

Desert Rose

Women's Metal

Colors: Brown, Rose Gold

EYE	DBL	TEMPLE
50	16	135mm

What was old is new again and called "vintage". Every office, practice and store has patients/customers looking for a style like the new **Desert Rose** by Karen Kane, and while you might envision this style to appeal to the more mature women, **don't be surprised to see your 20 somethings wearing this.**

Jujube

Women's Combination

Colors: Purple Demi, Tortoise

EYE	DBL	TEMPLE
54	16	135mm

Super thin, super light and super cool! Combining a flattering, **thin profile acetate front** with super thin spring hinged metal temples. The **Jujube** will be a hit! Two great color offerings of **Purple Demi** and **classic Tortoise**. This sale will be popular with 30 somethings and up.

Rosary Pea

Women's Zyl

Colors: Lilac Multi, Red Multi

EYE	DBL	TEMPLE
53	17	140mm

Please take note of the **beautiful acetate used on the front of the Rosary Pea**. This **handmade Italian zyl** is sure to stand out on your frame board along side the black, tortoise and brown zyls that reside there currently. Combined with either a **red or lilac spring hinged temple**, the **Rosary Pea** won't be ignored.

Yucca

Women's Metal

Colors: Brown, Green

EYE	DBL	TEMPLE
49	16	130mm

Karen Kane PETITES

The new petite frame from Karen Kane offers your smaller woman patient a **classic design while still allowing her to wear progressive lenses**. Note the subtle metal overlay, which sits atop the thin metal eyewear. Just another tasteful addition to this very popular designer collection.
