3:02 Nepotism

Policy:

Persons may not be employed when they will be subject to the hiring or supervision of or a member of their family. Youth Focus prohibits the hiring of board members or the family members of board members. For the purposes of this policy, family is defined as any person related to the employee by blood, marriage, or adoption in the following degrees: parent, child, sibling, spouse, grandparent, grandchild, in-law, aunt, uncle, or cousin.

3:03 Outside Employment

Policy:

Except as provided below, Youth Focus neither encourages nor objects to employees holding outside employment with an entity other than Youth Focus. Outside employment shall include but is not limited to:

- the ownership or operation of a business;
- employment as a consultant or advisor; and/or
- employment in another social services-related agency.

However, such employment must not conflict with the performance of assigned Youth Focus duties, take place during an approved family or medical leave of absence, nor be in competition with Youth Focus.

Procedures:

1. Youth Focus' determination of whether the outside employment is acceptable depends upon the specific duties of the employee and the actual or potential relationship between the outside employer and Youth Focus.
2. Employees must report all outside employment to the Executive Director, Human Resources Director or his/her designee. The Executive Director must report any outside employment he or she has to the Chairman for the Board of Directors.
3. If a conflict of interest is found to exist, the situation will be discussed and corrective action to eliminate the conflict of interest will be taken by either the employee or Youth Focus, including but not limited to the employee's resignation from such outside employment or his/her termination from employment at Youth Focus.

3:04 Probationary Period

Policy:

All newly hired employees and employees who are transferred or promoted to a new job within Youth Focus shall be placed in a probationary status. As a disciplinary tool, employees may be returned to a probationary status. Upon successful completion of any probationary period, the employee shall continue to be subject to employment at will.

Procedures:

1. The initial probationary employment period will be six months. The period may be extended or reinstated on a case-by-case basis in the sole discretion of the Human Resources Director and/or Executive Director.
2. During the probationary period, the employee's job performance will be monitored on a regular basis by the supervisor.
3. Prior to the conclusion of this period, a written performance appraisal will be conducted. The written appraisal shall be placed in the employee's personnel file.

3:05 Pre-Employment Drug Testing

Policy:

Within two weeks of receiving a conditional offer of employment, all applicants for employment will be required to submit to pre-employment drug testing by a laboratory approved under state law. If the test result is positive for the presence of illegal drugs, the applicant will not be hired.

Each applicant will be required to sign a consent form, consenting to the test and authorizing Youth Focus to obtain records relating to such pre-employment drug testing as well as other drug testing that may be required during the period of employment with Youth Focus.

Procedure:

1. After receiving a conditional offer of employment, Youth Focus staff will have the potential employee sign the consent to drug testing and release of information form.
2. The initial pre-employment drug testing may only be performed at the approved testing center designated by the Executive Director or Human Resources Director. Youth Focus will pay for the cost of any initial pre-employment and for-cause drug testing.
3. If the employee's initial screen shows a positive result, the sample will be submitted for a confirming test by the approved laboratory utilizing gas chromatography with mass spectrometry or an equivalent scientifically accepted method.
4. If the confirming test produces a positive result, the laboratory will preserve a portion of the sample for 90 days from the date the results of the test were mailed or otherwise delivered to the Agency. The employee has the right to have his or her sample re-tested by the same or another approved laboratory at the employee's expense. To exercise this right, the employee will need to submit a written request to the Executive Director.
5. Applicants and employees are not required by law to submit to the test. However, if an individual refuses to submit to the test or tries to avoid the test or to affect the results of the test by any trick or device, the individual will not be hired or the employment of such individual will be terminated.

3:06 Drug & Alcohol Testing

Policy:

Youth Focus may require an employee to undergo drug and/or alcohol testing during employment. Any employee whose appearance, behavior or performance leads a supervisor or a member of management to have reasonable cause (as defined below) to suspect that the employee is under the influence of drugs or alcohol while on duty shall be subject to drug and/or alcohol testing.

