Why do people say, “what is the world coming to?”

The question implies that the world is subject to a series of uncontrollable events which mankind is a victim of.

- Naturally, if people believe that mankind is victimized, it absolves mankind from any responsibility for the state of the world.

A far better question to ask which correctly concludes that mankind is complicit in the evil taking place:

Psalm 2:1 – *Why do the nations rage, and the people plot a vain thing?*

Other translations of the Bible would say that the nations are restless.

Why is the sea used as a symbol for the Gentile nations in Revelation?

Revelation 13:1 – *Then I stood on the sand of the sea. And I saw a beast rising up out of the sea, having seven heads and ten horns, and on his horns ten crowns, and on his heads a blasphemous name.*

The land represents Israel but it is next to the sea of nations which has always been in turmoil as is often the case with the sea...

Isaiah 57:20 – *But the wicked are like the troubled sea, when it cannot rest, whose waters cast up mire and dirt.*

Are the nations restless today?

Nearly every nation that we see across the world is in the same tumultuous and rebellious state. It gives the picture of a restless sea that is constantly churning.

- It seems that in the last few years the nations have grown even more restless with their rage against God, Christians and God’s chosen people, Israel.

Why would the nations and its people rebel against the Almighty Creator God?

Although the details of this global conspiracy are largely hidden from our view, the Psalmist provides us with an insight into their fundamental goal...

Psalm 2:3 – *Let us break Their bonds in pieces and cast away Their cords from us.*

Whatever is talked about and decided at a leadership level, at the core of the decision making of the nations is the desire to act in open revolt against God to establish man as king of the earth.

What are the bonds and cords referred to in Psalm 2:2?

These are the principles in God’s Word which He has revealed to us to keep us from experiencing the consequences of sin when they are applied.

How are the nations conspiring against God?

The leaders of the world gather together at the United Nations with a supposedly measured and wise demeanor, but what they are actually doing is gathering together in the name of spiritual anarchy...

Psalm 2:2 – *The kings of the earth set themselves, and the rulers take counsel together, against the Lord and against His Anointed...*

Why is both “kings” and “rulers” mentioned in Psalm 2:2; isn’t this redundant?

The word “rulers” refers to those whose word carries weight. There are influencers who may not be officially in governmental power but who have power nonetheless.

Who do young people pay the most attention to?

Not parents, not pastors, not politicians – it is music stars, celebrities, movie stars, social media influencers.

- Their words carry enormous weight in the minds of young people today.

And what you see in the world is that at all levels of society – from political leaders to corporate boardrooms, to university presidents, to school principals, to cultural leaders and celebrities – they are all acting with one accord to say that they no longer want moral restraint.

- In other words, what was once unthinkable, what was once unacceptable, what was once unheard of, they now want to be unhindered.

Instead of being subject to God and His Word, what is the culture of world seeking to do?

In our present age, as the world's culture is shaking its collective fist against God, in effect saying that it wants to determine its own ruling system in place of what God commanded through His Word.

How is the culture of the world conditioning people to embrace the new morality of man?

Mankind has set out on a path of redefinition in order to condition people to accept moral law as dictated by godless rulers.

- The family has been redefined; marriage has been redefined; gender has been redefined; the origin of life has been redefined.

The purpose of this exercise is to develop the framework of a system founded upon spiritual rebellion.

- If you set out to upend the ruling system in the universe so that mankind becomes the highest ruling authority in place of God then with that comes an upending of the moral order.

What must be done in order to break free from the moral authority of God?

Isaiah 5:20 – *Woe to those who call evil good, and good evil; Who put darkness for light, and light for darkness; Who put bitter for sweet, and sweet for bitter!*

In order to convince people to follow their godless agenda, you must convince them that good is evil and evil is good.

- In other words, you must convince them that God's ways are bad and man's ways are good.
- That is why people support the immoral – they have been convinced it is good and if it is good, it should therefore be promoted and celebrated.

How are people being conditioned to embrace man's ways over God's?

The media continually reinforces the various narratives that are in rebellion against God.

- Evolution is not just a theory, it is Science
- Homosexuality has been normalized; transgenderism is being normalized, and pedophilia is next
- Biblical Christianity is extreme; Universalism is more tolerant
- Globalism is good; nationalism is bad

Who has influence over the cultural influencers?

Ephesians 2:2 – *you once walked according to the course of this world, according to the prince of the power of the air, the spirit who now works in the sons of disobedience*

Ultimately this is referring to Satan whose doctrine of demons seeks to lead people away from God.

- *prince of the power of the air* – the airwaves!

How must people regard God who choose a path of ungodliness and unholiness?

God calls us to revere and delight in His Word, but for those who reject God's Word, they are also rejecting God's authority in their life.

- They are not just rejecting God's Word; they are rejecting God Himself.

What is the problem with joining with the world in celebrating the rejection of moral restraints?

This is nothing to celebrate because the same people who cry for freedom from God's moral authority will be the same ones who, like the rich man in Luke 16, will eventually cry, *"I am tormented in this flame."*

- If they persist in this rebellion, the time will come when their fate is sealed. They have rejected the free gift of salvation and with it, any eternal hope.

What will result from mankind plotting against God?

The Tribulation... God will give mankind over to the natural course of rejecting Him. And the result will be the wrath of God.

- This is God's Great Reset, preparing mankind for a totally New World Order: The Millennial Kingdom.

What should people do who are following the way of the world's culture in casting off God's restraints?

Repent...

Psalm 2:12 – *Kiss the Son, lest He be angry, and you perish in the way, when His wrath is kindled but a little. Blessed are all those who put their trust in Him.*

This same exhortation is stated another way:

John 3:36 – *He who believes in the Son has everlasting life; and he who does not believe the Son shall not see life, but the wrath of God abides on him.*

The formula is simple: if you reject the Son, you will receive the wrath.

What applications do we see from this discussion?

- The greatest conspiracy is to collectively reject God; don't get caught up in it.
- The greatest cultural influencers are not necessarily those with political power; be wary of the media!
- God's bonds and cords are given for our benefit; apply them!
