Please answer the following questions. If any questions don't apply to your project, please write N/A and provide a brief explanation. If more space is needed, please attach a separate page.

1. How many students or community members participated this year in this project?
2. What was the average amount of time participants were involved in all aspects of this project?
3. How did it go? What were the successes? What were the challenges?
4. How were the funds used and did you have other funding sources? Please attach receipts.

5. What did you learn during the project? Do you plan to change any of these strategies for next year?

6. How do you plan to share this project in the community? (Garden Club Meeting, school assembly, newspaper article). Project photos are required. Possible site visit by Grant Committee Members.

7. Would you encourage others to apply for a Divide Garden Club Mini- Grant? Why/why not?
