would worship him (Matthew 4:8-10). Jesus did not challenge the legitimacy of Satan being to offer up the kingdoms of the world but rebuked him for wanting to be worshipped. So, Satan does have rulership over the kingdoms of the world until a true New World Order is established when Jesus returns.

- In Daniel 10:12-13, we learn that the angel Gabriel was hindered in bringing an answer to Daniels prayer for 21 days by the prince of Persia... fallen angels are the puppet masters behind the worldly powers.

### **What indications are there that our national elections have been more like "selections" for years?**

Our national elections have been selections for years... Most conservatives are "controlled opposition" who have actually mostly governed as "progressives" when in power.

- Conservative rulers throw some bones to the conservatives and speak as conservatives but they govern as "progressives."
- The left versus right paradigm is a construct of the globalist elite to make it seem like we have a choice.
  - Nothing significant ever changes even when conservatives are in power.
- In reality today, we have a "uniparty" where the pendulum of power swings back and forth between Democrat to Republican giving the illusion of power to the electorate.

### **How do politicians become controlled opposition?**

The system is set up so that in order to get re-elected, they have to go along with the true powers behind the scenes (the deep state) when it really matters.

- Embarrassing information about them can be used to extort them to go along with the true powers.

### **If USA national elections are all fixed, why might the globalists have selected Trump as president in 2016?**

So that more people would respond favorably to the Covid "vaccine." Conservatives would be more likely to rebel if Hillary Clinton had advocated the "vaccine."

### **Why might the globalists select Trump as president in 2024?**

- To give the wacky left a reason to riot and engage in other civil disturbances
- It is more likely to spark a civil war
- People will be more willing to call for a state of emergency – martial law.
- Since he does not have to be re-elected, he could revert back to his former "progressive" perspective.

### **So, does this mean we are wasting our time voting or even risk voting for someone who will be aligned with the Antichrist?**

As children of God, we glorify Him when we are seen as good citizens, and good citizens vote. God will judge us based of how we vote so we should choose the candidate that has the greatest potential to restrain evil.

### **Why do the globalist elite want civil war and martial law?**

- If the USA is so consumed with domestic issues, we will be less involved in international affairs and thus be more compliant with globalism.
- People will be more willing give up their civil rights in order to have peace.
- It will enable the government to centralize more power.
- The government will have a pretense to crack down on "domestic terrorists" who are the political enemies of those in power.

### **Will the Antichrist be on the political right or left?**

Since the Antichrist is opposed to Christ and His Word, his policies will be more aligned with the left, but what he says will also appeal to the right. This must be the case because all the world will worship him...

Rev 13:8 – *All who dwell on the earth will worship him, whose names have not been written in the Book of Life of the Lamb slain from the foundation of the world.*

## **How will the Antichrist appeal to both the political left and right?**

The Antichrist will be a charismatic leader who will be able to sway the masses with his speaking ability. The Antichrist will be noted in his career for wonderful eloquence and will be able to capture the attention and admiration of the world.

Daniel 7:8 – *I was considering the horns, and there was another horn, a little one, coming up among them, before whom three of the first horns were plucked out by the roots. And there, in this horn, were eyes like the eyes of a man, and a mouth speaking pompous words.*

The Antichrist will be a gifted communicator who uses this ability to come to power...

Daniel 11:21 – *And in his place shall arise a vile person, to whom they will not give the honor of royalty; but he shall come in peaceably, and seize the kingdom by intrigue.*

The Hebrew word translated “*intrigue*” in the NKJV here would have been better off staying with “*flatteries*” of the original KJV. The word means “*flattery, slipperiness, fine promises, smoothness.*”

## **Bonus related topic: What does Daniel 11:37-38 reveal about the religion of the Antichrist?**

Daniel 11:37-38 – *He shall regard neither the God of his fathers nor the desire of women, nor regard any god; for he shall exalt himself above them all. But in their place he shall honor a god of fortresses; and a god which his fathers did not know he shall honor with gold and silver, with precious stones and pleasant things.*

He will appear to be irreligious (not regarding any god) and thus appeal to all religions. But in actuality, he will be seeped in idolatry...

- *the God of his fathers* – Many have thought he must be a Jew because of this language but he will probably be a Gentile... if a cultural Christian, he will deny the God of the Bible; if a cultural Muslim, he will deny Allah, the god of the Koran.
- *the desire of women* – a Hebrew term for the Messiah... all Jewish women wanted to be the mother of the Messiah. He will have no regard for the Messiah of Scripture.
- *exalt himself above them all* – he will seek worship for himself just as Satan did before Jesus
- *he shall honor a god of fortresses* – fortresses that could protect cities from enemies was the technology of that day... the Antichrist will honor technology which will give him his power to control people and thus be like God.
- *and a god which his fathers did not know* – this must be a new god unknown in ancient times... maybe extraterrestrial visitors?

## **What applications do we see from this discussion?**

- The apparent slow-down of globalist plans is likely only and illusion.
- Politicians disappoint us for good reason... Satan will be in control of governments until Jesus returns.
- Globalist visionaries are conspiring to neuter the USA and bring about global governance in preparation for the Antichrist.
- The Antichrist will appeal to both the political left and right.
