**Global Tyranny** – You must demonstrate allegiance to the State by complying with their mandates. If not, you will be incarcerated for re-education, and if that fails, permanently cancelled. We all know what concentration camps lead to.

*Daniel 7:23 – The fourth beast shall be a fourth kingdom on earth, which shall be different from all other kingdoms, and shall devour the whole earth, trample it and break it in pieces.*

We've always had pockets of tyranny in human history but there have always been places of freedom where people could escape to.

- Under a global tyrannical government, there will be no places of freedom.

## **Globalists Make Push For COVID Concentration Camps**

As Rochester First reported this past Wednesday, oral arguments were held Wednesday morning in an appeal case over quarantine regulations relative to COVID by the NY Department of Health over a regulation that would allow the Commissioner of Health to issue isolation or quarantine orders to control the spread of a communicable disease.

With the state of New York seeking the power to quite literally FORCE New York residents to be quarantined or thrown into 'quarantine camps,' these are nothing less than concentration camps!

## **Cashless Economy**

Revelation 13:16-17 – *He causes all, both small and great, rich and poor, free and slave, to receive a mark on their right hand or on their foreheads, and that no one may buy or sell except one who has the mark or the name of the beast, or the number of his name.*

## **Banks canceling coin dealers without explanation**

A number of coin shop owners in the United States have reported recently that their bank accounts have been shut down without explanation.

## **Is The Banking Industry Going The Way Of Facebook Censorship For Conservatives?**

What happens when the platform that controls all your social interactions decides the content you post is not 'acceptable to community standards'? Beliefs such as marriage being between a man and woman, or that men are indeed men and women are women? Or that allowing minors to transition to another sex could be dangerous?

**Globalist Geopolitics** – If the world is to have a global government, there can be no national borders. So, God's work establishing nations must be undone...

Acts 17:26 – *He has made from one blood every nation of men to dwell on all the face of the earth, and has determined their preappointed times and the boundaries of their dwellings*

Also, it is a strategy to break wealthy nations by overwhelming them with needy immigrants so that they will be more open to globalist solutions. And that is the spirit of antichrist...

Daniel 8:25 – *He shall destroy many in their prosperity.* Immigration invasions are not just for the USA...

### **Italy's Great Replacement: Over 10,000 Military-Age African Men Invade the Shores of Lampedusa in Three Days**

European Union elites are once again utilizing mass migration to replace European populations, resulting in shocking demographic impacts that profoundly affect European countries' national and cultural identities. Migrants are being used by the left-wing elites and those posing as conservatives to dilute host cultures, ensure more votes, and seize power.

**Global Socialism** – Capitalism is on the way out to be replaced with socialism despite its track-record of causing misery and deprivation where ever it is tried. But thanks to evolution, we are now smarter than all who've gone before us and implementing it on a global scale is bound to work better this time... WEF: "You'll own nothing and be happy."

Daniel 11:24 – *he shall disperse among them the plunder, spoil, and riches; and he shall devise his plans against the strongholds*

### **Chicago's Dem Mayor Brandon Johnson now wants to create city-run grocery stores to promote 'equitable' access to food after Walmart and Whole Foods close stores**

**Transgender Philosophy** – This is an abomination to God who created us in His image, either male or female (Genesis 1:27). Transgenderism is anti-God at its core...

Psalm 2:2-3 – *The kings of the earth set themselves, and the rulers take counsel together, against the Lord and against His Anointed, saying, "Let us break Their bonds in pieces and cast away Their cords from us."*

The transgender philosophy is irrational and ironic that it is usually held by the "follow-the-science" crowd. It is a manifestation of the third phase of God giving people over to themselves...

Romans 1:28 – *And even as they did not like to retain God in their knowledge, God gave them over to a debased mind, to do those things which are not fitting*

Transgenderism is also a manifestation of the spirit of the antichrist elevating the authority of the State over parents:

Daniel 7:25 – *He shall... intend to change times and law*

As Transgender philosophy becomes more pervasive in society abusing and mutilating children, it is sure to trigger God's wrath...

