

Recreation Program Assistance Eligibility

Who qualifies? Any GDRD resident (0-17) who meets the age requirements of the specific program, who would not otherwise be able to pay for the program, or for whom payment would result in the family applying money which should be used for other pressing needs, or is referred to the program to provide benefits that would assist in reducing the child from being “at-risk”.

The family income must be under a certain amount patterned after the formula established by the State Department of Education for subsidized programs as currently reflected in the table below:

Family Size	1	2	3	4	5	6	7	8
Monthly Income	\$1575	\$2111	\$2648	\$3184	\$3721	\$4257	\$4794	\$5330

The Application and Selection Process

The parent or legal guardian of a candidate must complete the Recreation Assistance Fund application and **submit proof of income or verification that the family is receiving state or federal aid, or otherwise meets income eligibility.** Applicants will be notified ASAP after submitting an application.

The Recreation Assistance Fund is provided by local organizations, businesses, and individuals. There may not be enough funds to provide for all families who meet eligibility requirements.

Commitment on the part of the family and individual or participant in the program once assistance is provided is very important. For this reason, all recipients, who receive 100% support, will be strongly urged to contribute a small amount back into the fund when they are able, or to provide volunteer services to the GDRD in a manner mutually agreed upon.

GDRD will provide eligibility verification for GDRD Community Partner activities, so that the Community Partner group can provide for reduced fees.

The GDRD General Manager will be responsible for administering the Recreation Assistance Fund. **At all times, the dignity and privacy of applicants and their families will be respected throughout the process.**

VERIFICATION:

Applications must be accompanied by copies of the following:

- Valid driver's license or identification card
- A utility bill (i.e. electricity, water, refuse)
- First page of a current 1040 Federal income tax return form and supporting W-2's or other tax form that verifies annual total household income
- Current pay stub

The GDRD, at its sole discretion may accept other forms of income verification. All applications and attachments are confidential and filed with the GDRD for the exclusive purpose of issuing the Youth Program Assistance.

PROGRAMS ELIGIBLE FOR ASSISTANCE:

Programs directly offered by the GDRD will be offered at a discount to children of **resident** families that complete the **APPLICATION FOR REDUCED PROGRAM FEES FOR GDRD RESIDENTS** and are eligible for the reduced fees. The GDRD reserves the right to limit eligibility. Commitment on the part of the family and individual or participate in the program once assistance is provided is very important. For this reason, all recipients, who receive 100% support, will be strongly urged to contribute a small amount back into the fund when they are able, or to provide volunteer services to the GDRD in a manner mutually agreed upon.

The dignity and privacy of applicants and their families will be respected throughout the process and at all times.

NONDISCRIMINATION:

Children that receive reduced program fees will be treated in the same manner as those children who pay full price for the same service. No child will be discriminated against because of race, sex, color, national origin, age, or disability. Family members will be asked to present proof of a GDRD issued youth program assistance when registering for or attending approved activities.
