

# New Releases for September 2021

## Cookei

Women's Zyl • Colors: Brown, Violet

Karen Kane PETITES

EYE	DBL	TEMPLE
49	15	130mm

The first thing that you'll notice about the new Karen Kane Petite style, Cookei, are the colors. This style was produced using **two unique handmade acetate colors (Brown and Violet)**. Note the tasteful accent piece that transitions from the frame front to the spring hinge temples, finishing with a single **Austrian crystal**.

## Franklinia

Women's Metal • Colors: Black, Brown

Karen Kane PETITES

EYE	DBL	TEMPLE
49	16	135mm

A beautifully designed new metal from the Karen Kane Petites collection, the **Franklinia** is thin, lightweight and striking. Perfect for your petite patient looking for a **metal style that offers a minimalistic look**.

## Lingonberry

Women's Zyl • Colors: Blue, Sangria

EYE	DBL	TEMPLE
53	17	135mm

The **Lingonberry** is a WOW frame! A high fashion designer style often seen in optical boutiques priced at \$400. This Karen Kane beauty will cost less than half that. Note the extraordinary colorations of this design, the **flattering upsweep of the front and how comfortable it feels on**.

## Lovage

Women's Metal, Semi-rimless • Colors: Black, Violet

EYE	DBL	TEMPLE
52	17	135mm

One combination trending in 2021 is that of women's metal semi-rimless styles. **The Lovage is a flat metal semi-rimless style**, designed to be noticed. **Able to accommodate full progressive lenses**, the frame is **lightweight**, and offers a clean and graceful look.