Definitions:

1. "Under the Influence" means, for the purposes of this policy, that the employee is affected by a drug or alcohol or the combination of a drug and alcohol in any detectable manner, except prescription drugs properly used by an employee under a physician's care.
2. "Drug" means any drug which is not legally obtainable, or which is legally obtainable but is not being legally used or is being abused. The term includes, but is not limited to, prescribed drugs not legally obtained and prescribed drugs not being used for the prescribed purposes.
3. "Reasonable cause" means that Youth Focus has reason to believe the actions, appearance and/or conduct of the employee are indicative of the use of an illegal drug or being under the influence of alcohol. Youth Focus will only conduct reasonable cause testing when there are objective facts and reasonable inferences which can be drawn from those facts. The objective facts and inferences may be based upon, but are not limited to, the following items: (i) observable phenomenon such as direct observation of drug or alcohol use and/or the physical symptoms or manifestations of being under the influence of a drug or alcohol; (ii) abnormal conduct or erratic behavior while at work; (iii) a report of drug or alcohol use provided by a reliable and credible source; (iv) evidence that an employee is involved in the use, possession, sale, solicitation, or transfer of drugs or alcohol while on the job, or on company premises, or (v) the occurrence of an accident or "near accident" while on the job. Below are examples of behaviors that may constitute reasonable cause, but this list is not exhaustive:
 - a. The smell or odor of alcohol on the individual;
 - b. Strange or erratic behavior significantly different from the

- employee's normal behavior;
- c. Bloodshot eyes or dilated pupils;
- d. Excessive grogginess or excessive giddiness;
- e. Inability to stand or walk normally; and/or
- f. Slurring speech.

Procedure:

Any employee who is undergoing medically prescribed treatment with a prescription drug that may affect the employee's ability to perform on the job must report this treatment to his or her supervisor prior to beginning work. Failure to do so may result in disciplinary action, up to and including termination.

Any supervisor or member of management who has reasonable cause to believe that an employee is under the influence of a drug or alcohol shall require that the employee be tested by a qualified laboratory for the presence of such drugs and/or alcohol. Testing will be conducted in accordance with all applicable laws. Any employee who refuses such testing shall be subject to termination.

Whenever possible the supervisor or member of management shall have at least one other employee witness the behavior of the employee in question. After it has been determined that reasonable cause exists, the following steps should be followed:

1. The supervisor should then conduct a private meeting with the employee to address the impairment or suspicion of use. In some cases, the supervisor may determine that it is appropriate to include another supervisory staff member in this meeting. When possible, the Executive Director should be notified prior to the meeting. When this is not possible, notification should occur as soon as possible.
2. If the employee admits to alcohol or drug use in violation of this policy, he/she is to be suspended from work without pay, pending investigation. This investigation will be made by the Executive Director and/or the supervisor. Outcomes may include referral to a treatment program and/or disciplinary action up to and including termination.
3. If the employee denies the use of drugs or being under the influence of alcohol while working, with the approval of the Executive Director, he/she is

to be referred immediately to a designated testing facility and given the opportunity to prove that he/she is not under the influence of alcohol or drugs through approved testing. The employee is to be suspended from work, without pay, pending test results and investigation. Transportation to the designated testing facility will be provided by Youth Focus.

4. If, after testing, the results are negative, the employee may return to work and receive payment at the base rate for the hours the employee was scheduled to work while on suspension. The returning employee will meet with his/her supervisor, who will discuss the situation and determine if additional action needs to be taken.
5. If the results are positive, the employee will continue on suspension without pay pending an internal investigation. This investigation will be made by the supervisor and/or the Executive Director. The results of such internal investigations may include disciplinary action, up to and including termination.
6. The employee may refuse to consent to these tests. If the employee refuses to submit to testing or attempts to alter the outcome of testing, he/she will be suspended without pay pending further review by the supervisor and the Executive Director. The employee's work history, job responsibilities and performance will be considered in this review. However, refusal may be construed as insubordination and be grounds for disciplinary action, up to and including termination.

