Afterglow

*I'd like the memory of me to be a happy one.
I'd like to leave an afterglow of smiles
when life is done.
I'd like to leave an echo whispering
softly down the ways,
Of happy times and laughing times and bright
and sunny days.
I'd like the tears of those who grieve,
to dry before the sun;
Of happy memories that I leave when life is done.

A New Life

*Like a ship that's lost its moorings
And sails bravely out to sea-
So someone dear has sailed away
In calm serenity.
But there's a promise of a greater joy
Than earth can have in store.
For God has promised a richer life
Beyond the unseen shore.*

Our Tribute

We Thought of You

We thought of you with love today.

But that is nothing new.

We thought about you yesterday.

And days before that too.

We think of you in silence.

We often speak your name.

Now all we have are memories.

And your picture in a frame.

Your memory is our keepsake.

With which we'll never part.

God has you in his keeping.

We have you in our heart.
