Wastewater Maintenance Agreement

Customer Name: _____

Street Address: _____

City/State/Zip: _____

Phone Number: _____ 2nd# _____

Email: _____

SPECIAL INSTRUCTIONS: _____

Texas Pride Septic, Inc. will maintain the sewage treatment system at the above location for the period of

_____ year(s), beginning _____ and ending _____, every _____ months.

During this period, we will conduct a total of _____ visual inspections. These inspections will consist of tests of chlorine residual and pH. We will visually inspect the treatment plant, effluent quality color, turbidity, odor, sludge, and scum build up. A mechanical visual inspection will include aerator, irrigation pump, lines, and fittings. We will visually inspect the irrigation pump station, spray heads, pressure lines, and other tanks, pumps, and filters.

This agreement will not cover costs of service calls, labor and/or materials which are due to "mis-use" or "abuse" or anything that is not covered under factory warranty of the system: replacement of spray heads, failure to maintain electrical power to the system, sewage flows exceeding hydraulic/organic design capabilities, non-biodegradable materials, chemicals, solvents, grease, oil, paint, etc., or any usage contrary to the requirements listed in the owner's manual or as advised by an authorized service representative.

Home owner is responsible for disinfection. This includes adding approved chlorine tablets for sewage treatment plants. Texas Pride Septic, Inc. has a 24-hour response time for emergencies.

The required annual BOD's and TSS laboratory sample collection will not be included in this contract.
