

Algernon

Men's Zyl

Colors: Brown, Navy

<u>EYE</u>	<u>DBL</u>	<u>TEMPLE</u>
54	15	140mm

Thin profile with a **classic shape** and the comfort of **high spring hinge temples and high bridge**. The **Algernon** is ideal for the man looking for a **sensible pair of glasses** and maybe a thinner pair than the formerly popular geek chic look.

Men's Metal

Colors: Black, Brown

<u>EYE</u>	<u>DBL</u>	<u>TEMPLE</u>
53	17	140mm

A very handsome full men's metal featuring a **colored brow bar on the top**, with a **second solid color on the bottom**. Note the **masculine spring hinged temple design** not usually found on frames with a suggested price of under \$100.

Women's Metal

Colors: Black, Wine

<u>EYE</u>	<u>DBL</u>	<u>TEMPLE</u>
53	15	135mm

Continuing the tradition of over delivering in quality and design for a **value priced frame**, we introduce the Richard Taylor Scottsdale **Gwendolen**. A beautiful women's metal frame with a two-toned front combined with comfortable **spring hinge acetate temples**. Note the **cool colorful acetate pattern on the inside of the temple**. Price this at \$99.00 and watch it fly off your frame boards.