Any employee with a positive drug or alcohol screening test and who disagrees with the results thereof may, at their expense, immediately notify Youth Focus that they want the original specimen retested. Any employee requesting a retest of the original specimen will be responsible for the expenses of the retesting and informing the lab which performed the original test of this request. The employee will be reimbursed for these expenses if the retest is negative.

Confidentiality

All information regarding test results will be confidential. Only designated management personnel will have access to this information. Test results will not be provided without written consent from the employee as required by law.

3:07 Voluntary Non-Compensated Work

Policy:

Professional (exempt) employees are permitted, but not required, to volunteer in Youth Focus programs where volunteering is not similar to their job responsibilities.

3:08 Employment References

Policy:

All requests for employment references shall be directed to the Human Resources Director or the designee of the Human Resources Director.

Procedure:

Information released will be limited to factual information contained in the employee's personnel record.

4:01 Work Week and Hours of Work

Policy:

Youth Focus shall establish the time and duration of working hours as required by the work load, program service needs and the efficient management of human resources.

Procedures:

1. The normal work week is usually five days, Monday through Friday, 8:00 AM to 5:00 PM, totaling 40 hours, exclusive 1 hour daily for lunch. Hours of work may include time for planning and preparation, staff meetings, program coverage, supervisory conferences, training sessions and any activity where an employee officially represents Youth Focus.
2. For non-exempt employees, overtime is work beyond 40 hours during the Agency's work week. All overtime work requires the prior approval of the supervisor. If an employee works unapproved time, he or she will be subject to disciplinary action, up to and including termination.
3. Overtime compensation is determined in accordance with the provisions of the Fair Labor Standards Act ("FLSA") and will be paid at a rate of time and one-half.

4:02 Pay Periods

Policy:

Exempt employees shall be paid twice monthly on the 15th and the last day of each month. Non-exempt employees shall be paid every two weeks. Youth Focus complies with all federal, state and local laws governing compensation of employees, including but not limited to the FLSA. Improper deductions from pay are prohibited. No employee shall be disciplined for voicing a concern in good faith regarding an error in the calculation of his/her pay.

Procedures:

1. If the regular payday occurs on a Saturday, Sunday or holiday, employees will be paid on the last business day immediately preceding the regular payday.
2. Employees who believe that a deduction has been made from their pay improperly should contact the Human Resources Director to voice their concerns. The Human Resources Director will investigate the matter and make a decision with respect to the deduction from pay.
3. Employees will be reimbursed for any deduction determined to have been made improperly and the Agency will endeavor not to make the same mistake in the future.

4:03 Inclement Weather

Policy:

Given that a majority of Youth Focus' programs are 24/7 facilities that require continual staffing, we are not in a position to close or otherwise alter the work schedule due to inclement weather. As a result, employees must use their own best judgement in reporting to work or leaving early during inclement weather.

Procedures:

1. Residential programs depend upon uninterrupted staffing in order to ensure the safety of the clients in those programs as well as to meet mandated staffing ratios that must be maintained at all times. Staff members scheduled to work at residential programs during inclement weather are expected to make every effort to be present for their scheduled shifts. The importance of this is heightened by the fact that staff already present in the programs during a weather event are not authorized to leave the facility until they are relieved by incoming staff members.
2. Staff will notify their immediate supervisor in a timely manner if they believe inclement weather will affect their attendance at work. Staff should verify in advance what the time requirements are for reporting an absence or tardiness for all of the programs within which they work.
3. If inclement weather affects attendance, employees can be paid for missed hours through the use of vacation leave, petty leave, compensatory time, or banked holiday hours. Employees may have the chance to make up the missed time if work schedules permit and the request is approved in advance by their supervisor. If none of these stated options are available, the hours would be accounted for as unpaid leave and this needs to be communicated to the administrative office at a minimum of 5 days prior to the next scheduled payroll.

4:04 Accidents/Injuries - Reporting Procedures

Policy:

There shall be a formal process for reporting client, visitor, and employee (job-related) injuries, steps to take in the event of an injury, and procedures to address any risk management issues which may be involved.