Matthew 18:6 – *whoever causes one of these little ones who believe in Me to sin, it would be better for him if a millstone were hung around his neck, and he were drowned in the depth of the sea*

### **California To Remove Kids From Parents Who Oppose Disfiguring Them**

The California legislature passed a bill Friday that would threaten parents with losing custody of their children if they question their child's supposed desire to undergo disfiguring hormone regimens or surgeries to appear more like the opposite sex.

**Global Warming** – it is the height of arrogance to think the activities of mankind changes the climate. It is God who is in control...

Genesis 8:22 – *“While the earth remains, seedtime and harvest, cold and heat, winter and summer, and day and night shall not cease.”*

Unprecedented weather is a sign to the spiritually discerning that we are getting close to the end of the Age:

Luke 21:25-26 – *And there will be signs in the sun, in the moon, and in the stars; and on the earth distress of nations, with perplexity, the sea and the waves roaring; men's hearts failing them from fear and the expectation of those things which are coming on the earth, for the powers of the heavens will be shaken.*

If human activity is causing global warming, the true believers will have to conclude the best way to deal with it is depopulation. Indeed, the Georgia Guidestones wants to “sustain” the population of Earth at 500M people. Since there are currently 8B people currently on Earth, the globalists seek a 94% reduction in the population. This is a doctrine of demons...

John 8:44 – *You are of your father the devil, and the desires of your father you want to do. He was a murderer from the beginning, and does not stand in the truth, because there is no truth in him.*

**Apple’s creepy new climate change ad proposes killing all of us to “save the planet”...**

Apple declares that their goal is to permanently remove all carbon from the atmosphere.” That would destroy life on the entire planet. Carbon Dioxide is essential for plants to grow thus replenishing Oxygen in the atmosphere.

**Transhumanism** – If evolution is true, then it follows that humans can be made better by modifying the code of life, our DNA. While the mRNA “vaccines” do not change our DNA, they do alter the RNA the DNA produces, a major step in that direction. The Bible says the nations will be deceived by pharmakeia (sorceries) during the Tribulation (Revelation 18:23) and that these drugs are associated with plagues and murder:

Revelation 9:20-21 – *But the rest of mankind, who were not killed by these plagues, did not repent of... their murders or their sorceries or their sexual immorality or their thefts.*

Revelation 9:18 identifies three plagues responsible for a third of the population of the planet being killed: Fire, Smoke, Brimstone. It occurred to me that these three plagues may represent the three forms of Weapons of Mass Destruction humans have developed: Nuclear, Biological, and Chemical. Fire represents Nuclear; Smoke is Chemical (certainly the case for Field Artillery munitions); and Brimstone is Biological (sulfurous rotten-egg smelling well water is due to a bacterial bloom in the well).

**The Latest COVID Jab Rollout**

Pfizer documents released by the FDA in response to a lawsuit have also revealed that in the first three months of the rollout (December 2020 through the end of February 2021), Pfizer received 42,086 adverse event reports, including 1,223 deaths. The 1976 swine flu vaccine was pulled after only 25 deaths.

**Cancers erupting in ways ‘never before seen’ following COVID shots**

For example, he said, there have been "25-year-olds with colon cancer, who don't have family histories of the disease – that's basically impossible along the known paradigm for how colon cancer works..." And there are other "latency" cancers being seen. He explained cancers usually take time to develop, from two years to 30 years. But that's changed, and he observed, "There has to be some initiating stimulus to why this happens."

**Birth Pangs** – Jesus said there would be an increasing frequency and intensity of signs leading up to His return to Earth at the end of the Tribulation. Among those He mentioned were pestilences (viral pandemics):

Matthew 24:7-8 – *And there will be famines, pestilences, and earthquakes in various places. All these are the beginning of sorrows.*

**A Virus That Has A Death Rate Of 40 To 75 Percent Is Infecting And Killing People In India**

For years, the World Health Organization has considered the Nipah virus to be a “priority pathogen” because it has the potential to cause a worldwide pandemic. Thankfully, up to this point that has not happened, but now an outbreak in India is making headlines all over the globe.
