Afterglow

I'd like the memory of me to be a happy one.

I'd like to leave an afterglow of smiles when life is done.

I'd like to leave an echo whispering softly down the ways,
Of happy times and laughing times and bright and sunny days.

I'd like the tears of those who grieve, to dry before the sun;
Of happy memories that I leave when life is done.

Blessed Assurance

*Blessed assurance, Jesus is mine
Oh, what a foretaste of glory divine
Heir of salvation, purchase of God
Born of His Spirit, washed in His blood*

*This is my story, this is my song
Praising my Savior all the daylong
This is my story, this is my song
Praising my Savior all the day long*

*Perfect submission, perfect delight
Visions of rapture now burst on my sight
Angels, descending, bring from above
Echoes of mercy, whispers of love*