Procedure:

Employee Accidents

1. All job related accidents, injuries, and occupational illnesses, regardless of how minor, must be immediately reported by the employee to his/her immediate supervisor or the department head. At that time, an Incident/Injury Report must be completed by the employee or the supervisor if the employee is unable to complete the form. All requested information on the form must be provided.

If the employee requires no medical attention, the Incident/Injury Report form should be sent directly to the Human Resources Director.

If the employee requires medical attention, the employee will be referred to an authorized health care provider. If a serious injury is involved, the employee should be referred to the nearest emergency room. The Human Resources Director authorizes visits as appropriate.

2. Appropriate reporting procedures to OSHA and the Industrial Commission will be handled by the Human Resources Director.
3. All Incident/Injury Reports will be reviewed by the Safety Committee and appropriate recommendations, actions, and monitoring will be carried out by the proper administrative personnel, as deemed appropriate.

The employee's supervisor must approve/co-sign the Incident/Injury report.

A Workman's Compensation injury report, completed by the Human Resources Director, must be completed for on-the-job injuries that require medical attention.

Visitor Accidents

Immediate assistance should be provided to any visitor injured on Youth Focus premises. The Safety Director should be notified and an investigation performed if appropriate. Visitors who have been injured will be encouraged to be evaluated or treated by a health care provider. Incident Reports should be completed by any employee(s) who witness the accident/injury.

Client Accidents

Client accidents should be reported in writing on an Incident Report Form by the employee who discovers or witnesses the accident. Immediate assistance should be given to the client. Employee witnesses should document the client's condition, note the circumstances surrounding the accident and include any other relevant information. Notification to the parent/guardian should be made.

4:05 Immediate Threat to Life, Health and/or Property

Policy:

Any condition that poses an immediate threat to life, health and/or property shall not be allowed.

Procedure:

Any employee who becomes aware of an immediate threat to life, health and/or property must immediately report this to the Safety Director or if he/she is not available, to the employee's supervisor. The Safety Director or supervisor is authorized to take any appropriate action necessary to eliminate the threat.

5:01 Salary Ranges

Policy:

Youth Focus offers a fair and equitable program of compensation based on salary ranges which maintain internal equity for similarly qualified employees and which promote external competitiveness.

Procedures:

1. Salary ranges are approved by the Executive Director. At least every three years, ranges will be reviewed and may be revised based on local salary trends.
2. Starting salaries for new employees customarily fall between the minimum and mid-point of the range for the respective positions. This allows for progressive growth.
3. When ranges are revised, salaries falling below the new minimums of the given ranges are automatically adjusted upward.

5:02 Salary Increases

Policy:

Youth Focus may, in its discretion, grant annual salary increases based on the results of an employee's yearly performance appraisals and the availability of funds.

Procedures:

Merit Increases - Youth Focus uses a pay-for-performance system where the amount of increase varies depending upon the employee's overall performance. The Board of Directors adopts an operating budget which may include a lump sum amount for any increases in salaries or wages earned. Any increases are made in the sole discretion of the Agency, after having considered the results of the performance appraisal process and other factors.

5:03 Holidays

Policy:

Eleven holidays are observed annually:

New Year's Day

Dr. Martin Luther King, Jr.'s Birthday

Easter (Good Friday)

Memorial Day

Independence Day

Labor Day

Veterans Day

Thanksgiving - 2 Days (Thursday and Friday)

Christmas - 2 days (Christmas Day and a day designated by Executive Director)

11 total

Procedures:

1. A holiday that occurs on a Saturday is observed on the preceding Friday. A holiday that falls on a Sunday is observed either on the following Monday or on a day designated by the Executive Director.
2. If a holiday occurs during an employee's vacation, the employee's absence on the Agency-observed holiday will not count against the employee's accrued vacation time.
3. If a non-exempt employee is required to work on an Agency-observed holiday, the employee is entitled to a day off at a later date or be paid the amount typically earned for a day of work.
4. Employees may, with the prior approval of the Executive Director, substitute, for religious beliefs, holidays of their own choosing for any of the above listed holidays.

