### **“We Shall Behold Him”**

The sky shall unfold, it's just preparing His entrance oh, yeah  
And they tell me the stars shall applaud Him with thunders of praise  
The sweet light in His eyes shall enhance those awaiting  
And we shall behold Him, face to face

We shall behold Him  
Yes, we shall behold Him  
Face to face in all of His glory  
We shall behold Him

Yes, we shall behold Him  
Face to face, our Savior and Lord

The angels shall sound the shout of His coming  
And they tell me that the sleeping shall rise from their slumbering  
place  
And those who remain shall be changed in a moment  
And we shall behold Him then face to face

We shall behold Him  
Yes, we shall behold Him  
Face to face in all of His glory  
We shall behold Him

### **A Mother Is**

A mother is a saviour,  
A special friend as well,  
Someone you can talk to,  
Someone you can tell,  
She listens to your problems,  
Never lets you down,  
Soothes you with her smile  
through your ups and downs,  
one thing is certain in the mind  
I am sure you are the best mother of all,  
And I love you more and more.

From your sons, grandchildren,  
and great-grandchildren
