The Rizzi Family Story

The Rizzi legacy from Mola Di Bari, Italy to Arlington, Tennessee has been quite a journey for Domenico Rizzi. Born in Southern Italy, I moved to New York City in my early twenties, and found myself in the Mid-South in the late 1990's. I came here with the knowledge and experience in Grocery Management, Catering and Food Service.

In 1997, while working at a local restaurant in Memphis I met my wife and business partner Jennifer. A dream of mine was to bring my Southern Italian heritage and food to life in Tennessee. In 2000, I built Rizzi Pizzi in Arlington. In 2007, I added the Paradiso Pub in hopes of providing more variety to our patrons' dining and entertainment experiences.

We have a blended family of four wonderful children: Sebastiano, Jacob, Angela, and Sophia. We are also the proud grandparents of eight. Rizzi's is a true family-owned business and we like to think of our customers as family. Not only do we live in the community, we are thrilled to be part of the growth of Arlington over the past 22 years. We love our community and the people who live here. We are proud to be part of this ever-changing town and hope to be here for many years to come.

Please feel free to tell us about your dining and entertainment experiences as we are always looking for ways to better serve you!

Thank you - from our family to yours,

Domenico and Jennifer Rizzi