5:04 Vacations

Policy:

Youth Focus shall grant annual vacation to all employees who work 40 hours a week or more based on length of service.

Procedures:

1. The fiscal year, July 1 through June 30, is designated as the vacation year.
2. Full-time employees accrue vacation on a monthly basis in accordance with the below schedule.
3. Vacation Earned. All existing full-time employees as of 12/31/96 shall earn vacation leave according to the following schedule based on years of employment:

Less than 1 year	8 days per year	(05.33 hrs/mo)
1 year, but less than 4 years	12 days per year	(08.00 hrs/mo)
4 years, but less than 10 years	16 days per year	(10.67 hrs/mo)
10 years, but less than 15 years	18 days per year	(12.00 hrs/mo)

4. Any accrued but unused vacation leave over 80 hours, as of October 1 each year, will be forfeited. An employee may carry an annual leave balance of more than 80 hours during the remainder of the year.
5. Approval of Vacation Leave - Vacation leave may be taken as earned by an employee, provided the Executive Director or supervisor approves the leave and can arrange for the leave to be taken without interfering with the operation of Youth Focus. Due to schedule problems or in extreme circumstances, the Executive Director may allow an employee to borrow unearned vacation leave from his/ her anticipated earned vacation leave

within the current vacation year. If the employee does borrow and use unearned vacation leave within the current vacation year but ends his or her employment prior to earning sufficient leave to cover that which was borrowed, an amount equal to vacation leave taken and not earned shall be deducted from the employee's final salary check. Such deductions will be in accordance with the NC Wage and Hour Act. If the employee works through the 15th day of the month on which he/she ends employment, the employee shall be entitled to the accrued amount of vacation leave for that month.

6. Vacation is an earned benefit, therefore, upon separation from employment employees are generally compensated for any accrued and unused vacation provided that advance notice is given (Exception: See #7 below).
7. Employees who are terminated for cause or who fail to give and work at least 2 weeks notice shall not be paid for accrued vacation leave. "For Cause" terminations are defined in Policy # 6:04 – Discipline & Dismissal.

5:05 Leave With Pay

Policy: Youth Focus grants leave with full pay for specified purposes:

Procedures:

1. **Personal (petty) Leave** - Personal leave may be granted to employees. After completion of six (6) months of continuous service, a maximum of one (1) day totaling eight (8) hours may be taken before the first anniversary date, at the discretion of the supervisor. After completion of one (1) year continuous service, a maximum of two (2) days totaling sixteen (16) working hours may be granted, at the discretion of the supervisor. Personal leave may be taken for reasons including, but not limited to, dental check-ups, well-doctor visits, voting, and other personal business, as approved by the supervisor.
2. **Sick Leave** - Full-time employees accrue sick leave at the rate of 8 hours per month (12 days per year) up to a maximum of 480 hours. Employees hired after 08/26/2008 cannot continue earning sick leave over 480 hours. Employees hired prior to 08/26/2008 who have accrued in excess of 480 hours may keep the hours accrued above 480 but do not accrue additional hours of sick leave unless they fall below the 480 total. Sick leave is granted for all conditions requiring medical attention: illness, hospitalization, surgery, pregnancy, childbirth, and outpatient treatment. The employee shall submit to the Executive Director, Human Resources Director, or immediate supervisor, a note from an attending physician for all consecutive days of sick leave beyond five working days and shall periodically update this information with a subsequent physician's note as required by the Executive Director. Upon separation from employment, regardless of the reason, employees are not compensated for unused sick leave. An employee must report any illness to his or her supervisor before the start of their workday. A report is expected for each absent day. If the "sickness" is a serious health condition under an approved FMLA, the Agency may require periodic reports as appropriate for the particular condition.
3. **Bereavement Policy** - Up to five days of sick leave time may be utilized in the event of a death in the immediate family. Immediate family is defined as: spouse, child, step-child, parents (including in-laws and step-parents), siblings, step-siblings, grandparents, or grandchildren. The Executive Director will review other requests on a case by case basis.
4. **Advancing Sick Leave Credit** - The Executive Director, in his or her sole discretion, may advance up to (15) fifteen days of sick leave to an employee

who has exhausted all sick leave and accrued annual leave because of an accident, major operation or illness. If the employee should terminate his or employment prior to earning sufficient leave to cover that which was borrowed, an amount equal to the sick leave taken and not earned shall be deducted from the employee's check. Such deductions will be in accordance with all applicable state and/or federal laws.

