Stepping on
Workshop

Let this coming year be better than all the others. Vow to do some of the things you've always wanted to do but couldn't find the time. Call up a forgotten friend. Drop an old grudge, and replace it with some pleasant memories. Vow not to make a promise you don't think you can keep. Walk tall, and smile more. You'll look ten years younger. Don't be afraid to say, "I love you". Say it again. They are the "sweetest words" in the world.

The Absolute Finest in Retirement Living for ages 55+”Active Adults” A Lifestyle that you deserve!

*Hope everyone is enjoying the nice weather! This is a good time of year to reflect on your Lifestyle. Since we are most active this time of year, consider whether you are as **INDEPENDENT** as you wish you could be. Twining Valley offers a truly healthy place to be responsible for ourselves. Choosing Twining means you are in charge of your life. You are the manager of your own needs and freedom is your mantra.*

The difference between Independent Living and Assisted Living is the Level of care offered. When you're trying to choose between Independent or Assisted living, take a moment to assess your lifestyle and what you need from a Senior Housing Community. Our facility was built using floor-plans with three stories. Residents must have mobility and be able to maneuver stairways daily. This is especially critical when the fire or storm alarms sound as our elevator would not be in service during inclement weather. Please reflect on your Lifestyle and your needs. If you have any concerns or questions? Please call Randy or Linda for a Confidential appointment. Have a great Summer!

10th at 1:30PM!