5. Civil Leave - An employee called for jury duty or as witness for the Federal or State governments or a subdivision thereof, shall be entitled to leave with pay for such duty, up to a maximum of 10 days. An employee who is a party or witness in other litigation shall be required to take vacation leave, compensatory time, or leave without pay if called to appear in court.
6. Military Leave – Eligible employees absent for active duty or reserve military service covered by the Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) will be granted leave for this service. Employees absent for active duty or reserve military service may use accrued vacation, personal leave, unused holiday pay or any combination thereof. When possible, employees should submit a written request for military leave to their supervisor 30 days before the absence begins or as soon as possible. Employees with active duty training assignments or inactive duty training drills for less than 31 days are required to return to work for the first regularly scheduled shift following completion of service, after the expiration of an eight hour “rest period” and travel time. Employees on longer military leave must apply for reemployment in accordance with all applicable state and federal laws. Every reasonable effort will be made to return eligible employees to their previous position or a comparable one. If reemployed, they will be generally be treated as though they were continuously employed for purposes of determining benefits based on length of service in accordance with USERRA.

Where circumstances surrounding a leave request do not fall within the provisions of the Agency's paid leave or the Family and Medical Leave Act policies, the employee may be granted leave without pay in the Agency's sole discretion. Examples of such leave might be due to illness, extended bereavement leave, educational leave, or military service.

Procedures:

Youth Focus Leave of Absence Requests must normally be completed and approved at least two (2) weeks prior to the leave. During a leave without pay, an employee does not accrue vacation or sick leave. However, the Agency will continue to provide health insurance benefits to the extent that it has provided them previously, with the employee responsible for the total cost. Requests should be reviewed on a case-by-case basis by the Executive Director or Human Resources Director taking into account the effect the leave would have on the Agency. Youth Focus cannot ensure that employment will be available to an employee who goes on leave without pay. However, the supervisor shall attempt to secure a temporary replacement for an employee who takes a leave of absence without pay and, if feasible, to return the employee to his/her former position.

Compensatory leave is a privilege given by Youth Focus to exempt employees. Exempt employees may accrue compensatory leave for hours worked over 40 hours in a work week as approved by the Executive Director. Compensatory leave may not be advanced before it is earned. 2. Employees must receive prior approval from their supervisor for reimbursement of job-related expenses that will result from the employee being away from home.
3. A cash advance for approved expenses may be issued upon request. An expense voucher and supporting receipts must then be submitted upon completion of travel or the employee can accept the established "per diem" rate for meals, in which case receipts are not required.

This Policy applies to all work-related activities of all employees and non-employees of the Agency while they are on Youth Focus property. It also applies to employees when they are participating in a work-related activity off-site--such as a business trip, conference or Agency-sponsored event.

Any employee who believes that he or she has been subjected to or witnesses discriminatory harassment should report the conduct immediately to any supervisor to whom the employee feels comfortable speaking, the Executive Director, the Human Resources Director, and/or the Board of Directors pursuant to the Agency's Open Door Policy. All complaints and related information will be investigated promptly and appropriate corrective and disciplinary measures will be taken, up to and including immediate

termination of the employment of an individual who is determined to have exhibited harassing behavior.

4. Because of the need to conduct a thorough investigation, we cannot guarantee absolute confidentiality for a complaint. Youth Focus restricts knowledge of a harassment complaint, or of information developed in the course of a harassment investigation, to those with a “need to know.” The Agency expects all participants in the complaint resolution process--complainants, investigators, witnesses and alleged harassers--to respect the confidentiality of the proceedings.
5. Any Youth Focus employee who is determined to have made knowingly false or malicious complaints, or to have committed an intentional breach of confidentiality, will be subject to disciplinary action, up to and including discharge.
6. This Policy is also intended to address conduct by non-employees with whom you come into contact, either at the workplace or in the course of your work-related activities. Youth Focus does not expect you to submit to such treatment as a condition of your employment. While the Agency may not have the same degree of control over the conduct of such third parties, Youth Focus will take appropriate action in the event of a confirmed report of third-party harassment. Such action may include complaining to the offender’s employer, working with the third party’s employer to modify the offender’s behavior, denying the offender permission to enter Youth Focus premises or restricting his access to certain areas; or terminating business relations with the third party.

6:03 Substance Abuse

Policy:

Youth Focus will not tolerate the unlawful manufacture, use, sale, dispensing, or possession of illegal drugs, narcotics or alcohol on its premises or while conducting Youth Focus business off premises. Employees involved in these activities may be subject to immediate dismissal. 2. If dismissal is not appropriate, then the employee will be referred for drug or alcohol abuse assistance or participation in a rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement or other appropriate agency. In Guilford County there are several such approved agencies including Alcohol Drug Services. Additionally, all full-time employees may purchase care privately either through out-of-pocket or through coverage provided by the Agency sponsored health insurance company.

The development and maintenance of a friendly atmosphere throughout the Agency's operations both with clients and among employees at all levels is encouraged, however, it is important to remember that Youth Focus is a professional place of employment where work time is for work. If, based on the preliminary investigation, the Board feels that there is reasonable cause to investigate further the Board shall employ a qualified attorney to investigate and recommend action to the Board.

9:02 Layoffs and Recalls

Policy:

The Executive Director or his/her designee will make the final decision on eliminating positions (reduction in force) if budgetary considerations make such reductions necessary or if scheduled staff exceeds staffing needs.

Procedure:

1. The decision regarding which employees will be affected by a reduction in force will be based on a number of factors including the length of time the employee has been employed, the performance of the employee, and the overall needs of the Agency.
2. Displaced employees will be considered for placement in other jobs within the organization. Work habits and employee performance will be considered for job placement. Displaced employees are not, however, guaranteed employment within the Agency.
3. If more than one employee expresses an interest for the same position, employees will be allowed to submit a written request for consideration. Written requests must be signed and dated and in some cases, employees may be interviewed.
4. Should business needs dictate a recall, employee performance will be considered as the primary factor with regard to who is recalled to work.

Youth Focus sincerely wants and needs healthy and open communications between employees and management, because our success depends upon our working together as a team.

We support the Open Door Policy by assuring employees that their ideas or problems will be handled to the best of our ability based upon a dedication to fair treatment and respect for each other as partners in our success. Worthy ideas and suggestions will receive proper recognition and credit. Complaints will be properly investigated and handled.

How the Open Door Policy works:

- If you have an idea, or a problem that is bothering you, or if you just would like to talk about something, then see your supervisor who will welcome the chance to listen to you, and then discuss the matter with you.
- We encourage you to present your idea, problem, etc. in person; however, you can send it to your supervisor in writing if you prefer.
- You will receive an answer to your idea or problem in person from your supervisor. The answer will be in writing if you present your idea or problem in writing.
- We want you to feel free to deal with your supervisor because he or she is the best person to assist you; however, we recognize there may be times when this is difficult. If the matter cannot be discussed with your immediate supervisor, or if you are still dissatisfied after discussing the matter with your supervisor, you can go directly to higher levels of management for assistance.
- If warranted, you should proceed up the chain of command, which generally includes the immediate supervisor, Human Resources Director, Executive Director, and/or the Board of Directors.

We want you to feel free to use the Open Door Policy because we believe that by talking things over we can improve Youth Focus and find the proper solution to any questions or problems.
